

Action Plan in response to the PPO Report into the death of

Mr John Rollins on 05/11/2021 HMP Wymott

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that second-stage health assessments for new prisoners are completed in accordance with national clinical guidelines.	Accepted	<p>Covid restrictions were in place at the time of this incident. As an interim measure, both the initial and secondary reception screens were completed at the same time.</p> <p>Since this incident, due to the lifting of covid restriction, the initial and secondary health screenings are now completed separately, within a 7 day period.</p>	Head of Healthcare	Completed
2	The Head of Healthcare should ensure that clinical observations during reception health screens are fully completed and recorded.	Accepted	<p>The SystemOne template for reception screens prompts staff to record all clinical observations. A reception process Standard Operating Procedure (SOP) has since been developed to offer guidance to staff who are responsible for completing the reception screens.</p>	Head of Healthcare	21.3.2023
3	The Head of Healthcare should ensure that healthcare staff complete a formal mental capacity assessment when a prisoner is diagnosed with dementia and his cognitive function declines.	Accepted	<p>Mental Capacity Act training is mandatory for all Greater Manchester Mental Health NHS Foundation Trust staff.</p> <p>Further guidance regarding mental capacity assessments will be provided to all staff.</p>	Head of Healthcare	21.3.2023
