

# Action Plan in response to the PPO Report into the death of Mr Lorne De Angelista on 15/02/2021 at HMP Norwich

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that staff use a nutritional screening tool for prisoners who are at risk of malnutrition.	Accepted	The Healthcare team have all been issued information with regards to Nutritional Screening (MUST) which will be subject to audit and discussed at Supervision where relevant. The Registered Clinical Manager will raise all nutritional requests and requirements at the monthly Clinical Governance meetings.	HCRG Registered Clinical Manager	June 30 <sup>th</sup> 2022
2	The Head of Healthcare should ensure that prison healthcare staff verify death where appropriate to minimise the use of emergency services.	Accepted	Code Blues/Reds that require external emergency services to preserve life will inform internal healthcare services to verify death. In the event that the death is expected healthcare staff will call 111 who will supply a GP to confirm death. The onsite GP will also be able to verify death if he is in attendance/on shift.
