

Action Plan in response to the PPO Report into the death of Bradley Derosa 26/05/2022 HMP Wandsworth

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure that managers carry out risk assessments when reviewing the use of restraints on seriously ill prisoners in hospital, regardless of their previous location, to ensure arrangements are appropriate and individuals are safeguarded.	Accepted	<p>Guidance will be re-issued to all staff undertaking risk assessments for escorting prisoners to hospital, outlining the legal position on the use of restraints and that assessments must fully take into account the health of the prisoner and be based on the actual risk the prisoner presents at the time.</p> <p>Head of Health Care has reminded all staff of their responsibilities with completing the escort risk assessment form accurately. The staff member reviewing the medical record will ensure the form is accurate.</p>	Head of Security/Safety & Head of Health Care	Complete December 2022
2	The Governor at Wandsworth should ensure that applications for early release on compassionate grounds are started as soon as a prisoner becomes eligible, to ensure maximum time is available	Accepted	<p>The Deputy Governor or Head of Offender Management Unit will chair a case review after being informed that a prisoner has been identified as having less than six months to live.</p> <p>An e-mail will be sent to Offender Management Unit and Healthcare managers, ensuring they</p>	Head of Offender Management Unit	Complete December 2022

	for the application to be processed before the prisoner dies.		are aware of this approach and refer prisoners at the earliest possible opportunity. Healthcare managers have highlighted that this will still rely on the prisoner's consent but, where this is gained, information will be shared immediately.
