

Action Plan in response to the PPO Report into the death of Mr Gary Ross on 11/03/2021 at HMP Bullingdon

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that all prisoners with cancer have care plans in place, which should include end of life care and social care needs.	Accepted	All patients have care plans that are regularly reviewed and monitored through the MPCCC (Multi-Professional Complex Case Clinic). Additionally, pathways are being developed between HMP Bullingdon and Sobel House, the local Hospice.	Head of Healthcare	Complete 31/12/21
2	The Head of Healthcare should introduce a robust pain management framework and pathway that includes follow up and monitoring.	Accepted	All men with a terminal diagnosis will have robust pain monitoring. This will be monitored through the MPCCC and form part of the care plan. Staff will receive training delivered by Sobel House on end of life care pain management.	Head of Healthcare	Complete
