

## Action Plan in response to the PPO Report into the death of Mr David Catley on 22/02/2021 at HMP The Verne

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that prisoners whose health conditions make them clinically extremely vulnerable to COVID-19 are identified promptly and offered shielding in line with NHS guidelines.	Accepted	This recommendation has been added to HMP The Verne's healthcare Covid-19 and Influenza like illness (ILI) Contingency Plan, first drafted in March 2020.  The contingency plan has been shared with the clinical team.	Practice Plus Group	29/03/2022
2	The Head of Healthcare should ensure that where a prisoner is advised to shield, healthcare staff explain the risks of not shielding to them, satisfy themselves that the prisoner understands their options and record the outcome of the discussion in the prisoner's medical record.	Accepted	This recommendation has been added to HMP The Verne's healthcare Covid 19 and Influenza like illness (ILI) Contingency Plan, first drafted in March 2020.  The contingency plan has been shared with the clinical team.	Practice Plus Group	29/03/2022
3	The Head of Healthcare should ensure that staff are aware of the circumstances in which they may have to make a decision on treatment which is in the best interests of the patient.	Accepted	All healthcare staff will complete Mental Capacity Act (MCA) and Deprivation Of Liberties Safeguarding (DOLS) e-learning – that is currently at 81% compliant.
