

Action Plan – Esha Nile Dillon at HMP Stocken on 24/03/2018

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Governor and Head of Healthcare should ensure that their substance misuse strategy addresses the trading of prescribed medication and that effective steps are taken to prevent it.	Accepted	A review of the substance misuse strategy will take place in November to address the issue of the trading of prescribed medication, and the list of medication permitted in prisoner possession. The review will also evaluate the current systems of supervision of medication dispensing. All staff will be made aware of the outcome of the review and any new processes by December 2018 through a Governors notice.	Governor Head of Healthcare Substance Misuse Lead December 2018
2	The Governor should ensure that staff are given clear guidance and understand the circumstances in which they should radio a medical emergency code and go into a cell during patrol or night state.	Accepted	All staff will be reminded through a Governor's notice and full staff briefing in October 2018, of PSI03/2013 and the circumstances in which they should radio a medical emergency code and go into a cell during patrol or night state. The establishment will also issue all staff with reference cards by December 2018 with the correct code to call during a medical emergency.	Governor Substance Misuse Lead December 2018
