

Action Plan – Mr Alan Wilson at HMP& YOI Doncaster – Natural Causes on 22/12/2020

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible
1	The Director should ensure that all staff undertaking and reviewing risk assessments for prisoners admitted to hospital understand the legal position on the use of restraints, that assessments fully take into account the prisoner's health and are based on the actual risk he presents at the time.	Accepted	<p>Prison and healthcare staff involved in this process are aware of the legal position however a note to remind them of the specific points of the Graham Judgment will be issued.</p> <p>Additionally, the Prisoner Escort Process review was conducted in line with the Local Security Strategy (LSS) review in January 2021. The LSS gives instruction to all staff that a prisoners physical and medical condition should be considered when considering the risk assessment prior to, and also during escorts and bedwatches. The LSS acts as the Local Operating Process (LOP) for all matters relating to Security & Intelligence, therefore there is not a dedicated LOP for this matter. The final decision takes account of Healthcare input and the reasons are recorded by the authorising officer.</p> <p>The Head of Security & Intelligence will complete all risk assessments for those prisoners admitted to hospital. In their absence, the risk assessment will be completed by the Duty Director.</p>	<p>January 2021</p> <p>Head of Security & Intelligence</p>
