

Action Plan in response to the PPO Report into the death of Mr Gary Monaghan on 30 August 2022 at HMP Berwyn

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that DNACPR paperwork is completed promptly.	Accepted	<p>DNACPR process is managed through the Complex Men meeting which is held weekly and led by the Primary Care team.</p> <p>Health and Wellbeing awareness is to be raised of the DNACPR process through our internal newsletter and notice board.</p>	<p>Head of Healthcare</p> <p>Betsi Cadwaladr University Health Board</p>	01/04/23
2	The Governor should ensure that applications for early release on compassionate grounds are started and submitted as promptly as possible.	Accepted	HMP Berwyn will ensure that applications for early release are progressed from the earliest opportunity. Where there are delays in receiving consultant reports, going forwards we will work to ensure this information is provided in a prompt manner and where necessary escalate the matter to senior managers to avoid unnecessary delays.	Head of Safer Custody	01/04/23
