

Action Plan in response to the PPO Report into the death of Mr Barry Fisher on 07/10/2021 at HMP Ashfield

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that a formal care plan approach is adopted for all prisoners with long-term conditions and that the plan is discussed and agreed with them.	Accepted	<p>A Long-Term Condition (LTC) lead nurse is now in post. LTC audits will be conducted. Hanham Secure Health (HSH) Shared decision-making lead and named GP has now been identified in line with NICE guidance NG197.</p> <p>There is ongoing training and support for staff on the use of care plans; this will be provided by LTC lead nurse. Notes of whether the care plan has been offered to the patient and whether this has been accepted will be recorded in LTC reviews.</p>	<p>Hanham Secure Health</p> <p>Head of Clinical Services</p>	30 April 2022
2	<p>The Head of Healthcare should ensure that staff:</p> <ul style="list-style-type: none"> • use the NEWS2 tool correctly and escalate scores as and when required; and • complete follow-up assessments as agreed. 	Accepted	<p>RESTORE2 training has been mandated for all HSH clinical staff.</p> <p>SEPSIS training has also been mandated for all HSH clinical staff.</p> <p>Escalation process were shared with clinical team and are displayed on the wall in the office.</p>	<p>Hanham Secure Health</p> <p>Head of Clinical Services</p>	30 April 2022

			Separate NEWS action plan has been developed to address the learning identified. This was developed and published on 16 November 2021.		
3	<p>The Director and Head of Healthcare should ensure that:</p> <ul style="list-style-type: none"> healthcare staff provide prison staff with details of all prisoners with DNR orders in place and this is communicated to relevant wing staff; and all staff are aware of what a DNR order means and do not attempt resuscitation against a prisoner's wishes. 	Accepted	<p>Inspire Better Health (IBH) ReSPECT Standard Operating Procedure (SOP) is in place and it's been shared with all healthcare staff to re-familiarise selves with the SOP.</p> <p>Healthcare staff will ensure this SOP is followed and steps are taken and documented in the patients SystemOne record. This will Provide assurance that we have shared this information with all relevant departments involved in the persons care to ensure ReSPECT decisions and patient's wishes are respectfully met.</p> <p>Daily handover should check for any new ReSPECT form and ensure all necessary steps have been taken in line with the SOP, any outstanding steps are to be allocated at daily handover and must be completed the same day.</p>	<p>Avon & Wiltshire Mental Health Partnership NHS Trust</p> <p>Head of Healthcare</p> <p>Head of Residential/Safer Custody</p>	31 January 2022
	<p>The Director should ensure that staff are aware of the circumstances in which resuscitation is inappropriate in line with Guidance to support the decision making process of when not to perform Cardiopulmonary Resuscitation in prisons (2016).</p>	Accepted	<p>The guidance to support the decision-making process of when not to perform Cardiopulmonary Resuscitation in prisons is included in all Emergency First Aid at Work (EFAW) and First Aid at Work (FAW) initial and refresher qualifications. All operational staff are qualified in either EFAW or FAW. A notice to staff was issued on 19th January</p>	Head of Governance	Complete

			2022 reminding staff of the decision-making process in place.		
5	The Director should ensure that prison staff know how to use a defibrillator and can clearly communicate to the ambulance service what the defibrillator is indicating.	Accepted	The use of the defibrillator forms part of all Emergency First Aid at Work/First Aid at Work initial and refresher qualifications which all operational staff are required to undertake. A series of toolbox talks with communication advice when dealing with the ambulance service will be given to staff.	Head of Governance	28 February 2022
