

Action Plan – Mr George Stanway at HMP Sudbury – Natural Causes on 05/04/2020

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare should ensure that all prisoners with a chronic health condition have management of care and treatment plans, in line with NICE guidance.	Accepted	A new process has now been implemented, whereby a clinician is allocated to lead on each Long Term Condition (LTC), ensuring that suitable care and treatment plans are agreed and in place. There is also monthly monitoring of Quality Outcome Framework (QOF) which provides assurance to the Head of Healthcare, on how patients are reviewed with LTC's.	November 2020 Head of Healthcare
