1	The Governor should ensure that staff notify a prisoner's next of kin as soon as possible when a prisoner becomes seriously ill, in line with Prison Rule 22 and PSI 64/2011.	Accepted	<p>This was reviewed in December 2021. Where a prisoner becomes seriously ill, a Family Liaison Officer is appointed immediately and they make contact with the Next of Kin (NOK).</p> <p>We also contact bedwatch staff to ask the prisoner if they want their family informed /call should be made to the NOK, when they have been in hospital for 2 days. This is then followed up by the Custodial Manager completing the bedwatch check to ensure a call has been offered and recorded in the Prisoner Escort Record.</p>	Governor HMP Stafford	Complete
