

Action Plan in response to the PPO Report into the death of Mr Dennis Smalley on 16/03/2021 at HMP Wakefield

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that staff consistently use the National Early Warning Score (NEWS2) tool and record the results in the prisoner's medical record.	Accepted	As this has been a repeat recommendation at HMP Wakefield, we have audited this and are assured that the clinical intervention is taking place appropriately. This audit of all NEWS2 is also submitted to Commissioners on a monthly basis. We are working continuously through training and clinical supervision to ensure that the correct template is completed. Audits will also continue.	Head of Healthcare Practice Plus Group	Complete
