

**Action Plan – Mr John Maunder at HMP Winchester – Natural Causes on 28/04/2020**

<b>No</b>	<b>Recommendation</b>	<b>Accepted/ Not Accepted</b>	<b>Response</b>	<b>Target date for completion and function responsible</b>
1	The Governor and Head of Healthcare should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints, and that assessments fully take into account the health of a prisoner and are based on the actual risk the prisoner presents at the time.	Accepted	<p>We are reviewing our current risk assessment process to ensure that staff are aware of and understand the Graham judgment so that they take account of the prisoner’s health and mobility when making cuffing decisions.</p> <p>The Group Safety Lead, (on behalf of the Prison Group Director) has met with the Head of Security to share risk assessments that promote effective practice.</p> <p>An awareness and training session is also planned, to be delivered to the Senior Management Team, Custodial Managers and Healthcare staff, by the HMPPS Safer Custody Casework Team and Ombudsman’s office by the end of 2020. All attendees understanding of the legal judgment will be recorded from the training/awareness session.</p>	<p>Complete</p> <p>Governor &amp; Head of Healthcare</p>
2	The Head of Healthcare should ensure that staff complete the healthcare section of the escort risk assessment fully and accurately.	Accepted	<p>As part of Care UK’s contract, a Reception Clinical Lead has been identified to form part of clinical management team. This post is solely dedicated to the service delivery of all the reception processes. A key element of this posts remit will be to ensure joint assessment and decision making processes are conducted and recorded with accurate information. The post will lead on training and ensuring staff are fully aware and observe all required processes.</p> <p>As mentioned above, there will be a training/awareness session focusing on the legal position and it will include what information is required from</p>	<p>Complete</p> <p>Head of Healthcare</p>
