

Action Plan – Mr Edward Adams at HMP Wakefield – Natural Cause on 31/12/2019

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible
1	The Governor and Head of Healthcare should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position and that risk assessments show clear justification for the use of restraints.	Accepted	<p>All band 8 managers are aware of and understand the Graham judgement, when completing risk assessments. Staff are using amended risk assessment forms that also asks if the prisoner’s physical ability has been considered when decisions for cuffing are made.</p> <p>Healthcare provide information for each escort that reflects on the physical ability of the prisoner. The risk assessment forms are subject to spot checks from the Practice Manager and Head of Healthcare. This also now features on the establishment combined action plan which is reviewed and agreed by the Governor during senior management team meetings.</p>	<p>Complete</p> <p>Governor & Head of Healthcare</p>
