

Action Plan in response to the PPO Report into the death of Mr Michael Malin on 20/08/2021 at HMP Littlehey

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that regular medication in possession risk assessments (MIPRA) are undertaken with particular emphasis on patients where there are concerns about medication compliance and suitability for in possession medication.	Accepted	<p>A medication risk assessment conducted in 2017 assessed Mr Malin as suitable for 28 days in possession medication. Regular compliance checks were conducted on: 10.7.19, 11.5.20, 19.5.20, 4.8.20 and 5.1.21.</p> <p>We would continue our endeavour to risk assess and regularly check for compliance of all patients on in-possession medication and update their risk assessment if there are any significant changes in their compliance.</p>	Head of Healthcare	Completed
