

Action Plan in response to the PPO Report into the death of

Mr Julian Mardon on 07/03/2021 at HMP Bure

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that reception screening records all allergies and existing medical condition in line with NICE guidance NG57.	Accepted	All allergies and existing medical conditions will normally already be recorded on SystemOne notes when transferred into the establishment. This is asked at initial reception screening and secondary screening in case there have been any changes since last documented.	Head of Healthcare	Completed
2	The Head of Healthcare should ensure that blood pressure readings are recorded for both sitting and standing in line with NICE Guidance Hypertension in adults: diagnosis and management [NG136].	Accepted	This has been shared with the wider team with sitting and standing blood pressures recorded in line with NICE guidance. The Clinical lead ensured this information is shared amongst the clinical team and there is an awareness of the NICE guidance. The most recent sharing of these recommendations was 22/04/2022 and has also been discussed as part of our all staff meeting. A reminder is also currently being added to affected patients notes a senior staff nurse.	Head of Healthcare	Completed
