

Action Plan in response to the PPO Report into the death of Mr Alun King 22/03/2022 HMP Winchester

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure that healthcare staff are told promptly when a prisoner returns from hospital, regardless of the time of day or night.	Accepted	<p>A Notice to Staff (NTS) was published in October 2023 reminding all staff of the requirement to ensure that healthcare staff are informed whenever a prisoner returns from outside hospital.</p> <p>The NTS also provided guidance on the procedure, including that it is the responsibility of the orderly officer and the prison escort staff to ensure that all hospital discharge information is passed to healthcare staff on return to the prison.</p> <p>This guidance will be added into the Local Security Strategy (LSS) under the two relevant escort officer instructions. It will also be included in the escort guidance that is contained inside all escort bags.</p>	<p>Head of Safety and Equalities, HMP Winchester HMPPS</p> <p>Head of Security & Head of Operations, HMP Winchester HMPPS</p>	<p>Completed</p> <p>January 2024</p>
