

Action Plan in response to the PPO Report into the death of Mr Amarjit Singh on 21 November 2021 at HMP Pentonville

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	<p>The Governor and Head of Healthcare should introduce a robust process to ensure:</p> <ul style="list-style-type: none"> healthcare staff are informed when the prisoner has returned from hospital; healthcare staff see the prisoner within 24 hours of their return; and healthcare staff obtain the discharge summary and outcome of the admission from the hospital. 	Accepted	<p>The Governor and the Head of Healthcare have introduced a new unscheduled care team within the healthcare department that is responsible for escorts and bedwatches including safe and appropriate discharge from hospital. As part of this role, the unscheduled care lead has put together a flow chart guide for all staff working in HMP Pentonville on how to safely manage the discharge of a patient from hospital.</p> <p>The flow chart guides the healthcare staff through the process from the point at which the patient physically leaves the hospital, to the point at which a clinician is happy that the discharge has been effective and that they have all the information required for safe and appropriate onward treatment whilst in custody.</p>	<p>Governor HMPPS</p> <p>Head of Health Care (Practice Plus Group)</p>	August 2023

			The flow chart guide will be shared with staff through attending different staff briefings and will be also included in the Friday staff newsletter.
