1.	The NHS Commissioners and Clinical Commissioning Group (CCG) should consider investigating the causes of the delay in certifying Mr Ramsey's death.	Accepted	The Senior Quality Manager from the NHS England & Improvement Health & Justice North (Yorkshire & The Humber) and the Lead Nurse from Doncaster Clinical Commissioning Group (CCG) have discussed the recommendation and an investigation had already been undertaken into the alleged delay in the certification of death (March 2022). The outcome of the investigation is that no further action is required.	NHS England Head of Healthcare	Complete
