

Action Plan in response to the PPO Report into the death of Mr Stuart McKay on 07/03/2021 at HMP Wakefield

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that there is a clear process and care plan in place to monitor prisoners whose condition indicates the potential for deterioration.	Accepted	<p>All staff complete mandatory NEWS2 training (NEWS2 is a clinical assessment tool which is used to monitor patients. A change in the score indicates a potential deterioration in condition).</p> <p>A handover sheet is passed between day & night staff which identifies any patients at risk of deterioration and who require monitoring overnight. Healthcare staff can also admit patients to the inpatient unit where closer observations and monitoring can be facilitated</p>	Practice Plus Group	Complete
2	The Governor and Head of Healthcare should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints and that assessments fully take into account the health of a prisoner and are based on the actual risk the prisoner presents at the time.	Accepted	<p>All Senior Management Team, including the Head of Healthcare, were briefed on 15 February 2023, regarding consideration of cuffing arrangements as per the Graham Judgement.</p> <p>Each Prison Escort Record is subject to an assurance check within the security department and this is overseen by the Head of Security.</p>	Governor	Complete
