

Action Plan in response to the PPO Report into the death of

Ms Emma Saxon 07/03/2022 HMP New Hall

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure that the Healthy Relationship Guidance accurately reflects Prison Rules.	Accepted	The Women's Directorate has reviewed the Healthy Relationship Guidance and will clarify the wording in relation to Prison Rules. HMP New Hall will ensure local guidance is updated as and when new guidance is issued from the Women's Directorate.	Head of Safety HMPPS	November 2022
2	The clinical lead of Rivendell House should ensure that all risk assessments are reviewed when there are concerns about prisoners' raised levels of risk of suicide and self-harm.	Accepted.	All risk assessments, including the Clinical Risk Proforma and Historical Clinical and Risk Management form (HCR-20), are reviewed and updated following any risk concerns. An agenda item has been added to the weekly clinical team meeting that relates specifically to risk incidents, for example incidents of self-injury or violence. During this item, any risk incidents are discussed, and a	Clinical Lead Greater Manchester Mental Health	Completed.

		<p>reminder has been included to ensure that these incidents are updated within the relevant paperwork.</p> <p>The staff of Rivendell House have been made aware of this recommendation and have also been reminded of the importance of keeping records up to date should there be an increase of risk for the individual.</p>
