

Action Plan in response to the PPO Report into the death of Mr Mohammed Inayat on 04/02/2021 at HMP Dovegate

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that prisoners with hypertension are managed in line with National Institute for Health Care and Excellence guidelines.	Accepted	The Head of Healthcare at HMP Dovegate and lead GP have reviewed the process for monitoring patients with hypertension (as per NICE Clinical guidance and local population targets for blood pressure ranges). The review included the system of recall and guidance has been shared with staff on the correct escalation of high readings.	Head of Healthcare and Lead GP	Complete
