

**Action Plan – Mr Stephen Gerrard at HMP Leyhill – Natural Causes on 23/03/2019**

<b>No</b>	<b>Recommendation</b>	<b>Accepted/ Not Accepted</b>	<b>Response</b>	<b>Target date for completion and function responsible</b>
1	The Head of Healthcare at HMP Usk should ensure that abnormal blood test results are considered fully in relation to any previous abnormal blood tests.	Accepted	All patients identified with abnormal blood results will be offered an appointment with an appropriate healthcare professional to discuss the need for any further tests or investigations irrespective of previous blood tests or previous discussions. This will be implemented from September 2020 and cascaded to all members of healthcare via an email from the Head of Healthcare. GPs are able to task health care staff directly with regards to abnormal blood results and this can be audit trailed via SystemOne.	September 2020  Head of Healthcare
