

## Action Plan in response to the PPO Report into the death of Barry Thompson on 09/03/2021 at HMP Stafford

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare must ensure that all clinical staff follow the local homely remedy policy and procedure for the safe administration of medications.	Accepted	All staff successfully completed Medicine Management competencies and online LMS modules. Compliance reports are submitted monthly with all staff allocated protective time to complete and remain updated on any amendments.  Bitesize training was delivered and completed locally on 21/01/22 for all staff on PGD administration.	Head of Healthcare/Clinical Manager	Complete
2	The Head of Healthcare must ensure that all clinical staff follow the national guidance for blood pressure monitoring.	Accepted	Bite size staff training was held on 08/10/2021 where NEWS2 and manual clinical observation checks were completed. This included additional hypertension training and escalation.  NEWS2 modules are completed online by all clinical staff on LMS. Compliance reports are submitted monthly.	Head of Healthcare/Clinical Manager	Complete
