

Action Plan – Mr Robert Tutchings at HMP North Sea Camp – Natural Causes on 19/05/2020

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare at North Sea Camp should ensure that advanced nurse practitioners are competent in the management of long-term disease. A development plan should be documented within the appraisal system and monitored by regular auditing of clinical notes.	Accepted	<p>The ANP (Advanced Nurse Practitioner) has completed the Trust Long Term Condition course (in August 2020).</p> <p>We have had specific Hypertension teaching as a staff group including ANP, from the Trust Learning and Development Matron, to highlight and raise issues that are associated with a high blood pressure. The development of the ANP has been raised in the latest appraisal and will be moving forward towards undertaking a Masters in advanced nursing practice (due to start in January 2021).</p> <p>We have also discussed medications reconciliation, and when it is worth raising medications that have not been taken for whatever reason.</p>	<p>Complete</p> <p>Head of Healthcare</p>
