

# Action Plan in response to the PPO Report into the death of Derek Cooper on 18/03/2021 at HMP Isle of Wight

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor and Head of Healthcare should ensure that there is effective and documented communication and care planning between healthcare and prison staff when there are concerns about a prisoner's health.	Accepted	<p>For patients that are already known by Healthcare to be physically or mentally unwell the care planning process and weekly communication with HMPS staff via the Head of Safety meeting with Modern Matron and Clinical Lead for Mental Health will continue. This conversation is then further discussed at the weekly minuted SIM meeting.</p> <p>For patients who exhibit the need for urgent care and who refuse to be domiciled within a healthcare wing the Head of Healthcare and Head of Safety will devise a local protocol which details the level, frequency, escalation process and emergency responses required for any patient while being left in the care of HMPS staff.</p>	Head of Healthcare / Head of Safety	01/11/2021
2	The Head of Healthcare should ensure that welfare checks carried out by	Accepted	The head of Head of Healthcare will write a memorandum to all healthcare clinicians requesting that within the exigencies of the service	Head of Healthcare	30/09/2021

	health staff are carried out in person, where appropriate.		welfare checks are to be carried out in person if appropriate and able to be done so.
