

Action Plan in response to the PPO Report into the death of Christopher Jones on 17/11/2021 at HMP Parc

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should review the recent measures to ensure that all prisoners with chronic health conditions have care and treatment plans, and provide assurance that these are operating effectively.	Accepted	A care plan template has been added onto the electronic medical records. Staff will be trained on this during their induction. Weekly care plan audits to be carried out by the Systems and Performance Manager.	Head of Healthcare	March 2022
2	The Head of Healthcare should ensure that staff follow up inconclusive laboratory tests.	Accepted	All staff have been written to, to remind them of the importance of rebooking tests when the results come back as inconclusive.	Head of Healthcare	March 2022
