

Action Plan – Mr Brett Moore at HMP Peterborough – Natural Cause on 18/03/2020

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare should ensure that all requests for blood tests are promptly actioned.	Accepted	Urgent requests for blood tests are to be actioned the same day. For all other requests residents are to be advised of the appointment date and time via the kiosk within 48 (working day) hours of the GP request. In the event that an appointment has to be cancelled it is to be rebooked for next available clinic and at the earliest opportunity.	31 October 2020 Head of Healthcare
2	The Head of Healthcare should ensure that the most suitably qualified member of healthcare staff remains with a prisoner throughout an emergency response, wherever possible.	Accepted	Nursing staff will be instructed in writing on this recommendation and this will also be incorporated into the induction package for nursing staff.	31 October 2020 Head of Healthcare
3	The Director should ensure that operational staff have up-to-date training to administer basic life support in an emergency.	Accepted	Training will be delivered by 28 February 2021 to the effect that PCO and SPCO grades have completed initial training or refresher training in Emergency First Aid at Work and are within the 3 year validity period of that training.	28 February 2021 Director
