

Action Plan in response to the PPO Report into the death of Mr Robert Ewing on 4 November 2022 at HMP Long Lartin

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should implement a process for checking on prisoner welfare around the time of unlock, in line with PSI 75/2011: Residential Services.	Accepted	<p>Notice to Staff (NTS) was published to the staffing group in July 2023 reminding them and detailing actions required when conducting roll checks and unlocks, including the need for staff to assure themselves of the well-being of prisoners during or shortly after unlock periods and roll checks.</p> <p>In addition to the NTS a follow up email was also sent to all staff informing them of the PPO's findings and reminding them that, when conducting roll checks and unlocks, they must be satisfied that the prisoner is safe and well, for example by obtaining a response during the unlock process, and that if a prisoner is expected to leave their cell for an activity shortly after being unlocked and</p>	Head of Safer Custody HMPPS	Completed

		does not do so, there must be a check on that prisoner.
