

**Action Plan – Mr John Garbutt at HMP Leeds –Natural Cause on 10/11/2019**

<b>No</b>	<b>Recommendation</b>	<b>Accepted/ Not Accepted</b>	<b>Response</b>	<b>Target date for completion and function responsible</b>
1	The Head of Healthcare at HMP Leeds should ensure that all prisoners entering prison are routinely screened for alcohol misuse to ensure that, where necessary, prisoners are referred for further assessment or treatment.	Accepted	If a prisoner discloses an alcohol misuse issue during the reception screening an Alcohol Use Identification Test (AUDIT) is completed by the reviewing nurse. The AUDIT tool already forms part of the reception screening template. A reminder has been sent to all staff to complete the AUDIT where appropriate.	Complete  Head of Healthcare
