

**Action Plan – Madala Washington. HMP Coldingley – Homicide - 01/04/2016**

<b>No</b>	<b>Recommendation</b>	<b>Accepted/Not Accepted</b>	<b>Response</b>	<b>Target date for completion and function responsible</b>
1	The Governor should review Coldingley's searching policy and satisfy herself that an appropriate number of prisoners are routinely and randomly searched before they move from the residential units.	Accepted	<p>New management checks were put in place in September 2017 to ensure compliance with the searching policy requiring an appropriate random searching when prisoners leave residential units.</p> <p>A further review will take place in October to ensure compliance and that appropriate security measures are applied against the risk posed.</p>	<p>Head of Security</p> <p>Completed</p>
