

# Action Plan in response to the PPO Report into the death of

Mr Mark Wilkinson on 22 April 2022 at HMP Lewes

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	<p>The Head of Healthcare should ensure that prisoners with long-term conditions are managed in line with national guidelines, including that:</p> <ul style="list-style-type: none"> <li>• staff regularly review those prisoners who refuse to attend hospital for emergency treatment, including taking relevant clinical observations.</li> <li>• prisoners with complex conditions are referred to the Multi Professional Complex Case Clinic; and</li> <li>• relevant care plans are created that include the monitoring of prescribed medication where there is a risk attached.</li> </ul>	Accepted	<p>All patients who refuse hospital treatment are reviewed by a registered professional for capacity. If deemed to have capacity a conversation is undertaken regarding the reasons for the need of a hospital admission and the potential consequences of not attending. If the patient still refuses this is fully documented within the medical records and a disclaimer signed by the patient.</p> <p>A plan of care is established including observations and the patient is monitored and discussed through the MPCCC with relevant professionals.</p> <p>The care plan discussed and implemented is recorded on the medical records and reviewed as required and updated.</p>	Head Of Healthcare	30 <sup>th</sup> March 2023

			Care plans are audited via the PPG Audit schedule and using the tool PROTECT via the record keeping module annually.		
2	The Head of Healthcare should ensure that all evidence relevant to a death in custody is retained and that evidence is made available to the PPO, in line with PSI 58/2010.	Accepted	All evidence and documentation relating to a death in custody is stored on the PPG shared drive and held by the Regional Governance Manager. This filing system allows for access when required and prevents a one point of failure when external stakeholders request information.	Head of Healthcare	Immediately
