

Action Plan in response to the PPO Report into the death of John Mitcheson on 01/10/2021 at HMP Doncaster

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that all DNACPR and ReSPECT forms relating to a prisoner's decision about cardiopulmonary resuscitation and future care decisions are scanned into the prisoner's medical record.	Accepted	<p>I can confirm all forms are scanned onto System One. I have a copy in my office and there is a copy kept in the office downstairs. A copy will also be kept with the patient. If/when they go out to hospital it goes with them and is returned by the hospital.</p> <p>There is also a copy located in the bubble of the prisoners location to ensure operational staff are aware.</p>	Head of Health Care	Completed
