

# Action Plan in response to the PPO Report into the death of Mr Barry Hall on 17/10/2021 at HMP Warren Hill

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that blood sample tubes are on a continued stock rotation checking system so that there are no expired blood sampling tubes.	Accepted	Incidental learning prompted a review of the checking of stock and rotation system. Staff training now includes rotation of stock with set stock check days.	Head of Healthcare	Complete
