

Action Plan in response to the PPO Report into the death of

Luke Mikael Pearce on 06 April 2023 at HMP/YOI Swinfen Hall

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Executive Director for Transforming Delivery and the Operational Security Group Director should ensure that relevant training and guidance equips staff to understand when and how to enter a cell in a medical emergency, including the priority that must be given to acting quickly to preserve life, whilst maintaining their own safety.	Accepted	The emergency response training video has been updated to include guidance for staff on entering a cell in a medical emergency including that priority will be given to the preservation of life, whilst ensuring the safety of staff. Other relevant guidance and training materials will be updated in line with the new emergency response training video.	Area Executive Director, London	January 2024
