

Action Plan in response to the PPO Report into the death of Barry Hastings on 11/07/2021 at HMP Elmley

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that when a prisoner returns from hospital with an order not to be resuscitated, healthcare staff confirm with the prisoner that his wishes remain the same and complete a new order to that effect.	Accepted	<p>When a patient returns to prison with an active DNACPR order, the Duty Healthcare manager and Head of Healthcare or Deputy will be notified by the reception team. The patient will be added to the palliative care register held within SystmOne and this will be reviewed by the Primary Care Manager or Deputy Head of Healthcare and GP at the earliest opportunity.</p> <p>The DNACPR will be reviewed with the patient and confirmation of the patient's wishes documented and the outcome recorded on the DNACPR order form.</p> <p>All relevant parties will be made aware of the patient's wishes including the patients Next of Kin.</p> <p>The DNACPR will remain in the patient's location so that it is instantly accessible and a copy on the patients' medical records and escalated to the prison Safeguarding and Healthcare partnership meeting.</p> <p>The patient will be discussed weekly at the Healthcare complex case meeting.</p>	Head of Healthcare and Deputy Head of Healthcare	31 July 2022
