

Action Plan – Mr Richard Ormond at HMP Long Lartin – ONN on 11/01/2019

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Governor should identify and address the key weaknesses in reducing the supply of drugs and revise the Substance Intoxication Strategy in light of the findings.	Accepted	HMP Long Lartin is committed to reducing the supply of drugs entering the establishment and in circulation amongst the population. The Drug Strategy is currently being revised in line with the recently published National Drug Strategy guidelines and an updated version will be implemented by the end of September 2019. This will ensure that key local issues are identified and addressed. Additional support has also been sought from the national Drugs Taskforce who will visit HMP Long Lartin later in 2019 or early 2020 to provide further advice and guidance around policy and external partnerships.
