

Action Plan in response to the PPO Report into the death of Mr Raibert Browne on 25 June 2022 at HMP Gartree

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that valid Do Not Attempt Cardiopulmonary Resuscitation (DNACPR) and Recommended Summary Plan for Emergency Care and Treatment (ReSPECT) forms are scanned into prisoners' medical records and shared with the multidisciplinary team involved in their care.	Accepted	<p>There is an embedded practice. Patients that are identified on the End-of-Life Pathway will have the associated paperwork uploaded into the SystemOne healthcare record. These will be completed in accordance with the Nottinghamshire End of Life and Palliative Care Toolkit which outlines a range of local and national documents to ensure that a patient is appropriately supported at the end of their life. There is a Quick Guide for clinicians on how to complete a ReSPECT form and Dying Well in Custody Charter and the Toolkit that is followed.</p> <p>This information is shared with the Multi-Disciplinary Team involved in the patients care.</p> <p>Education and Support is also provided to relevant Prison staff to aid understanding of this process and ensure all staff feel confident in supporting patients at the end of their life to maximise the chance of '<i>dying well</i>' and with dignity.</p>	<p>Interim Head of Healthcare/PC Matron</p> <p>Nottinghamshire Healthcare NHS Trust</p>	April 2023

2	<p>The Head of Healthcare should ensure that:</p> <ul style="list-style-type: none"> • all prisoners who return from hospital have appropriate discharge paperwork; and • healthcare administration follow up any missing paperwork and ensure that it is received promptly. 	Accepted	<p>Where patients return from hospital and the appropriate discharge paperwork does not travel with them a local process has been implemented whereby the Administration team will be notified and they will take responsibility for following up with the discharging hospital or clinic.</p> <p>This will be documented in the SystemOne notes and a task will be generated for the administration to team. If contact cannot be made with the discharging team the administration team will advise the Head of Healthcare for escalation.</p> <p>Once paperwork is received it will be uploaded into the SystemOne patient record.</p>	Assistant Practice Manager/ Interim Head of Healthcare	April 2023
