

# Action Plan in response to the PPO Report into the death of Mark Raymond on 22/03/2021 at HMP Elmley

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure that there are procedures for supporting staff after a death in hospital.	Accepted	We have reviewed our processes to ensure that following a death in hospital, the names of staff involved in the initial incident and those who completed bedwatch duties will be collated by the Orderly Office. These will be passed to the Safety and Care Teams to arrange support and a debrief session. The Care Team will be made aware if a prisoner is seriously unwell and dies at hospital to enable them to contact bedwatch staff and offer support. This will be communicated to the Orderly Officer Team and included in the Death in Custody revised contingency plan.	Governor/Head of Safety	31/10/2021
