1	The Governor and Head of Healthcare should ensure that applications for early release are progressed without delay.	Accepted	<p>HMP Berwyn will ensure that applications for early release are progressed from the earliest opportunity.</p> <p>Where a person is highlighted as suffering from a terminal illness a multi-disciplinary team will be set up to review the individual's circumstances on a regular basis. The application and progress of the application for early release will be discussed during these reviews. Decisions made and the patient's input will be considered and documented within these reviews. This will be in place with immediate effect when a case is highlighted.</p>	Head of Safer Communities October 2018
