Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that prison GPs ensure consistency when prescribing medication to prisoners with long-term health conditions.	Accepted	A meeting is to take place between the interim Head of Healthcare and GPs to discuss this issue and put a process in place to guide the GPs.	Interim Head of Healthcare	1/11/21
2	The Head of Healthcare should ensure that care management plans are in place for all prisoners with long-term health conditions.	Accepted	Complex care patients now all have care plans in place (from August 2021). All patients with long term health conditions are having care plans added to their notes moving forward. The practice nurse is doing this now and moving forward.	Interim Head of Healthcare	Complete
3	The Head of Healthcare should ensure that healthcare staff understand how to	Accepted	A local process will be devised that will be issued with a staff notice to all staff, reminding them of the process for managing patients with COVID-19.	Interim Head of Healthcare	01/10/21

	monitor and treat prisoners who have tested positive for COVID-19.				
4	The Head of Healthcare should share this report with Nurse A and discuss the Ombudsman's findings with him.	Accepted	The Head of Healthcare spoke to Nurse A and showed him this report (in August 2021). He accepts he should have taken the observations. We have agreed that he writes a reflective piece in the management of a COVID-19 patient.	Interim Head of Healthcare	Complete
