

# Action Plan in response to the PPO Report into the death of Mr Ellis Williams on 31/03/2021 at HMP/YOI Parc

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that healthcare staff create care plans for diabetic prisoners so that all aspects of their care are effectively managed.	Accepted	A full review is to be carried out on all diabetic patients medical records by the diabetic specialist nurse to ensure an active care plan is in place which includes all aspects of diabetic care.	Head of Healthcare	January 2023
2	The Head of Healthcare should ensure that there are formalised arrangements in place for the onward referral of prisoners to a local memory team.	Accepted	An in reach service has been introduced in April 2021 at Parc for those men requiring specialist older persons psychiatry including memory assessments.	Head of Healthcare	Complete
3	The Head of Healthcare should ensure that prisoners are fully informed about any changes made to their prescribed medications or any diagnoses made about their health.	Accepted	A process was introduced in December 2021 whereby all information relating to any changes to treatment including changes to medication, new diagnosis or new treatment plans is sent to prisoners via CMS. The GP's will send electronic tasks to our admin department detailing information that needs to be relayed to prisoners.	Head of Healthcare	Complete
