

# Action Plan in response to the PPO Report into the death of

## Mr Matthew Harris 29/05/2022 HMP Long Lartin

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare at Swansea should ensure that staff carry out a prompt clinical handover to the receiving prison when a prisoner is transferred with, significant health issues, including when they are assessed as being at high risk of suicide and self-harm.	Accepted	<p>Prior to the transfer of any prisoner with significant health issues, including those assessed as being at high risk of suicide and self-harm, healthcare staff have been instructed to complete and send the new healthcare transfer proforma document directly to the receiving prison. Staff must then follow this up with an email informing the prison that this has been sent, and attach a further copy to the prisoner's SystemOne record.</p> <p>This document must be completed in full, and ensures staff include any relevant information regarding clinical care and assessments.</p>	The Head of Healthcare (Swansea Bay Health Board)	Completed
