

1           THE INQUIRY RESUMED ON WEDNESDAY, 23RD SEPTEMBER 2026  
2           AS FOLLOWS:

3  
4           CHAIRMAN: Morning Mr. De la Poer.

5           MR. DE LA POER: Sir, good morning. Can I begin with, 10:46  
6           please, an apology, that apology is that we are  
7           starting later than scheduled, the reasons for that I  
8           won't go into but it was unavoidable. But I am  
9           extremely sorry for any inconvenience that's been  
10          caused to you, Sir, and to the very many people who 10:46  
11          have made considerable travel arrangements and efforts  
12          to be here for a prompt 10:00 a.m. start. I'm sorry  
13          that that has happened.

14  
15          In terms of the evidence today, as the timetable 10:47  
16          indicates, we will be hearing from Mark Safranauskas,  
17          he will be making two presentations, the first we  
18          anticipate in the morning, in relation to key  
19          individuals and their links. And the second, which may  
20          not start until this afternoon in relation to 10:47  
21          provisional attributions. Sir, I have spoken to the  
22          shorthand writer this morning, we're going to go  
23          through quite a lot of dense information and I wonder  
24          if in about an hour or so I can invite you to take a  
25          break at a convenient moment. 10:47

26          CHAIRMAN: Yes. Well, you'll chose that then please.

27          MR. DE LA POER: Thank you very much indeed. Well, in  
28          those circumstances can I ask that Mr. Safranauskas is  
29          sworn please.

1 CHAIRMAN: Good morning Mr. Safranauskas.

2 THE WITNESS: Good morning.

3  
4 MR. MARK SAFRANAUSKAS HAVING BEEN SWORN WAS QUESTIONED  
5 BY MR. DE LA POER AS FOLLOWS:

10:48

6  
7 1 Q. MR. DE LA POER: Can we start please with your full  
8 name?

9 A. Yes, it's Mark Safranauskas.

10 2 Q. Now, Mr. Safranauskas, there are three preliminary 10:48  
11 matters to deal with before we get to the first of your  
12 two presentations for the day. The first preliminary  
13 matter relates to your background and experience. And,  
14 perhaps, we can go through this together?

15 A. Okay.

10:48

16 3 Q. Is it correct that you have been employed by Greater  
17 Manchester Police as a civilian for over 20 years?

18 A. Yes.

19 4 Q. Is it right that you are based in the Visual  
20 Evidentiary Retrieval and Analysis Unit of the Serious  
21 Crime Division?

10:49

22 A. Yes.

23 5 Q. And in your time within that unit, have you been  
24 involved in excess of 100 serious and complex police  
25 investigations?

10:49

26 A. I have, yes.

27 6 Q. Were you also part of Operation Manteline, which was a  
28 GMP investigation into the terrorist attack carried out  
29 by Salman Abedi and his brother, Hashem, with that team

1 going on to support the Chairman of the Manchester  
2 Arena Inquiry?

3 A. I was, yes.

4 7 Q. Have you investigated numerous incidents where you have  
5 been required to draw together multiple strands of 10:49  
6 evidence in the form of an Electronic Presentation of  
7 Evidence?

8 A. Yes.

9 8 Q. And has the objective of those presentations been to  
10 take a large and varied content of material and place 10:50  
11 it into a sequential, structured and easy to follow  
12 video?

13 A. Yes.

14 9 Q. And you have also given evidence on numerous occasions  
15 presenting those electronic presentations of evidence? 10:50

16 A. I have, yes.

17 MR. DE LA POER: Sir, before we go any further, can I  
18 say on behalf of the Inquiry Legal Team and we know  
19 you, Sir, that we are extremely grateful to the Chief  
20 Constable of Greater Manchester Police, Sir Stephen 10:50  
21 Watson, who has authorised Mr. Safranauskas to assist  
22 and support the Inquiry.

23 CHAIRMAN: Yes, I wholeheartedly endorse that.

24 10 Q. MR. DE LA POER: Second preliminary matter, we just  
25 need to headline between us, Mr. Safranauskas, some of 10:50  
26 the material that you have had access to. But is the  
27 first point that all of the material that you have  
28 included in your presentation has been included under  
29 the direction of the Inquiry Legal Team?

1       A.    Yes, it has.

2 11 Q. Is all of the material that you have had access to,  
3 what is referred to as open material?

4 A. Yes.

5 12 Q. And can you confirm that you have had no access  
6 whatsoever to any closed material?

10:51

7           A.     I can confirm that.

8 13 Q. You have relied on the Inquiry Legal Team as to what  
9 should be included in the presentation?

10           A.    I have, yes.

10:51

11 14 Q. And I'm just going to identify, so that there is  
12 transparency about this, some of the material covering  
13 the majority of it, at least, that you have had access  
14 to. So I'm going to read the list out now, if you  
15 could just follow along, rather than you agreeing with  
16 everyone, if we get to the end and I've got it right  
17 you'll be able to agree with this. But you have seen  
18 summaries prepared by the Inquiry Legal Team of factual  
19 evidence; diagrams of key individuals and their links;  
20 provisional attribution documents; work by analysts who  
21 have worked for PSNI; a report from the Inquiry expert  
22 we heard from yesterday, Dr. Matthew Tart; video  
23 evidence from the Aughnacloy PVCP; a video made by PSNI  
24 of the likely route of the bomb car in Northern  
25 Ireland; maps and diagrams created by the  
26 investigation; open source information, including  
27 publicly-available images of particular individuals and  
28 places; photographs of suspects; the Breslin litigation  
29 judgments; witness statements; and three sequence of

10:51

10·52

10:52

1 events statements and presentations from the PSNI, AGS  
2 and the British Army?

3 A. Yes, I've had access to all them materials.

4 15 Q. And, finally, by way of the second preliminary  
5 introduction, is it right that it has been a two-way 10:53  
6 street in the sense that as you have assembled  
7 material, using your experience of creating these  
8 presentations, that you've identified gaps, missing  
9 material or further detail, and that to take one  
10 example you conducted your own analysis of the video 10:53  
11 evidence and drew to the Inquiry Legal Team's attention  
12 the fact that we appeared to be missing critical  
13 footage?

14 A. Correct.

15 16 Q. That is the second preliminary matter. 10:53  
16

17 The third relates to phone attribution, which we'll get  
18 to this afternoon, but we will just clear it out of the  
19 way now. We heard this from Mr. Greaney on Monday, but  
20 you can draw upon your experience of the very many 10:54  
21 police investigations. Is it well recognised within  
22 law enforcement that members of an organised criminal  
23 group will share handsets between themselves?

24 A. Yes.

25 17 Q. And that as a matter of common sense, one handset can 10:54  
26 be passed to multiple people even in a short period of  
27 time?

28 A. Yes.

29 18 Q. The fact that a phone is subscribed to someone doesn't

1 necessarily follow that it is inevitable that they made  
2 every call?

3 A. Correct.

4 19 Q. Further, that in relation to phone records which you  
5 have had access to in the course of your work, that in 10:54  
6 2026, in the recent past, those phone records often  
7 identify where calls have been diverted to voicemail,  
8 is that right?

9 A. Yes, it is.

10 20 Q. But we don't see that phenomenon within the phone 10:54  
11 records that we have in this case meaning that we must  
12 acknowledge the possibility that there are contacts  
13 between handsets where one person is speaking to an  
14 answer phone?

15 A. Correct. 10:55

16 21 Q. And that in your experience of analysing very many of  
17 these in the context of your work in wider police  
18 investigations, it can be the case, as a rule of thumb,  
19 but is not inviolable that short calls may indicate a  
20 message left on voicemail, but not always, but that 10:55  
21 longer calls are less likely to be that?

22 A. I agree, yes.

23 22 Q. But it is not and hard fast rule and, therefore, one  
24 must be careful with inferences?

25 A. Exactly that, yes. 10:55

26 23 Q. well, having dealt with those preliminary matters,  
27 we're going to turn to the first of your two  
28 presentations. This one is entitled "Key Individuals,"  
29 and we need to introduce some of the terms before we

1 start playing it. But before we do, can you confirm  
2 this, again repeating what Mr. Greaney said on Monday,  
3 that the fact that a person has been identified as a  
4 key individual in the Inquiry Legal Team's working  
5 hypothesis does not necessarily mean that it is being 10:56  
6 suggested that they may be a suspect; do you agree with  
7 that?

8 A. That's my understanding, yes.

9 24 Q. And that, in fact, we will see individuals who identity  
10 and links it's important to understand but in relation 10:56  
11 to whom it has never been suggested, historically, they  
12 were involved in any terrorist activity?

13 A. I agree.

14 25 Q. So, let us just deal with some of the phrases that are  
15 used in the material that we're about to see. So, the 10:56  
16 first one I'm sure you can confirm is self-explanatory;  
17 have you identified when there are family links?

18 A. I have, yes.

19 26 Q. Secondly, where the phrase "life-long friend" or "good  
20 friend" is used what is the origin of that phrase? 10:56

21 A. That will be terminology that was used by key  
22 individuals when being interviewed.

23 27 Q. So, that is a description that they themselves would  
24 have given of that relationship?

25 A. Correct, yes. 10:57

26 28 Q. Where we see the phrase "neighbour," is that meaning  
27 living in the house immediately adjacent or is that  
28 meaning living close by, or potentially both?

29 A. It means potentially both, but it would again have been

1 given as a result of an interview.

2 29 Q. We're going to see the word "associate," is this a  
3 shorthand reference to where we see within the timeline  
4 or other analysts' work that there is telephone contact  
5 between the individual who's attributed to be using 10:57  
6 that phone and the other individual?

7 A. Yes.

8 30 Q. So that word "associate" is a catchall for where there  
9 is, apparently, telephone contact?

10 A. Yes. 10:58

11 31 Q. However, if we see the phrase "close associate," does  
12 that indicate something different?

13 A. It does, yes.

14 32 Q. Just tell us, please, in a sentence what that would  
15 indicate? 10:58

16 A. So, "close associate" would be, again, if an admission  
17 or disclosure had been made in interview about a  
18 pre-existing relationship with that person. It would  
19 have also been picked up in analysts' reports that  
20 they'd contact with each other. 10:58

21 33 Q. The next word is "acquaintance," if we see the word  
22 "acquaintance" what is that indicating by way of a  
23 link?

24 A. So, that would indicate that they've socialised  
25 together, as an example I'd use the Emerald Bar in the 10:58  
26 context of this presentation.

27 34 Q. Penultimately, the phrase "business relationship,"  
28 everyone will understand what that will mean, but will  
29 it be the position that the exact nature of that

1 business relationship has not been identified or is not  
2 clear?

3 A. Correct, yes.

4 35 Q. And, finally, the phrase "worked with," is that a  
5 situation where people appear to be in a co-employee 10:59  
6 situation, so they're both employees of the same  
7 organisation, or employer-employee relationship?

8 A. Yes, and then we'll be able to, perhaps, specify the  
9 nature of that.

10 36 Q. So, we're going to turn now to the presentation and can 10:59  
11 I just give this warning so that everybody understands  
12 what we are going to see. We're going to be seeing  
13 images, as we did briefly in Mr. Greaney's opening  
14 statement, of individuals who've been found liable for  
15 the Omagh bombing and people who are suspected of such 11:00  
16 involvement, is that correct?

17 A. We are, yes.

18 37 Q. So, everybody needs to be aware that that is going to  
19 be coming on screen. And I think we're also going to  
20 be seeing, as our first slide, some graffiti which we 11:00  
21 understand to be a reference to the Real IRA which is  
22 the letters "RIRA," is that right?

23 A. Correct.

24 38 Q. So, let's start with the Real IRA, and if we can,  
25 please, begin the presentation. [Presentation played]. 11:00  
26 Now, just pause here. This says "convicted of  
27 terrorism-related offences," we'll just give a slight  
28 gloss to that meaning. At the time of the bombing, and  
29 for many years before, it was a proscribed organisation

1 under the banner description of the "IRA" which meant  
2 that it was an offence to be a member of such  
3 organisations, is that right?

4 A. Yes.

5 39 Q. And, furthermore, that from September of 1998, so in 11:01  
6 other words after the Omagh bombing, it was a specified  
7 organisation which meant that the early release  
8 provisions did not apply to anyone who was serving a  
9 sentence in relation to it?

10 A. Correct. 11:01

11 40 Q. So, let us move on please. [Presentation played]. So,  
12 pause there. We'll take our time together,  
13 Mr. Safranauskas, as we begin, but what we're going to  
14 see is very often the same information is presented  
15 when the focus is on a different person. Here we can 11:01  
16 see Michael McKeivitt, and the texts indicating that he  
17 was found, as we all know, liable for the Omagh bombing  
18 in the Breslin litigation?

19 A. He was, yes.

20 41 Q. And we can then play through and we'll see the other 11:02  
21 three individuals who were found liable. [Presentation  
22 played]. Seamus Daly, do you agree?

23 A. I do, yes.

24 42 Q. [Presentation played]. Liam Campbell?

25 A. Yes. 11:02

26 43 Q. [Presentation played]. And Colm Murphy?

27 A. Correct.

28 44 Q. Pause there. "Linked to Damien Lawless," that is  
29 because Mr. Lawless has a subsequent conviction for

1           offending connected with the Real IRA?

2       A.   He was, yes.

3   45   Q.   Continue please. [Presentation played].

4           Seamus McGrane, pause there. Was he convicted on 31st

5           October 2017 of membership of the Real IRA between 2010 11:03

6           and 2015?

7       A.   He was, yes.

8   46   Q.   And also of directing the Real IRA between April and

9           May of 2015?

10       A.   Yes. 11:03

11   47   Q.   And was he sentenced to 11-and-a-half-years'

12           imprisonment for that?

13       A.   He was, yes.

14   48   Q.   Continue, please. [Presentation played]. Next,

15           Michael Campbell, one of three Campbell brothers that 11:03

16           we heard about from Mr. Greaney on Monday; was

17           Michael Campbell convicted in 2014 in Lithuania of

18           attempting to buy and smuggle weapons for the Real IRA?

19       A.   Yes.

20   49   Q.   Receiving a 12-year sentence of imprisonment? 11:03

21       A.   Yes, correct.

22   50   Q.   Continue, please. [Presentation played]. Pause there.

23           Here, building on the evidence that we heard yesterday

24           from Dr. John Morrison where he has indicated that

25           there is evidence to suggest that the 32 county 11:04

26           Sovereignty Committee (latterly Movement) had an

27           association with the Real IRA, effectively, as the

28           political wing of it?

29       A.   Again, yes, that is my understanding of it.

1 51 Q. So, having introduced the Real IRA, we'll play on  
2 please and we'll next look at a location.  
3 A. We will, yes.

4 52 Q. [Presentation played]. So, the image is now zooming  
5 into Dundalk, a town in the Republic of Ireland? 11:04  
6 A. Yes.

7 53 Q. [Presentation played]. Just pause it there for a  
8 moment. So, you have identified here Coes Road in  
9 Dundalk?  
10 A. I have, yes. 11:05

11 54 Q. And are we going to see in a moment a number of  
12 connections that have been identified over the course  
13 of the police investigations with addresses and Coes  
14 Road?  
15 A. In and around that general area, yes. 11:05

16 55 Q. So, the first address Electrotechniks. Now, the  
17 Coupatan timer power units, one of which was used in  
18 the Omagh bomb, and others of which from the same batch  
19 were used in earlier and indeed a later incident, was  
20 the order for that given to Coes Road and a company 11:05  
21 based there on electro techniques?  
22 A. It was, yes, hence the Electrotechniks marker just  
23 remaining in the middle of Coes Road, it wasn't  
24 actually given a specific address, just that it was on  
25 Coes Road. 11:06

26 56 Q. Next, if we play on. [Presentation played]. We are  
27 going to see, I think, the location of I think a  
28 business that Mr. Greaney spoke about at some length on  
29 Monday?

1           A.    Yes.

2    57   Q.    So, that just off the Coes Road on a light industrial  
3           estate is Town Glass Limited, as indicated owned, on  
4           the information we have, by Seamus McGrane, the man we  
5           had seen a moment ago connected with the Real IRA? 11:06

6           A.    Yes.

7    58   Q.    Play on please. [Presentation played]. And there is  
8           also a link within the material, not entirely clear  
9           exactly what the connection is, it's described in  
10          different ways, but a strong link between Town Glass 11:07  
11          and Oliver Treanor as well?

12          A.    Correct, yes.

13   59   Q.    [Presentation played]. Pause there. We've seen  
14          Michael Campbell already and, indeed, Liam Campbell,  
15          the third of the Campbell brothers that we are going to 11:07  
16          be considering, were all identified within the  
17          materials as being employees of Town Glass, is that  
18          right?

19          A.    That's right, yes.

20   60   Q.    So, I think that concludes Town Glass. Let's continue 11:07  
21          please.

22

23          [Presentation played]. Another business on Coes Road,  
24          Phoenix Electrical Limited, we can see Coes Road in the  
25          foreground. Now, obviously, the period that we are 11:08  
26          focused on in the Inquiry is 1997 up to August of 1998  
27          and, in particular, 15th August, but is it right that  
28          there are records indicating that in 1999 and 2000  
29          Sean Hoey, was an employee of Phoenix Electrical

1 Limited?

2 A. There is, yes.

3 61 Q. Next, if we move on please, another location proximate  
4 to Coes Road. [Presentation played]. We see Coes Road  
5 to the right? 11:09

6 A. We do, yes.

7 62 Q. And there we can see there's a housing estate and an  
8 address on Hazelwood Avenue, Anthony Donegan, a man  
9 that we heard from Mr. Greaney, in the working  
10 hypothesis, is the person who stole Mr. Ward's Vauxhall 11:09  
11 Cavalier?

12 A. Correct.

13 63 Q. We'll keep going, we've got one more location and then  
14 a person to deal with under Coes Road.

15 A. Yes. 11:09

16 64 Q. [Presentation played]. So, this is, effectively, an  
17 extension or an addition to the estate that we were  
18 looking at a moment ago with Mr. Donegan, so a matter  
19 of a minute or so from the Coes Road itself. This is  
20 an address linked to Seamus McKenna? 11:10

21 A. Correct.

22 65 Q. Thank you very much, indeed. [Presentation played].  
23 Now, our final Coes Road connection in this  
24 presentation relates to a man called Bernard McGinn, is  
25 that right? 11:10

26 A. Yes.

27 66 Q. If we just pause it there so everybody can be reminded  
28 what's already been said about Mr. McGinn. He owned a  
29 maroon-coloured Vauxhall Cavalier with the registration

1 MDZ 5211, is that right?

2 A. Yes, it is.

3 67 Q. And that was the registration on a cloned number plate  
4 that the bomb car was displaying at the point of  
5 detonation? 11:11

6 A. Correct.

7 68 Q. And we're going to see now what Mr. McGinn said about  
8 his own movements to the police because he mentioned  
9 Coes Road to them, didn't he?

10 A. He did, yes. 11:11

11 69 Q. And, so, let's just see the animation and perhaps as  
12 the animation is playing, you've identified all of  
13 those addresses that we've seen so far, we'll keep  
14 playing the animation and as it's playing you can  
15 perhaps just add the description of what it is you're 11:11  
16 showing and what Mr. McGinn told the police?

17 A. [Presentation played]. Yes. So, Mr. McGinn told the  
18 police that he would routinely drive along Coes Road  
19 and, again, in the opposite direction to and from work.  
20 He worked on the Finnabair Industrial Estate near to 11:11  
21 Coes Road.

22 70 Q. I think that we're going to see it disappearing off  
23 screen, but it's just a short distance to the right on  
24 the map where he worked?

25 A. Yes. 11:12

26 71 Q. And his description to the police was that this was a  
27 route that he took to and from work?

28 A. Correct.

29 72 Q. And, again, at the risk of stating the obvious and

1 repeating Mr. Greaney, as I'm sure I will many times  
2 today, the possibility exists, as you're exhibiting and  
3 demonstrating here, that one of a number of people who  
4 are connected in some way or other to the Omagh  
5 bombing, all had the opportunity to see Mr. McGinn and 11:12  
6 potentially identify his vehicle and then arrange for a  
7 vehicle to be stolen to order with the plan to put  
8 Mr. McGinn's number plate on it?

9 A. Yes, that definitely remains a possibility.

10 73 Q. So, having introduced the Real IRA and having 11:12  
11 introduced Coes Road, which we'll bear in mind both of  
12 those as we work through, we're going to begin with the  
13 first of our key individuals. The first of those, in  
14 order of the presentation, is Seamus Daly, is that  
15 right? 11:13

16 A. It is, yes.

17 74 Q. So, let's begin on Seamus Daly please. [Presentation  
18 played]. So, we'll pause there. He was convicted on  
19 2nd March 2004, on his own plea, so he pleaded guilty,  
20 to membership of an unlawful organisation and that 11:13  
21 membership was said to be on 20th November 2000, and he  
22 was sentenced to two-and-a-half years' imprisonment for  
23 that?

24 A. Yes.

25 75 Q. That unlawful organisation specified in the certificate 11:13  
26 of conviction was the IRA?

27 A. Yes, it was.

28 76 Q. So play on please. [Presentation played]. We can see  
29 here, self-explanatory, that he was the son of

1 Patrick Daly?

2 A. Yes.

3 77 Q. A person whose landline features later, is that right?

4 A. It is, yes.

5 78 Q. A brother of Padraig Daly? 11:14

6 A. Yes.

7 79 Q. [Presentation played]. Partner of Sile Grew?

8 A. Correct.

9 80 Q. [Presentation played]. He was described by Sean Hoey  
10 in his interview with the police as being a neighbour 11:14  
11 and life-long friend of Seamus Daly?

12 A. He was, yes.

13 81 Q. [Presentation played]. Mr. Denis O'Connor, did he say  
14 to the police in interview that he had a business  
15 relationship with Seamus Daly and that was connected in 11:14  
16 some way to a C2 tax fraud?

17 A. Correct, he did.

18 82 Q. And did Sean Hoey also admit such a connection as well?

19 A. Yes.

20 83 Q. Is he associated through the telephone attributions to 11:15  
21 Colm Murphy?

22 A. Yes.

23 84 Q. And, indeed, we know, don't we, in the interview of  
24 Colm Murphy which was subsequently excluded that  
25 Colm Murphy was to say that he gave Seamus Daly his 585 11:15  
26 and Terence Morgan's 980 number?

27 A. Yes.

28 85 Q. [Presentation played]. Also, a connection through the  
29 provisional attribution of telephones with

1           Liam Campbell?

2       A.    Correct.

3   86   Q.    [Presentation played].  Connection through the  
4           provisional attribution of telephones with a man called  
5           Martin McGeough? 11:15

6       A.    Yeah.

7   87   Q.    [Presentation played].  A connection that we're going  
8           to look at closely in the course of Chapter 3, with a  
9           man called Paul 'Jaws' Kelly?

10       A.    Yes. 11:16

11   88   Q.    [Presentation played].  Also with Joe Fee?

12       A.    Yes.

13   89   Q.    [Presentation played].  And with Joe Fee's brother,  
14           Jim Fee?

15       A.    Yes. 11:16

16   90   Q.    [Presentation played].  And with a man called Anthony,  
17           known as 'Rusty' Cunnane?

18       A.    Yes.

19   91   Q.    [Presentation played].  And Seamus McKenna?

20       A.    Yes. 11:16

21   92   Q.    [Presentation played].  And Paul Jennings?

22       A.    Yes.

23   93   Q.    [Presentation played].  And along with those three  
24           other men Liam Campbell, Colm Murphy, Michael McKevitt  
25           and the organisation the Real IRA found liable for the 11:17  
26           Omagh bombing in the Breslin litigation?

27       A.    Yes.

28   94   Q.    So, that then is our introduction to Seamus Daly.  Just  
29           so that everybody understands where we're going with

1           this, Mr. Safranauskas, obviously, as will be clear to  
2           everybody watching this, that we are going to look at  
3           the other side of those relationships when we look at  
4           particular individuals so there will be some overlap?  
5           A.    Yes, as a consequence there will be some repetition. 11:17  
6   95   Q.    Yes.  Next, please, Colm Murphy.  [Presentation  
7           played].  So, he is identified here as previously and  
8           subsequently with our reference date being 15th August  
9           1998, convicted of terrorism-related offences.  We'll  
10          just headline those together, please. 11:17  
11        A.    Okay.  
12   96   Q.    June 1972, what was he found guilty of, please?  
13        A.    He was found guilty of two offences of possession of a  
14           firearm on 26th March 1972, and then two offences of  
15           possession of ammunition.  He was sentenced to two 11:18  
16           years' detention in the Military Detention Barracks.  
17   97   Q.    In 1976, was he also found guilty of membership of the  
18           IRA, an unlawful organisation, two offences of  
19           possession of a firearm and ammunition?  
20        A.    He was, yes. 11:18  
21   98   Q.    And then after the Omagh bombing in January 2002, was  
22           he found guilty of conspiracy to cause an explosion  
23           likely to endanger life or cause serious injury to  
24           property receiving a sentence of 14 years'  
25           imprisonment? 11:18  
26        A.    Yes.  
27   99   Q.    So, we will move on please.  [Presentation played].  He  
28           was the husband of Anne Murphy?  
29        A.    Yes.

1 100 Q. [Presentation played]. The owner of a location that we  
2 are going to see feature in our timeline, is that  
3 right?

4 A. Yes.

5 101 Q. The Emerald Bar? 11:19

6 A. Correct.

7 102 Q. And a place of socialisation for a number of the  
8 individuals that we are looking at?

9 A. Yes, we'll see that.

10 103 Q. And that is a public house based in Dundalk, is that 11:19  
11 right?

12 A. Yes.

13 104 Q. One of those that he employed there, Sile Grew?

14 A. Correct.

15 105 Q. [Presentation played]. Sile Grew, you've described as 11:19  
16 being the sister-in-law to Paul Jennings?

17 A. Yes.

18 106 Q. Paul Jennings here, a neighbour and close friend of  
19 Colm Murphy, something that Colm Murphy admitted in  
20 interview? 11:20

21 A. Yes.

22 107 Q. [Presentation played]. Sile Grew, the partner of  
23 Seamus Daly?

24 A. Yes.

25 108 Q. And a person who Colm Murphy had a separate connection 11:20  
26 to, namely, a business relationship, something that he  
27 admitted in interview under caution and a fact that  
28 featured in the judgment of Mr. Justice Morgan in the  
29 Breslin litigation?

1 A. Yes.

2 109 Q. [Presentation played]. Similarly with Denis O'Connor?

3 A. Yes.

4 110 Q. [Presentation played]. And with Danny Hughes, the  
5 source for this connection being that Danny Hughes 11:20  
6 admitted this relationship in interview under caution?

7 A. Yes, he did.

8 111 Q. [Presentation played]. So, focusing on Colm Murphy, he  
9 was also an associate through the provisional  
10 attribution of the phones with Peter Campbell? 11:21

11 A. Yes.

12 112 Q. [Presentation played]. And with Joe Fee?

13 A. Correct.

14 113 Q. [Presentation played]. He owned a business in the  
15 building trade called Mountkean Construction Limited, 11:21  
16 is that right?

17 A. It is, yes.

18 114 Q. And that that organisation was the employer of a number  
19 of individuals that we're now going to see?

20 A. Correct. 11:21

21 115 Q. Seamus McKenna was one such employee?

22 A. Yes.

23 116 Q. [Presentation played]. Sean Hoey was another but in  
24 addition he had a familial link in that Colm Murphy was  
25 his uncle? 11:22

26 A. Yes.

27 117 Q. [Presentation played]. And some similar pattern here  
28 with Patrick, known as Terence Morgan. Terence Morgan  
29 was employed as Colm Murphy's foreman, is that right?

1 A. It is, yes.

2 118 Q. And they were also first cousins once removed?

3 A. Yes.

4 119 Q. Did Colm Murphy also employ Derek 'Shanty' Brady?

5 A. Yes. 11:22

6 120 Q. And do records indicate that he also employed

7 Oliver Treanor?

8 A. Yes.

9 121 Q. [Presentation played]. And we can see there that

10 Colm Murphy, as we've seen before, was one of those 11:22

11 four individuals found in the Breslin litigation to be

12 liable, alongside the Real IRA?

13 A. Yes.

14 122 Q. [Presentation played]. If we just pause it there, we

15 perhaps see presented visually, in the case of 11:23

16 Colm Murphy, most vividly, why it may be the case that

17 he can be described as a spider at the centre of a web?

18 A. Yes.

19 123 Q. And we will see further evidence in relation to that

20 when we come to the telephones. 11:23

21

22 So, having dealt with Colm Murphy we will move on to

23 our third individual, Seamus McKenna, please.

24

25 [Presentation played]. So, we begin, as with others, 11:23

26 subsequently convicted of terrorism-related offences.

27 He was found guilty in December of 2004,

28 Mr. Safranauskas; can you tell us, please, what it was

29 that he was found guilty of and what sentence he

1 received?

2 A. Yes, he was found guilty of unlawful and malicious  
3 possession of an explosive substance, namely ammonium  
4 nitrate and sugar with intent to endanger life or cause  
5 serious injury to property. He was sentenced to six 11:24  
6 years' imprisonment.

7 124 Q. Thank you very much, indeed. We will then continue,  
8 please, to look at the individuals that he was  
9 connected with. [Presentation played]. Described as a  
10 close associate of Derek 'Shanty' Brady? 11:24

11 A. Yes.

12 125 Q. And, of course, we know, don't we, that there was a  
13 telephone call during the period of the attack to a  
14 telephone which the Inquiry has provisionally  
15 attributed to Derek 'Shanty' Brady, don't we? 11:24

16 A. Yes.

17 126 Q. We'll come back to that in due course. [Presentation  
18 played]. Some more associations based on the  
19 provisional attribution, Joe Fee?

20 A. Yes. 11:25

21 127 Q. [Presentation played]. Seamus Daly?

22 A. Correct.

23 128 Q. [Presentation played]. Anthony 'Rusty' Cunnane?

24 A. Correct.

25 129 Q. [Presentation played]. Paul 'Jaws' Kelly? 11:25

26 A. Yes.

27 130 Q. [Presentation played]. He was also a customer of the  
28 Emerald Bar in Dundalk?

29 A. Yes.

1 131 Q. [Presentation played]. As we've seen, an employee of  
2 Colm Murphy?

3 A. Yes.

4 132 Q. So, a second connection to him?

5 A. Yes. 11:25

6 133 Q. And, of course, linked to that address that we have  
7 already seen close to the Coes Road, namely, the Bay  
8 Estate?

9 A. Yes, correct.

10 134 Q. [Presentation played]. So, next, Liam Campbell. So, 11:26  
11 he was subsequently convicted of terrorism-related  
12 offences, is that right?

13 A. Yes.

14 135 Q. If we move to his connections. [Presentation played].  
15 Bernadette Lynch, a person with whom he was in a 11:26  
16 relationship and with whom he lived?

17 A. Correct.

18 136 Q. [Presentation played]. The brother of Peter Campbell?

19 A. Yes.

20 137 Q. [Presentation played]. And, of course, of 11:26  
21 Michael Campbell?

22 A. Yes.

23 138 Q. [Presentation played]. A neighbour and life-long  
24 friend of Sean Hoey?

25 A. Correct. 11:27

26 139 Q. [Presentation played]. An associate of Declan McComish  
27 through the provisional attribution of telephones?

28 A. Yes.

29 140 Q. [Presentation played]. An associate of Patrick 'Mooch'

1           Blair?

2           A.    Correct.

3   141   Q.    [Presentation played]. As we've seen already, an  
4           employee of Town Glass Limited?

5           A.    Yes. 11:27

6   142   Q.    And through that, connected to Seamus McGrane?

7           A.    Correct.

8   143   Q.    [Presentation played]. A business relationship with  
9           Danny Hughes?

10          A.    Yes. 11:27

11   144   Q.    [Presentation played]. An associate through Town Glass  
12          with Oliver Treanor?

13          A.    Yes.

14   145   Q.    [Presentation played]. Linked to the 32 County  
15          Sovereignty Committee? 11:28

16          A.    Correct.

17   146   Q.    [Presentation played]. And as we've seen already,  
18          found liable for the Omagh bombing along with those  
19          others identified there?

20          A.    Yes. 11:28

21   147   Q.    [Presentation played]. So, our next individual,  
22          Michael McKevitt. And we know, and is very well known,  
23          that he was subsequently convicted of a leadership role  
24          in the Real IRA?

25          A.    He was, yes. 11:28

26   148   Q.    [Presentation played]. He was married to Bernadette  
27          Sands McKevitt?

28          A.    Yes.

29   149   Q.    The person we heard something about yesterday, someone

1           who Dr. Morrison told us was connected to the 32 County  
2           Sovereignty Movement?

3           A.    Yes.

4   150   Q.    [Presentation played]. He is described as residing  
5           with and good friend of Seamus McGrane, a man who has  
6           been convicted of a leadership role in the Real IRA? 11:29

7           A.    Correct.

8   151   Q.    And the source for that is a back ground report  
9           provided to the Inquiry by An Garda Síochána --

10          A.    Yes. 11:29

11   152   Q.    -- focused on Michael McKeivitt?

12          A.    Correct.

13   153   Q.    [Presentation played]. He is identified as involved in  
14           the formation of the 32 County Sovereignty Committee?

15          A.    Yes. 11:29

16   154   Q.    [Presentation played]. And, of course, found liable in  
17           the Breslin litigation?

18          A.    Yes.

19   155   Q.    [Presentation played]. The next key individual is  
20           Oliver Treanor? 11:30

21          A.    Yes.

22   156   Q.    We begin with a man who has come up a number of times  
23           now, Sean Hoey?

24          A.    Yes.

25   157   Q.    And he has been identified through the provisional  
26           attribution of telephone numbers as being an associate  
27           of Sean Hoey's? 11:30

28          A.    Yes, correct.

29   158   Q.    We're going to see three more individuals who are

1 connected on the same basis?

2 A. Yes.

3 159 Q. [Presentation played]. Danny Hughes?

4 A. Yes.

5 160 Q. [Presentation played]. Declan McComish? 11:30

6 A. Yes.

7 161 Q. [Presentation played]. Damien Lawless?

8 A. Yes.

9 162 Q. And we saw with conviction related to the Real IRA?

10 A. Yes. 11:31

11 163 Q. [Presentation played]. And through a connection which

12 is not entirely clear, business relationship with the

13 man said to be the owner of Town Glass Limited,

14 Seamus McGrane?

15 A. Yes, save for the relationship directly being Town 11:31

16 Glass, yes.

17 164 Q. [Presentation played]. We can see through that Town

18 Glass link those three employees that we've seen

19 before, Liam Campbell, Peter Campbell --

20 A. Yes. 11:31

21 165 Q. -- and Michael Campbell?

22 A. Correct.

23 166 Q. [Presentation played]. Then through the building

24 company that Colm Murphy owned, a connection with him?

25 A. Yes. 11:32

26 167 Q. [Presentation played]. Is he also described as being a

27 leading member of the 32 County Sovereignty Movement?

28 A. He is, yes.

29 168 Q. Continuing now with Peter Campbell. [Presentation

1           played]. If we just pause there. As far as he was  
2           concerned he had a previous conviction, in other words  
3           a conviction prior to 15th August 1998 for a  
4           terrorism-related offence, is that right?

5           A.    Yes. 11:32

6   169   Q.    He received a total of 14 years' imprisonment in 1983?

7           A.    Yes.

8   170   Q.    And what was that for, please?

9           A.    For explosive offences.

10  171   Q.    And if we play on we'll see the fraternal connection. 11:33  
11               [Presentation played]. Liam Campbell, Michael  
12               Campbell?

13          A.    Yes.

14  172   Q.    [Presentation played]. Here, the language of "close  
15               associates with Sean Hoey," is derived from a police 11:33  
16               report that was submitted as part of the criminal case  
17               which didn't go to trial in the Queen, (as it would  
18               have been), against Seamus Daly?

19          A.    Yes.

20  173   Q.    [Presentation played]. We then have a number of 11:33  
21               associations through the provisional attribution of  
22               telephones, Colm Murphy?

23          A.    Yes.

24  174   Q.    [Presentation played]. Derek 'Shanty' Brady?

25          A.    Yes. 11:34

26  175   Q.    [Presentation played]. Gerald McMullan?

27          A.    Yes.

28  176   Q.    [Presentation played]. Damien Lawless?

29          A.    Yes.

1 177 Q. [Presentation played]. And Joe Fee?  
2 A. Yes.

3 178 Q. [Presentation played]. And then to complete the  
4 picture for Peter Campbell, a connection as an employee  
5 to Seamus McGrane through Town Glass? 11:34

6 A. Yes.

7 179 Q. [Presentation played]. And also to Oliver Treanor?  
8 A. Yes.

9 180 Q. [Presentation played]. And a member of the 32 County  
10 Sovereignty Movement? 11:35

11 A. Correct.

12 181 Q. We're covering a lot of ground here, Mr. Safranauskas,  
13 I hope at a pace that is accessible to everybody. My  
14 proposal, once we have dealt with Derek 'Shanty' Brady,  
15 with the Chairman's permission is that we will take a 11:35  
16 short break just to ensure that everybody resets as we  
17 continue. So before we get to that, let us deal with  
18 Derek 'Shanty' Brady.  
19

20 [Presentation played]. So, he is a person who was, 11:35  
21 after the Omagh bombing, convicted of a  
22 terrorism-related offence, but this is a critical point  
23 in his case, and may be thought to be of particular  
24 significance, the offence which he was convicted of,  
25 indeed he pleaded guilty to in 2004, was, in fact, 11:36  
26 committed in March of 1998, is that right?

27 A. Yes.

28 182 Q. [Presentation played]. And the device that he was  
29 convicted of possession of has been described in many

1           ways, including what people might describe as  
2           appropriately, using the word, "massive", "1,240lbs of  
3           improvised explosive mixture, together with other  
4           paraphernalia constructed into a bomb?"  
5           A.     Yes. 11:36  
6 183   Q.     And that offence that he pleaded guilty to was,  
7           possession of an explosive substance with intent to  
8           endanger life or cause serious injury to property?  
9           A.     Yes.  
10 184   Q.     And was he when finally he was sent to prison, he 11:37  
11           sentenced to 10 years of imprisonment?  
12           A.     Yes, correct.  
13 185   Q.     So let's move through his connections, some of which  
14           we've seen already, although not all of them.  
15 11:37  
16           [Presentation played]. Patrick Brady, described as  
17           son-in-law?  
18           A.     Yes.  
19 186   Q.     [Presentation played]. Associated through the  
20           provisional attribution of phones with Peter Campbell? 11:37  
21           A.     Yes.  
22 187   Q.     [Presentation played]. And Seamus McKenna?  
23           A.     Yes.  
24 188   Q.     [Presentation played]. Employed through Mountkean  
25           Construction by Colm Murphy? 11:37  
26           A.     Yes.  
27 189   Q.     [Presentation played]. As a result, a fellow employee  
28           in that business, Patrick Terence Morgan?  
29           A.     Correct, yes.

1 190 Q. was he also a customer at Colm Murphy's Emerald Bar in  
2 Dundalk?  
3 A. He was, yes.  
4 191 Q. [Presentation played]. Here, we've not heard of  
5 John Fee so far, we've heard of Jim Fee, and Joe Fee, 11:38  
6 is John Fee a third of the brothers?  
7 A. He is, yes.  
8 192 Q. And did Derek 'Shanty' Brady, in interview, describe  
9 John Fee as a friend of his and somebody with whom he  
10 socialised at the Emerald Bar? 11:38  
11 A. Emerald, yes, correct.  
12 193 Q. And was there also an association with Seamus Daly  
13 through the Emerald Bar?  
14 A. Yes.  
15 MR. DE LE POER: Sir, we've been going just a little 11:39  
16 under an hour but it is very dense information and I  
17 wonder if a short break, at this stage, would be  
18 helpful?  
19 CHAIRMAN: Very well. When would you suggest we  
20 reconvene? 11:39  
21 MR. DE LA POER: To allow everybody to stretch their  
22 legs, might we have 15 minutes, five to 12?  
23 CHAIRMAN: Yes.  
24  
25 THE INQUIRY ADJOURNED BRIEFLY AND RESUMED AS FOLLOWS: 11:59  
26  
27 CHAIRMAN: Mr. De la Poer.  
28 MR. DE LA POER: Thank you, Sir.  
29

MR. MARK SAFRANAUSKAS CONTINUED TO BE QUESTIONED BY  
MR. DE LE POER AS FOLLOWS:

194 Q. MR. DE LE POER: Mr. Safranauskas, we're going to  
resume the presentation that you prepared of key  
individuals and their links and associations.

11:59

The next person that we are going to look at is Patrick, known as 'Mooch' Blair.

A. Yes.

11:59

195 Q. Can we play on. [Presentation played]. So, if we  
pause there for a moment, is it right that on 7th  
October 2003, he was found guilty of possession of  
ammunition?

A. He was, yes.

11 · 59

196 Q. So, that's a conviction five years after the attack.  
But more recently, in 2020, did Patrick 'Mooch' Blair  
plead guilty, in Northern Ireland, to belonging or  
professing to belong to a proscribed organisation?

A. He did, yes.

12.00

197 Q. And was that proscribed organisation the Continuity  
IRA?

A. Yes.

198 Q. And was the allegation to which he pleaded guilty involving providing weapons and explosive training, conspiring to possess explosives, firearms and ammunition with intent to endanger life, and preparing acts of terrorism?

12.00

A. Yes.

1 199 Q. And did that relate to a date range in the latter part  
2 of 2014?

3 A. Yes.

4 200 Q. Obviously, we've heard a deal about the Real IRA,  
5 Mr. Safranauskas, but did we also hear from 12:00  
6 Dr. Morrison yesterday, as has been incorporated into  
7 the working hypothesis, that the Omagh bombing was a  
8 joint operation between the Real IRA and the  
9 organisation that Patrick 'Mooch' Blair is connected  
10 with, namely, the Continuity IRA? 12:01

11 A. Yes.

12 201 Q. In terms of associations, we have, if we play on,  
13 [presentation played] Liam Campbell?

14 A. We do, yes.

15 202 Q. That's an association through the phones, as we'll see, 12:01  
16 the brown 456 phone attributed to Patrick 'Mooch' Blair  
17 in contact with the red 430 phone provisionally  
18 attributed to Liam Campbell?

19 A. Yes.

20 203 Q. And that was the so-called 59-second, although it may 12:01  
21 be 58 seconds depending on how you count it, call  
22 referred to by Baroness O'Loan (as she is now) in her  
23 PONI Report of 2001?

24 A. Yes.

25 204 Q. And that in that regard, as Mr. Greaney told us all on 12:02  
26 Monday, we know that Patrick 'Mooch' Blair is Man A in  
27 that report?

28 A. Yes.

29 205 Q. [Presentation played]. And we have next, Man B, the

1 person who in the reporting of Kevin Fulton in the  
2 run-up to the Omagh bombing, was reported to be  
3 assisting Patrick 'Mooch' Blair?

4 A. Yes, correct.

5 206 Q. So, Man B, Gary Jones; Man A, Patrick 'Mooch' Blair? 12:02

6 A. Yes.

7 207 Q. We'll move away from him, and on to Sean Hoey. Are we  
8 going to see that, much like his uncle, who will  
9 feature in this presentation, Sean Hoey has very, very  
10 many connections to a significant number of people, 12:03  
11 places and organisations?

12 A. He does, yes.

13 208 Q. So, let us begin with the first. [Presentation  
14 played]. Liam Campbell, described in your caption as  
15 "neighbour and life-long friend." What is the source 12:03  
16 of that information, please?

17 A. That was admitted by Sean Hoey in an interview under  
18 caution.

19 209 Q. [Presentation played]. Next, staying with the Campbell  
20 family, Peter Campbell described as "a close 12:03  
21 associate"?

22 A. Yes.

23 210 Q. Is that also an admission by Sean Hoey?

24 A. It is, yes.

25 211 Q. [Presentation played]. And continuing with the 12:03  
26 Campbell brothers, life-long friend of  
27 Michael Campbell?

28 A. Yes.

29 212 Q. If we move away from the Campbell family but stay with

1 the life-long friend theme, do we see that he is both a  
2 neighbour and life-long friend of Oliver Treanor?

3 A. Correct, yes.

4 213 Q. [Presentation played]. Next, Declan McComish?

5 A. Yes. 12:04

6 214 Q. As with Oliver Treanor, was that a description that  
7 Sean Hoey presented to the police in his interviews  
8 under caution?

9 A. It was, yes.

10 215 Q. [Presentation played]. Next, Eamonn Matthews. Now 12:04  
11 Eamonn Matthews -- we heard from Mr. Greaney on Monday  
12 that recovered from an address was a piece of paper  
13 with the 259 number and the word "Shanty" written next  
14 to it?

15 A. Yes. 12:05

16 216 Q. Was it from Eamonn Matthews's house that that piece of  
17 paper with that number on recovered?

18 A. Yes, correct.

19 217 Q. And here we can see here he was a neighbour of  
20 Sean Hoey's? 12:05

21 A. Yes.

22 218 Q. If we continue please, [Presentation played]. Did he  
23 work with Joe Fee?

24 A. Yes.

25 219 Q. In fact, did they share a trade in common? 12:05

26 A. Yes, they did, they were both electricians.

27 220 Q. If we move forward again. [Presentation played].  
28 Alan Clarke, was he also someone that Sean Hoey worked  
29 with?

1 A. Yes.

2 221 Q. And did Alan Clarke -- was that through Sean Hoey's  
3 work as an electrician that he worked with Alan Clarke?

4 A. Yes, I believe Alan Clarke employed both Sean Hoey and  
5 Joe Fee. 12:06

6 222 Q. If we move on. We're going to go on to Seamus Daly,  
7 before we do we should, bearing in mind those two  
8 individuals at the top, just remember another reference  
9 to an electrical employment place, and that was Phoenix  
10 Electrical where, of course, Sean Hoey worked 1999 to 12:06  
11 2000?

12 A. Correct, yes.

13 223 Q. Let's turn back to the person who is the subject on the  
14 screen now, Seamus Daly. [Presentation played]. Did  
15 Sean Hoey admit in interview that he was a neighbour 12:06  
16 and life-long friend of Seamus Daly?

17 A. Yes.

18 224 Q. And did he also say that both he and Seamus Daly  
19 frequented the public house, the Emerald Bar in  
20 Dundalk, owned by Colm Murphy? 12:06

21 A. Yes.

22 225 Q. Continue, please. [Presentation played]. We can see  
23 that you have inserted a third individual, this is the  
24 business relationship that we've heard about already  
25 when we were looking at Seamus Daly, Denis O'Connor, 12:07  
26 mentioned there and mentioned here. And that is  
27 connected to a C2 tax fraud?

28 A. Correct.

29 226 Q. [Presentation played]. And again we'll see Anthony

1           'Rusty' Cunnane --

2           A.    Yes.

3   227   Q.    -- somebody who Sean Hoey admitted to be an  
4           acquaintance of in interview, and was that indicating  
5           that he drank at the Emerald Bar with him? 12:07

6           A.    Yes.

7   228   Q.    If we keep going. [Presentation played]. Here's an  
8           individual that we haven't seen before now,  
9           Michael Brennan Jr., son of Michael Brennan Sr.?

10          A.    Yes. 12:08

11   229   Q.    We won't see very much in our timeline, will we, about  
12          Michael Brennan Jr., although we introduce it here?

13          A.    Yes.

14   230   Q.    So, although he does not feature significantly in the  
15          run up to Omagh, do you know from the other information 12:08  
16          you've seen that there is reason to believe that he may  
17          have a connection to at least one of the earlier  
18          incidents?

19          A.    Correct, yes.

20   231   Q.    So, bearing that in mind we introduce him here. He, 12:08  
21          according to Sean Hoey in interview under caution, was  
22          another person that Sean Hoey drank with, in interview?

23          A.    Yes.

24   232   Q.    [Presentation played]. Next his father, that is to  
25          say, Michael Brennan Jr.'s father, tell us, 12:08  
26          Mr. Safranauskas, what was the connection here?

27          A.    Exactly the same connection as Michael Brennan Jr.,  
28          Michael Brennan Sr. drank in the Emerald Bar with  
29          Sean Hoey.

1 233 Q. If we move on to the next. [Presentation played].  
2 Here, as we've heard a number of times, given that  
3 that's where he chose to drink, the Emerald Bar?  
4 A. Yes.

5 234 Q. [Presentation played]. Of course, Colm Murphy, the 12:09  
6 owner of that, but also the uncle of Sean Hoey?  
7 A. Yes, and as we've previously mentioned, he's also  
8 employed him.

9 235 Q. At Mountkean Construction?  
10 A. Correct, yes. 12:09

11 236 Q. In Sean Hoey's capacity as an electrician?  
12 A. Yes.

13 237 Q. [Presentation played]. Obviously, the connection there  
14 Patrick Terence Morgan, the foreman, and therefore,  
15 acquainted with Sean Hoey through that? 12:09  
16 A. Yes.

17 238 Q. I think, indeed, they were also, according to  
18 Sean Hoey, people who drank together in the Emerald  
19 Bar?  
20 A. Yes. 12:10

21 239 Q. [Presentation played]. Jim Fee, one of the three fee  
22 brothers that we've heard about, Joe and John being the  
23 other two, tell us what the connection between  
24 Sean Hoey and Jim Fee is please?  
25 A. Again, labelled "acquaintances" by working in the 12:10  
26 building trade, they also both frequented the Emerald  
27 Bar. Again, this was admitted by Sean Hoey in his  
28 interview.

29 240 Q. Thank you. [Presentation played]. Padraig Daly, we've

1           heard about him before. He was acquainted with  
2           Sean Hoey. Tell us what that acquaintance was through?  
3       A.    Again, they both drank in the Emerald Bar.  
4   241   Q.   How do we know that?  
5       A.    Because Sean Hoey disclosed that in his interview. 12:11  
6   242   Q.   If we go on. [Presentation played]. Derek 'Shanty'  
7           Brady; is the position the same with him as with others  
8           we've seen, that Sean Hoey said in interview that he  
9           drank with him in the Emerald Bar?  
10       A.    Yes, correct. 12:11  
11   243   Q.   [Presentation played]. Next we have Seamus McKenna and  
12           his connection to Sean Hoey. Drinkers together in the  
13           Emerald Bar, is that right?  
14       A.    That's one, yes.  
15   244   Q.   And what is the second? 12:11  
16       A.    They both worked together through Mountkewan  
17           Construction Limited.  
18   245   Q.   That being Colm Murphy's building company?  
19       A.    Yes.  
20   246   Q.   Then on, one more. [Presentation played]. Paul 'Jaws' 12:11  
21           Kelly, what is the connection between Sean Hoey and  
22           Paul 'Jaws' Kelly, please?  
23       A.    So, finally, worked together at Mountkewan Construction  
24           and both customers of the Emerald Bar.  
25   247   Q.   Thank you very much, indeed. I think that brings us to 12:12  
26           the end of what was a long segment concerning  
27           Sean Hoey.  
28       A.    Yes.  
29   248   Q.   So, who's next, please, Mr. Safranauskas?

1 A. Patrick Terence Morgan.

2 249 Q. [Presentation played]. So, we start with his  
3 connection through marriage to Michael McDermott, he  
4 was his son-in-law?

5 A. Yes. 12:12

6 250 Q. Mr. Greaney told us about this on Monday but let's just  
7 mark it because it relates to a very important number  
8 in the context of the Omagh bombing?

9 A. Yes.

10 251 Q. Is the significance of their connection, for our 12:12  
11 purposes, related to a mobile telephone?

12 A. Yes.

13 252 Q. What are the last three digits of that mobile phone  
14 please?

15 A. 980. 12:13

16 253 Q. 980, or as the Inquiry has given it the colour, the  
17 orange phone?

18 A. Yes.

19 254 Q. So, Michael McDermott. Let's move on. [Presentation  
20 played]. So, a connection between Terence Morgan and 12:13  
21 Seamus Daly; how do we know about this connection?

22 A. Patrick Terence Morgan disclosed this in his interview  
23 that he was an acquaintance of Seamus Daly.

24 255 Q. Next please. [Presentation played]. What is the  
25 connection here, please? 12:13

26 A. They are associates, so they've been linked through  
27 phone calls or phone attribution.

28 256 Q. [Presentation played]. The next one that we have  
29 looked at already and are we are all very familiar with

1 now, acted as foreman for Colm Murphy?

2 A. Yes.

3 257 Q. And we will see, was said in his interview to have  
4 given that handset, the 980 orange phone to  
5 Colm Murphy? 12:14

6 A. Yes.

7 258 Q. [Presentation played]. Next, Derek 'Shanty' Brady; is  
8 there a connection through Mountkian Construction?

9 A. There is, yes.

10 259 Q. And does that bring us to the end of the presentation 12:14  
11 for Terence Morgan?

12 A. Yes.

13 260 Q. [Presentation played]. So, Seamus McGrane, someone  
14 we've seen in the context of the Real IRA presentation  
15 and Town Glass Limited, which we'll run through now, 12:15  
16 but let's start, please, with his convictions. We  
17 heard a little bit about this already but we remind  
18 everybody that in 2001 he pleaded guilty to training  
19 others in the use of firearms?

20 A. Yes. 12:15

21 261 Q. And that in 2017 he was convicted of membership of the  
22 Real IRA, including in a directing role?

23 A. Yes.

24 262 Q. Play on, please. [Presentation played]. Here we see  
25 the company that he is said to be the owner of? 12:15

26 A. Yes.

27 263 Q. As we've seen already, that gives rise to the  
28 connection with Oliver Treanor?

29 A. Yes.

1 264 Q. [Presentation played]. And, of course, three employees  
2 that we've seen already, Liam Campbell?  
3 A. Yes.  
4 265 Q. Peter Campbell?  
5 A. Yes. 12:16  
6 266 Q. And Michael Campbell?  
7 A. Yes.  
8 267 Q. [Presentation played]. We've seen this next one from  
9 the other side, but when focused on Seamus McGrane we  
10 remind ourselves that the AGS background report on 12:16  
11 Michael McKeivitt records that they were good friends  
12 and that they lived in the same property at one time?  
13 A. Yes.  
14 268 Q. Then, finally, for Seamus McGrane, a leading member of  
15 the 32 County Sovereignty Movement? 12:16  
16 A. Yes.  
17 269 Q. Next, Mr. Safranauskas, we're going to consider another  
18 person whose name has been mentioned a number of times  
19 already, Anthony Donegan, is that right?  
20 A. Yes. 12:17  
21 270 Q. And we just remind ourselves that in the working  
22 hypothesis it is suggested that Anthony Donegan was the  
23 person who took Paul Ward's Vauxhall Cavalier?  
24 A. Yes, that's correct.  
25 271 Q. So, let's look at his associations. [Presentation 12:17  
26 played]. So, in a relationship with  
27 Bernadette McKeown?  
28 A. Yes.  
29 272 Q. [Presentation played]. A longstanding friend and

1           worked for Paul 'Jaws' Kelly?

2           A.    Yes.

3   273   Q.    Of course, we just pause there to remind ourselves what  
4           we've heard already, that in relation to those two we  
5           see, don't we in our timeline when we get to it, calls   12:17  
6           late at night and in the early hours, 12th into the  
7           13th August, either side of the theft?

8           A.    We do, yes.

9   274   Q.    And how do we know about the connection between these  
10          two outside of those phone attributions?                   12:18

11          A.    This was admitted by Anthony Donegan in his interview.

12   275   Q.    Next. [Presentation played]. So, Mr. Donegan employed  
13          by Colm Murphy's building company?

14          A.    Yes.

15   276   Q.    Now, what did Mr. Donegan say about that employment   12:18  
16          and, in particular, Colm Murphy please?

17          A.    He confirmed that he was in employment by the company  
18          but stated that he'd never actually spoken to  
19          Colm Murphy.

20   277   Q.    And then, finally, for Anthony Donegan, please.           12:18  
21          [Presentation played]. We have Anthony 'Rusty'  
22          Cunnane?

23          A.    Yes.

24   278   Q.    [Presentation played]. So now, we move to Joseph or  
25          Joe Fee.                                                           12:19

26          A.    Yes.

27   279   Q.    Now, tell us, please, Mr. Safranauskas, why is it said  
28          that he was subsequently convicted of terrorism-related  
29          offences?

1 A. So, in June 2003 he was found guilty of possession of  
2 explosive substances, in 2004 he was sentenced to 10  
3 years' imprisonment.

4 280 Q. Let's cover two fraternal links that we've seen  
5 already. [Presentation played]. The first of those 12:19  
6 John Fee?

7 A. Yes.

8 281 Q. [Presentation played]. And the second of those  
9 Jim Fee?

10 A. Yes. 12:20

11 282 Q. I'm now going to do a number of associations, are these  
12 all provisional attributions of telephones?

13 A. They are, yes.

14 283 Q. So, first in this run, Colm Murphy?

15 A. Correct. 12:20

16 284 Q. [Presentation played]. Next, Seamus Daly?

17 A. Yes.

18 285 Q. [Presentation played]. Next, Alan Clarke?

19 A. Yes.

20 286 Q. Of course, we know also that Alan Clarke is said to 12:20  
21 have employed Sean Hoey and Joe Fee as electricians?

22 A. Correct.

23 287 Q. [Presentation played]. Michael Brennan Jr.

24 A. Yes.

25 288 Q. [Presentation played]. And Michael Brennan Sr.? 12:21  
26 A. Yes.

27 289 Q. And then we're going to see an association with  
28 Seamus McKenna?

29 A. Yes.

1 290 Q. [Presentation played]. Jointly convicted of  
2 terrorist-related activity, is that the conviction  
3 you've told us about; in other words an occasion on  
4 which he and Seamus McKenna and, indeed, Eamonn  
5 Matthews were found in a shed in Inniskeen in County 12:21  
6 Monaghan and in possession jointly of 500lbs of  
7 explosives?  
8 A. Yes.  
9 291 Q. Moving on please. [Presentation played]. Association  
10 with Derek 'Shanty' Brady? 12:21  
11 A. Yes.  
12 292 Q. [Presentation played]. We've seen Alan Clarke already.  
13 This is different connection, not through the  
14 telephones but through the employment?  
15 A. Yes. 12:22  
16 293 Q. [Presentation played]. And connectively Sean Hoey?  
17 A. Yes.  
18 294 Q. [Presentation played]. And with a link to Republican  
19 Sinn Féin, an organisation that we heard about  
20 yesterday from Dr. Morrison? 12:22  
21 A. Yes.  
22 295 Q. [Presentation played]. So let us stay with Joe Fee's  
23 family, and look next at Jim Fee.  
24  
25 [Presentation played]. So, as we've seen, brother to 12:22  
26 John?  
27 A. Yes.  
28 296 Q. [Presentation played]. Brother to Joe?  
29 A. Yes.

1 297 Q. [Presentation played]. So, here we've got Jim Fee,  
2 brother of Joe Fee - Joe having been convicted of this  
3 terrorist-related activity with Seamus McKenna -  
4 brother Jim Fee a close associate of Seamus McKenna, is  
5 that right? 12:23  
6 A. It is, yes.  
7 298 Q. [Presentation played]. Also an associate of  
8 Seamus Daly through the provisional attribution of  
9 phones?  
10 A. Yes. 12:23  
11 299 Q. [Presentation played]. Customer of the Emerald Bar?  
12 A. Yes.  
13 300 Q. And we know that, don't we, if you play on,  
14 [presentation played], that bar being owned by  
15 Colm Murphy, we know that he was a customer of the 12:23  
16 Emerald Bar I think with our next slide. Play on.  
17 [Presentation played]. Because, of course, Sean Hoey,  
18 as we've heard already told the police in interview  
19 that he was acquainted with Jim Fee through drinking at  
20 the Emerald Bar? 12:24  
21 A. Correct, yes.  
22 301 Q. So, we'll continue to move through. [Presentation  
23 played]. We next have Paul 'Jaws' Kelly, who has come  
24 up in the context of the first person we see here,  
25 Anthony Donegan? 12:24  
26 A. We do, yes.  
27 302 Q. He was said, in the working hypothesis, to be an  
28 intermediary between Anthony Donegan and this man,  
29 Seamus Daly?

1 A. Yes.

2 303 Q. And, of course, an associate of Anthony 'Rusty'

3 Cunnane?

4 A. Yes.

5 304 Q. So, the next person to introduce as a focus, someone 12:24

6 we've heard about already, Paul Jennings, described as

7 sibling-in-law of Sile Grew, he's the brother-in-law?

8 A. Yes. That's correct.

9 305 Q. [Presentation played]. Of course, as we've heard, Sile

10 Grew is in a relationship with Seamus Daly? 12:25

11 A. Yes.

12 306 Q. [Presentation played]. And also, separately,

13 acquaintance with Seamus Daly, in his own right?

14 A. Yes.

15 307 Q. An acquaintance that was admitted by Paul Jennings in 12:25

16 his interview?

17 A. It was, yes.

18 308 Q. [Presentation played]. We then have his employment in

19 Colm Murphy's company?

20 A. We do, yes. 12:25

21 309 Q. [Presentation played]. And, of course, through that, a

22 number of individuals including Patrick Terence Morgan?

23 A. Yes.

24 310 Q. We won't go through but there are, as we know,

25 Mr. Safranauskas, a number of others who worked for 12:26

26 that same company?

27 A. Yes, correct.

28 311 Q. [Presentation played]. So, next, the man

29 Damien Lawless who we heard about at the start of your

1 presentation today, in connection with the Real IRA.  
2 Is he also involved in 1999 with an underground  
3 training camp?

4 A. Yes.

5 312 Q. That being information provided to the Inquiry by An 12:26  
6 Garda Síochána in a background report?

7 A. Yes, correct.

8 313 Q. [Presentation played]. Husband of Caroline Lawless?

9 A. Yes.

10 314 Q. With whom he shared a house? 12:26

11 A. Yes.

12 315 Q. And are we going to see, in due course, that that house  
13 landline was involved in our timeline?

14 A. It is, yes.

15 316 Q. [Presentation played]. Brother, David Lawless? 12:26

16 A. Yes.

17 317 Q. [Presentation played]. Associated through the  
18 provisional attribution of telephones with  
19 Oliver Treanor?

20 A. Yes. 12:27

21 318 Q. [Presentation played]. Three others as well, firstly,  
22 Colm Murphy?

23 A. Yes.

24 319 Q. [Presentation played]. Next, the man we've just been  
25 looking at, Paul Jennings? 12:27

26 A. Yes.

27 320 Q. [Presentation played]. And Jim Fee?

28 A. Yes.

29 321 Q. [Presentation played]. Was he also an associate and

1           indeed, lived close to Derek 'Shanty' Brady?

2           A.    He did, yes.

3   322   Q.    [Presentation played].   Separate from his connection  
4           with the Real IRA was he also identified as having an  
5           association with the 32 County Sovereignty Movement?   12:27

6           A.    He was, yes.

7   323   Q.    [Presentation played].   Next, his wife  
8           Caroline Lawless?

9           A.    Yes.

10   324   Q.   [Presentation played].   And here, just so that we're   12:28  
11           clear, the associations that we're going to see now and  
12           the associations that we saw for Damien Lawless are in  
13           fact based on the provisional attribution of the  
14           mobile phone which is to that household?

15          A.    Yes, correct.   12:28

16   325   Q.    And we'll see in any landline situation anybody living  
17           at the property is capable of answering the phone,  
18           another person is capable of coming onto the phone  
19           after that, but what we can say from the data that  
20           you've been provided with is that there were calls with   12:28  
21           a number of people to that landline?

22          A.    Yes, that's right.

23   326   Q.    And we're making an assessment about who's likely to be  
24           speaking or who it was that the person calling wanted  
25           to speak to, we bear in mind that Damien Lawless has   12:28  
26           that connection with the Real IRA?

27          A.    Yes, that's right.

28   327   Q.    Let's just deal with his wife, Caroline.

29          CHAIRMAN:   Could I just check, is it the attribution of

1 a mobile phone or a landline?  
2 MR. DE LA POER: A landline.  
3 CHAIRMAN: A landline.  
4 MR. DE LE POER: So it's a landline at the matrimonial  
5 home. 12:29  
6 CHAIRMAN: Thank you.  
7 328 Q. MR. DE LA POER: When we see this next connection,  
8 which we've got coming up now, [presentation played]  
9 Liam Campbell and Joe Fee, so there's absolute clarity  
10 about this, those connections as with Damien Lawless 12:29  
11 are because mobile telephone numbers connected and  
12 provisionally attributed to Joe Fee and Liam Campbell  
13 phoned the matrimonial home --  
14 A. That's correct, yes.  
15 329 Q. -- where both Damien Lawless and Caroline Lawless 12:29  
16 lived?  
17 A. Yes.  
18 330 Q. Can I just move on. I think, as matter of fact, the  
19 landline may have been registered in Caroline Lawless's  
20 name? 12:30  
21 A. It was registered in her name, yes.  
22 331 Q. [Presentation played]. Danny Hughes, described as  
23 being "a close associate of the three Campbell  
24 brothers," is that right?  
25 A. That's right, yes. 12:30  
26 332 Q. [Presentation played]. In terms of this next man, did  
27 Danny Hughes say in interview under caution that he  
28 knew him?  
29 A. Yes, he did.

1 333 Q. [Presentation played]. Next, Colm Murphy, it's said  
2 that he had a business relationship with him?

3 A. Yes.

4 334 Q. [Presentation played]. Then, finally, we have the  
5 connection also to Colm Murphy but given the firm, also 12:31  
6 to Sean Hoey through that?

7 A. Yes, correct.

8 335 Q. Does the next presentation relate to Anthony 'Rusty'  
9 Cunnane?

10 A. It does, yes. 12:31

11 336 Q. [Presentation played]. We see that through the  
12 provisional attribution of phones we have associations  
13 with Seamus Daly?

14 A. We do, yes.

15 337 Q. [Presentation played]. Paul 'Jaws' Kelly? 12:32

16 A. Yes.

17 338 Q. [Presentation played]. And Joe Fee?

18 A. Yes.

19 339 Q. [Presentation played]. Do we also have, based on  
20 information provided by the AGS, that he had a close 12:32  
21 association with a number of members of the 32 County  
22 Sovereignty Committee?

23 A. Yes.

24 340 Q. [Presentation played]. And, finally, as we've seen  
25 already, he was somebody who frequented the Emerald Bar 12:32  
26 owned by Colm Murphy?

27 A. Yes, correct.

28 341 Q. So, we move on now to Denis O'Connor. We have seen all  
29 of these so far so we can just play it through, with

1 him as our focus. [Presentation played]. Employed  
2 through Mountkean Construction and, therefore,  
3 connected to Colm Murphy?

4 A. Yes.

5 342 Q. [Presentation played]. Business relationship with 12:33  
6 Seamus Daly?

7 A. Yes.

8 343 Q. We should say here that O'Connor, in his interview, as  
9 we heard on Monday, said that he knew Seamus Daly as  
10 Seamus Healy? 12:33

11 A. Yes, that's correct.

12 344 Q. But that he subsequently went on to make an  
13 identification of Seamus Daly being the man he knew as  
14 Seamus Healy on the basis of photographs?

15 A. Yes, that's correct. 12:33

16 345 Q. [Presentation played]. And then we finally have an  
17 association for him with Sean Hoey?

18 A. Yes.

19 346 Q. [Presentation played]. Michael Campbell; first we have  
20 his two brothers, Liam and Peter? 12:34

21 A. Yes.

22 347 Q. [Presentation played]. Next, as we've heard already,  
23 Sean Hoey who described him in police interview as "a  
24 life-long friend"?

25 A. Yes. 12:34

26 348 Q. [Presentation played]. As we've seen already,  
27 employment through Town Glass and, therefore,  
28 connections to Seamus McGrane and Oliver Treanor?

29 A. Yes.

1 349 Q. [Presentation played]. Finally, a member of the  
2 32 County Sovereignty Movement?  
3 A. Yes. We failed to mention his conviction in 2014  
4 that's at the start of the presentation when describing  
5 the Real IRA. 12:34  
6 350 Q. Quite right. And, also, it can rightly be said of him  
7 that he has been subsequently convicted of  
8 terrorist-related offending and, in particular,  
9 terrorist-related offending through the Real IRA?  
10 A. Yes, that's correct. 12:35  
11 351 Q. Thank you very much, indeed, for that addition.  
12  
13 [Presentation played]. Michael Brennan Jr. said to be  
14 the employee of his father?  
15 A. Yes. 12:35  
16 352 Q. [Presentation played]. And associated with Joe Fee?  
17 A. Yes.  
18 353 Q. If we then turn to his father. [Presentation played].  
19 A man previously convicted of terrorist-related  
20 offences? 12:35  
21 A. Yes.  
22 354 Q. Dating back to 1978?  
23 A. Yes.  
24 355 Q. And that conviction related to explosives?  
25 A. It did, yes. 12:36  
26 356 Q. If we play on. [Presentation played]. We've seen that  
27 connection, father-son. An association with Joe Fee?  
28 A. Yes.  
29 357 Q. [Presentation played]. And, finally, the owner of a

1 company called MB Haulage Limited.

2 A. Yes.

3 358 Q. Mr. Safranauskas, we've two more of these to do. Our  
4 penultimate presentation in this section is for  
5 Declan McComish? 12:36

6 A. Yes.

7 359 Q. [Presentation played]. We have terrorist-related  
8 offending, I think this says subsequent, but I'm sure  
9 it should say previous?

10 A. Yes. 12:37

11 360 Q. And that is a connection that we will make to this  
12 presentation, but the point is that he was convicted of  
13 assisting an offender in the murder of a man called  
14 Frank Kerr --

15 A. Yes. 12:37

16 361 Q. -- he was a Newry postal worker during an IRA robbery  
17 in 1994?

18 A. Yes, that's right.

19 362 Q. Certainly the offending, if not the conviction,  
20 predates the Omagh attack? 12:37

21 A. It does, yes.

22 363 Q. [Presentation played]. Next, we have what Sean Hoey  
23 said in interview about him, namely, that he was a  
24 friend and neighbour?

25 A. Yes. 12:37

26 364 Q. [Presentation played]. And we have two associations  
27 through the provisional attribution of mobile  
28 telephones, the first, Liam Campbell?

29 A. Yes.

1 365 Q. [Presentation played]. And the second man who  
2 Liam Campbell worked for through Town Glass Limited,  
3 Oliver Treanor?  
4 A. Yes, correct.

5 366 Q. [Presentation played]. Finally, Man B, also known as 12:38  
6 Gary Jones?  
7 A. Yes.

8 367 Q. [Presentation played]. He has been identified as  
9 having an association with Margaret Blair, any relation  
10 to Patrick Blair? 12:38  
11 A. Possibly.

12 368 Q. That is perhaps something we can investigate further.  
13 [Presentation played]. Eamonn Magill?  
14 A. Yes.

15 369 Q. And, of course, most memorably now that it is clear who 12:38  
16 is being spoken about in the PONI Report of 2001, an  
17 association with Patrick 'Mooch' Blair, he being said  
18 by Kevin Fulton to be the assistant of Patrick 'Mooch'  
19 Blair in his activities?  
20 A. Yes, correct. 12:39

21 370 Q. And so, Mr. Safranauskas, does that bring to a  
22 conclusion the presentation that you've prepared, based  
23 on the information you've been given by the Inquiry  
24 Legal Team, in relation to key individuals and their  
25 links? 12:39  
26 A. It is, yes.

27 MR. DE LE POER: Sir, I wonder if that might be a  
28 convenient moment, albeit slightly earlier than normal,  
29 to break for lunch until two o'clock where we'll be

1           able to resume with the provisional attributions.

2  
3           Before we do that, if that's what you wish to do, Sir,  
4           can I just say two things? The first, so that there is  
5           absolute transparency about this, that because

12:39

6           Mr. Safranauskas has been instructed by the Inquiry  
7           Legal Team, he is in effect part of the Inquiry Team,  
8           nobody should be at all surprised if, despite the fact  
9           that he has taken an oath, that he is seen talking to  
10          members of the Inquiry Legal Team. He is, as you know  
11          Sir, a vehicle, with no disrespect to him at all in  
12          fact great credit, through which we will present the  
13          information identified by the Inquiry Legal Team. I  
14          know that that is not a situation that you are at all  
15          troubled by, Sir.

12:40

12:40

16  
17          One more announcement, if I may, and that is, and I've  
18          made my apology for this already, but I repeat it, due  
19          to the late started today, it now seems to the Inquiry  
20          Legal Team that the possibility of playing the AGS  
21          interview, or rather questioning conducted by  
22          Mr. Greaney in Dublin will now not be possible to play  
23          as a single piece today because of the time and,  
24          therefore, although we indicated it was a possibility,  
25          it now seems to us to be a certainty that that will be  
26          in its originally scheduled place of Thursday morning.  
27          I just wanted everybody to have as much notice of that  
28          decision as possible to give. We are very grateful if  
29          people have travelled today and I repeat that we are

12:40

12:40

1 very sorry that we have not been able to achieve that,  
2 advancing the timetable.

3 CHAIRMAN: So you don't plan to start that today?

4 MR. DE LA POER: We won't plan to start it today, we  
5 would want to play it as a single piece, and it falls 12:41  
6 more naturally tomorrow morning given the delayed start  
7 we had today.

8 CHAIRMAN: Yes. All right. Thank you, very much  
9 Mr. de la Poer. So we'll rise until two o'clock.

10  
11 THE INQUIRY ADJOURNED FOR LUNCH AND RESUMED AS FOLLOWS:

12  
13 CHAIRMAN: Mr. De la Poer.

14 MR. DE LA POER: Sir, for the second time today can I  
15 begin for an apology, as the transcript that all of us 14:37  
16 can see, you said we would resume at 2 o'clock, the  
17 reason for the delay, I won't go into, but it was  
18 unavoidable, but I am sorry.

19  
20 MR. MARK SAFRANAUSKAS CONTINUED TO BE QUESTIONED BY 14:37  
21 MR. DE LE POER AS FOLLOWS:

22  
23 371 Q. MR. DE LE POER: Mr. Safranauskas, we are going to turn  
24 now to the provisional attribution Electronic  
25 Presentation of Evidence that you have prepared. 14:37

26 A. Okay.

27 372 Q. And we will start, please, by just describing who some  
28 of the people who are going to be referenced throughout  
29 this presentation are, and what they did?

1 A. Okay.

2 373 Q. So, let's begin, please, with the first of those.  
3 [Presentation played]. So, we'll just pause it there.  
4 We are going to hear reference, aren't we,  
5 Mr. Safranauskas, to the work of Lisa Purnell? 14:38

6 A. We are.

7 374 Q. She was a senior research analyst at the Terrorist  
8 Finance Unit in Northern Ireland?

9 A. Yes.

10 375 Q. And I'll just read out, or we'll take it in turns as we 14:38  
11 go through here what's on screen. She was engaged by  
12 the RUC and PSNI to analyse phone data and conduct cell  
13 site analysis of various key individuals?

14 A. In April 2003, Purnell produced a report titled "cell  
15 site analysis linked to dissident republican activity 14:38  
16 in Northern Ireland (LKP5)."

17 376 Q. LKP5, as we'll see, was an important document, it  
18 incorporated previous analyses that she had done in  
19 earlier iterations, and other documents provided by  
20 various telephone companies, PSNI and the AGS? 14:39

21 A. Okay. LKP5 contained analysis and records of telephone  
22 usage on the day of the Newry railway station bomb, 1st  
23 April 1998; the day of and the day prior to, the  
24 Lisburn bomb, 29th to 30th April 1998; the day of the  
25 Newry Courthouse bomb, 13th July 1998; the day of the 14:39  
26 Banbridge bomb, 1st August 1998; and, finally, the day  
27 of and the days prior to, the Omagh bomb, 12th to 15th  
28 August 1998.

29 377 Q. Mr. Safranauskas, it won't be lost on those who

1 followed what Mr. Greaney has to say that in Chapter 3  
2 we are going to be focusing upon the same time period  
3 that Lisa Purnell did in her analysis, 12th to 15th of  
4 August?

5 A. Correct, yes. 14:40

6 378 Q. We'll make this clear in her case but it is true, as we  
7 understand it in every analyst's case, that although  
8 Lisa Purnell in her documents, including LKP5, places  
9 the names of people against particular telephone  
10 numbers, the Inquiry's understanding is that she did 14:40  
11 not perform those attribution exercises herself but was  
12 acting upon information provided to her by others?

13 A. Yes.

14 379 Q. Next please. [Presentation played]. So, the next  
15 analyst, a member of An Garda Síochána, DS Noel Clarke, 14:41  
16 working for the C Branch (Security), do you want to  
17 just tell us a little more as it shows on screen about  
18 DS Clarke's work?

19 A. Yes, he conducted telephone analysis reports for the  
20 AGS, and he also produced charts and tables (NC and 14:41  
21 LB).

22 380 Q. Those are references that he gave to those documents?

23 A. Correct, yes.

24 381 Q. On to the third of our analysts please. [Presentation  
25 played]. Thank you. So, this is Graham Telford, a 14:42  
26 senior police analyst working for the PSNI. And we can  
27 see he was engaged by the PSNI and in June 2003,  
28 Telford produced a report titled "Bomb At Omagh, 15th  
29 August 1998, Telephone and Cell Site Analysis," and

1 within that report was map and a diagram of the bomb  
2 and scout car route and details of eyewitness sightings  
3 of the bomb. In September 2014, he produced a report  
4 for the Prosecution in R v. Seamus Daly, titled "Bombs  
5 at Omagh, Banbridge and Lisburn" and that that report 14:42  
6 drew on the contents of LKP5 and a presentation titled,  
7 "Return to Scene."  
8 A. Yes.  
9 382 Q. He that is Mr. Telford. There we see the example of  
10 one analyst drawing on the work of another analyst? 14:43  
11 A. Correct, yes.  
12 383 Q. Next please. [Presentation played]. This is  
13 Kevin Weeks. Do you want to just run us through,  
14 please, the entries for Mr. weeks?  
15 A. Yes. So, Kevin Weeks worked for Forensic Mobile 14:43  
16 Services Limited. In April 2015, weeks produced a  
17 report for the prosecution in R v. Seamus Daly (GP1).  
18 weeks attributed telephone numbers to key individuals.  
19 GP1 contained maps and call data tables. GP1 also  
20 contained analysis and call data records in relation 14:43  
21 to; the day of and the day prior to the Lisburn bomb,  
22 29th to 30th April 1998; the day of the Banbridge bomb,  
23 1st August 1998; and the day of and the days prior to,  
24 the Omagh bomb, 12th to 15th August 1998.  
25 384 Q. Thank you, Mr. Safranauskas. And, again, we see that 14:44  
26 same date range used by Mr. weeks as was used by  
27 Ms. Purnell?  
28 A. Correct, yes.  
29 385 Q. And we just repeat that in all cases of the analysts

1 the understanding is that they were acting on  
2 information provided to them by those for whom they  
3 were working when it came to attribution?  
4 A. Correct.  
5 386 Q. So, we're now going to look at specific phones and you 14:44  
6 have divided this presentations into, effectively,  
7 three sections. The first are the mobile telephones  
8 that were the focus of the Breslin litigation, is that  
9 right?  
10 A. Yes. 14:44  
11 387 Q. We're then going to look at some further phones which  
12 have been given a colour by the Inquiry Legal Team to  
13 help keep track of them and because they feature at key  
14 moments.  
15 A. Yes. 14:45  
16 388 Q. And then, finally, we'll deal with the balance of the  
17 telephones in relation to the timeline that don't fall  
18 into either of those two earlier categories.  
19 A. Yes.  
20 389 Q. Again, we will seek to be precise in our language, but 14:45  
21 everything that we say at this stage is by way of a  
22 provisional attribution.  
23 A. Yes.  
24 390 Q. Is that right?  
25 A. Yes, it is. 14:45  
26 391 Q. So, the first mobile telephone is 076, the green phone.  
27 So, let's move into that phase please. [Presentation  
28 played]. Pause it there. It's the first time we've  
29 seen this layout. We, just to help everybody navigate,

1 can see the top left-hand corner, the pane which  
2 contains the image of the person to whom it is  
3 attributed, their name and the last three digits; is  
4 that right?

5 A. Correct, yes. 14:46

6 392 Q. Where the phone has been given a colour by the Inquiry  
7 Legal Team, that colour appears in that pane?

8 A. Yes.

9 393 Q. At the bottom left-hand corner we see the  
10 representation of a non-smartphone, bottom left-hand 14:46  
11 corner?

12 A. We do, yes.

13 394 Q. You have selected that image, Mr. Safranauskas, by way  
14 of a visual reminder that we are here dealing with a  
15 type of technology that only partially resembles what 14:46  
16 we're all used to in 2026?

17 A. That's correct, yes.

18 395 Q. So, we can see here provisionally attributed to  
19 Seamus Daly?

20 A. Yes. 14:46

21 396 Q. The first bullet point. It's a Ready to Go mobile  
22 telephone, sometimes referred to as pay-as-you-go, so  
23 in other words not the subject of contractor  
24 subscription?

25 A. Yes. 14:47

26 397 Q. And it was registered in the Republic of Ireland?

27 A. Yes, it was.

28 398 Q. [Presentation played]. Staying with this phone, we can  
29 see that when Seamus Daly was interviewed on 24th

1           September, he told the police, under caution, that the  
2           076 green phone was his phone?

3           A.    Yes.

4   399   Q.    And that he was the sole user of it between July and  
5           August of 1998? 14:47

6           A.    Yes.

7   400   Q.    [Presentation played].  Additionally with this phone,  
8           was it a phone that is Sean Hoey commented upon in his  
9           interview?

10          A.    It was, yes. 14:47

11   401   Q.    What did he say?

12          A.    Sean Hoey admitted, in interview, that he called  
13           Seamus Daly on the 076 green phone at 15:26 on 15th  
14           August 1998 from his landline phone.

15   402   Q.    Does that have the last three digits 898? 14:48

16          A.    It does, yes.

17   403   Q.    Because you have developed a great familiarity with the  
18           timeline in the course of your work, can you confirm,  
19           please, that 15:26 represents a moment in time after  
20           both the bomb car phone (980) and the scout car phone 14:48  
21           (585) were using cell sites back in the Republic of  
22           Ireland?

23          A.    They were, yes.

24   404   Q.    And that that call, in particular, is approximate in  
25           time to the use of another phone associated with 14:48  
26           Seamus Daly, namely the 585?

27          A.    Yes, that's right.

28   405   Q.    If we continue please.  [Presentation played].  Here,  
29           you have captured what the various analysts have by way

1 of attribution given to them by others, and we, again,  
2 remind ourselves that they are not making that  
3 attribution themselves and may be relying upon each  
4 other, but the 076 green phone was attributed to  
5 Seamus Daly, in Kevin Weeks' report, Graham Telford's 14:49  
6 report, DS Noel Clarke's report and in a document  
7 provided by An Garda Síochána which lists Omagh targets  
8 and associates and in which they analyse common numbers  
9 linked between incidents?

10 A. Yes, that's correct. 14:49

11 406 Q. Perhaps, none of those attributions are any surprise  
12 whatsoever given that he made those admissions in  
13 interview?

14 A. He did, yes.

15 407 Q. So, we move forward now please to the 585 phone. We've 14:49  
16 given this the colour dark blue?

17 A. Yes.

18 408 Q. And it's really to distinguish it from a much paler  
19 blue that has been selected. [Presentation played].  
20 So, the attribution for this, we see Colm Murphy and 14:50  
21 Seamus Daly?

22 A. We do, yes.

23 409 Q. And we'll help everybody with the timings of that  
24 attribution. So, if you could deal, please, with the  
25 time periods for each of those two individuals? 14:50

26 A. Yes. So, Colm Murphy, the phone was provisionally  
27 attributed to him on between 12th and 15th of August  
28 until 12:41. And in respect of Seamus Daly, it was  
29 provisionally attributed to him between the hours of

1 12:41 and 17:23 on 15th August 1998.

2 410 Q. We can say a little more about this 585 phone, in fact  
3 there's very little usage of the 585 phone of any  
4 relevance to us on the morning of 15th August?

5 A. Correct. 14:51

6 411 Q. So, although the attribution for Seamus Daly starts at  
7 12:41, in fact, there is a period in the morning of the  
8 15th where there isn't any relevant activity and where  
9 it could have been either of those people?

10 A. Exactly, yes. 14:51

11 412 Q. But for our purposes the most important time is 12:41  
12 given that that is the start of the journey, according  
13 to the cell site evidence, of the scout car to Omagh?

14 A. It is, yes.

15 413 Q. We can see that it is a contract mobile telephone? 14:51

16 A. Yes.

17 414 Q. And that the contract holder was Colm Murphy at his  
18 address of Jordan's Corner, Ravensdale in the Republic  
19 of Ireland?

20 A. Correct. 14:51

21 415 Q. And Ravensdale is an area, can you confirm, I think we  
22 can just see it underneath the Seamus Daly tile, to the  
23 north of Dundalk?

24 A. Yes, that's correct.

25 416 Q. So, that is the start of the provisional attribution, 14:52  
26 let's seeking to into further detail please.  
27 [Presentation played]. So we can see on the background  
28 here that at 17:23 on 15th August 1998, the 585 dark  
29 blue phone called the home address of Patrick Daly, the

1 person who we saw earlier today is Seamus Daly's  
2 father?

3 A. Yes.

4 417 Q. So, that's a landline 088 at the home address of  
5 Patrick Daly, was that also an address that Seamus Daly 14:52  
6 is recorded as living at?

7 A. Yes, it is.

8 418 Q. So, one of the calls, just over two hours after the  
9 detonation using the phone that travelled to Omagh, is  
10 to the Daly house? 14:53

11 A. Yes, it is.

12 419 Q. [Presentation played]. During the search of  
13 Colm Murphy's home on 21st February 1998, that SIM card  
14 - in other words the SIM card with which the 585 number  
15 was associated - was seized? 14:53

16 A. Yes, it was.

17 420 Q. And, of course, although we've gone back in time there,  
18 that is consistent with the fact that before 15th  
19 August that was the phone that Colm Murphy, a  
20 subscriber to it, had access to? 14:53

21 A. Yes.

22 421 Q. If we move on. [Presentation played]. Here we've  
23 introduced another person, Terence Morgan?

24 A. Yes.

25 422 Q. We'll deal with Colm Murphy's interviews firstly. 14:54  
26 Colm Murphy admitted in an interview on 21st February  
27 1998, that he was the ordinary user of that phone?

28 A. Yes, he did.

29 423 Q. Again, consistent with him being the user up to the

1 point of 15th August?

2 A. Yes.

3 424 Q. He then gave an account after the bombing?

4 A. He did.

5 425 Q. He said that he borrowed Terence Morgan's 980 phone on 14:54  
6 the 14th?

7 A. Yes.

8 426 Q. And the account that he gave is that he gave that and  
9 the 585 dark blue phone - the one that we are focused  
10 on - together, so both phones together, to Seamus Daly? 14:54

11 A. Yes.

12 427 Q. And that was on the evening, he said, of 14th August?

13 A. Yes.

14 428 Q. Of course, as Mr. Greaney acknowledged, that was an  
15 account that was excluded from Colm Murphy's criminal 14:55  
16 trial?

17 A. Yes, it was.

18 429 Q. We move on please. [Presentation played]. So, further  
19 information relevant to this. Seamus Daly, his account  
20 to the police in interview was that he denied having 14:55  
21 had the use of the 585 dark blue phone or indeed the  
22 980 orange phone. So, in other words, his account to  
23 the police was in contradiction to the account recorded  
24 that Colm Murphy was said to have given?

25 A. Yes, correct. 14:55

26 430 Q. Another piece of information, we've looked at the 076  
27 phone, Sean Hoey has said that he called that phone at  
28 15:26, we saw that earlier. So in terms of a complete  
29 picture we can see that according to Sean Hoey and the

1 Inquiry Legal Team has adopted this for the purpose of  
2 the attribution of 076, at 15:26 Seamus Daly was using  
3 that 076 phone as well?

4 A. Yes, correct.

5 431 Q. Now, if we turn to the Breslin proceedings. 14:56  
6 [Presentation played]. We can see that Mr. Justice  
7 Morgan placed no weight on the accounts of Colm Murphy,  
8 which included the account that we have looked at?

9 A. Yes.

10 432 Q. Then if we move forward, we'll see the evidence that 14:56  
11 Mr. Justice Morgan did find persuasive and satisfied,  
12 on the balance of probabilities, that Denis O'Connor,  
13 the man that we saw this morning was connected to  
14 Seamus Daly, he said that he had been speaking to  
15 Seamus Healy, a man he later identified as Seamus Daly, 14:57  
16 at 15:30?

17 A. Yes.

18 433 Q. And if we just pause for a moment just to put alongside  
19 two facts: We saw this morning that Sean Hoey,  
20 Seamus Daly and Denis O'Connor were all connected 14:57  
21 through that business interest?

22 A. Yes.

23 434 Q. And we saw, also, that the 15:26 call on 076 was  
24 between Sean Hoey and Seamus Daly?

25 A. Yes. 14:57

26 435 Q. And here, four minutes later, Denis O'Connor and  
27 Seamus Daly, according to Denis O'Connor, are speaking  
28 on the 585 phone?

29 A. Yes, that's right.

1 436 Q. [Presentation played]. The final entry on the page  
2 relates to the re-trial in the Breslin proceedings,  
3 following the appeal, where Mr. Justice Gillen who  
4 presided over that, maintained the position and  
5 Colm Murphy's interviews remained excluded from his 14:58  
6 consideration when making his findings?

7 A. Correct, yes.

8 437 Q. We can see that notwithstanding that approach,  
9 Mr. Justice Gillen found that Colm Murphy gave the 585  
10 phone to Seamus Daly and that the 585 dark blue phone 14:58  
11 was in Seamus Daly's possession as part of the Omagh  
12 bomb car run, finding as a fact that Seamus Daly  
13 participated in the 15:30 call with Denis O'Connor?

14 A. Yes, that's right.

15 438 Q. [Presentation played]. So, if we move on from that to 14:58  
16 consider the analyst reports, we can see that  
17 Colm Murphy has the 585 dark blue phone attributed to  
18 him in Lisa Purnell's report, 12th to 15th until 12:41  
19 at which point it is to Seamus Daly?

20 A. Yes. 14:59

21 439 Q. And then we can see that Colm Murphy, in  
22 Graham Telford's report, was recorded as having it  
23 attributed to him but there is an additional reference  
24 to Colm Murphy lending it to Seamus Daly?

25 A. Yes. 14:59

26 440 Q. And that in the reports of Kevin weeks, Noel Clarke and  
27 the AGS list, that phone is attributed to Colm Murphy?

28 A. Correct, yes.

29 441 Q. So, we have there reviewed a breadth of evidence but it

1 comes to where we started, namely, that for the period  
2 prior to 15th August, Colm Murphy?

3 A. Yes.

4 442 Q. And at least from 12:41, Seamus Daly?

5 A. Yes, that's right. 15:00

6 443 Q. [Presentation played]. This is the 980 orange phone.

7 A. Yes.

8 444 Q. [Presentation played]. We can see the provisional  
9 attribution, it is to Patrick Terence Morgan and  
10 subsequently to Seamus McKenna? 15:00

11 A. Yes.

12 445 Q. It's a contract mobile phone?

13 A. Yes.

14 446 Q. It was registered to Michael McDermott but, as we heard  
15 from Mr. Greaney, the user was identified in the 15:00  
16 application as Terence Morgan?

17 A. Yes, that's right.

18 447 Q. So, let's move forward. [Presentation played]. So,  
19 there we see that first fact. The second is that on  
20 15th August 1998 at 15:41, the 980 orange phone calls a 15:01  
21 landline ending 105 which was the home address of  
22 Seamus McKenna?

23 A. Yes, it was.

24 448 Q. Again, just to root us in the chronology, 15:41 is  
25 shortly after the two phones that had travelled to 15:01  
26 Omagh had crossed the Border back into the Republic of  
27 Ireland?

28 A. Yes, that's right.

29 449 Q. So, in other words the users of those phones were out

1 of the immediate reach of the UK authorities?

2 A. Yes.

3 450 Q. And we saw a not dissimilar pattern in the sense that  
4 it is around this time, just a few minutes before, that  
5 the 585 phone is making a call to Denis O'Connor? 15:02

6 A. Yes.

7 451 Q. And, of course, a little later that 585 making a call  
8 to home?

9 A. Yes.

10 452 Q. During a search of Terence Morgan's address we can see 15:02  
11 that that 980 SIM was recovered from a mobile phone  
12 handset?

13 A. Yes, correct.

14 453 Q. Moving on please. [Presentation played]. There is  
15 Mr. Morgan's account in interview, he accepted 15:02  
16 ownership of 980. He said he lent it to Colm Murphy,  
17 the man for whom he worked as foreman, on 14th August,  
18 and that Paul Jennings returned to him the 980 orange  
19 phone either on 17th 18th of August?

20 A. That's right, yes. 15:03

21 454 Q. [Presentation played]. Others gave account in  
22 interview including Michael McDermott, who confirmed  
23 that Terence Morgan was the person who ordinarily used  
24 that phone?

25 A. Yes. 15:03

26 455 Q. [Presentation played]. And in terms of Seamus McKenna,  
27 his account was that he had no recollection of  
28 contacting Catherine McKenna, his wife, using that 980  
29 phone. So, in other words, he denied making the call

1           that we have just considered?

2           A.    Yes.

3   456   Q.    And he said he had no business in the Clontibret area  
4           on 15th August?

5           A.    Correct. 15:03

6   457   Q.    And that is reference to the cell site that was used  
7           for that telephone call?

8           A.    Yes, that's right.

9   458   Q.    Moving forward. [Presentation played]. We can see  
10          Colm Murphy's account in 1999, it overlaps with the 585 15:04  
11          account that he was recorded as having said that he  
12          borrowed the 980 phone. We can see that Seamus Daly  
13          denied using the 980 phone, and we can see that  
14          Paul Jennings, the man who Terence Morgan said gave him  
15          back his phone, admitted that he handed back the 980 15:04  
16          phone to Terence Morgan on either 17th or 18th August?

17          A.    Yes, that's right.

18   459   Q.    [Presentation played]. In legal proceedings, the 2009  
19          Breslin litigation, Mr. Justice Morgan was not  
20          satisfied, on the balance of probabilities, that 15:04  
21          Seamus McKenna was the user of the 980 phone during the  
22          bomb run?

23          A.    Yes.

24   460   Q.    He was not satisfied that Catherine McKenna had  
25          received the call at 15:41 instead of Seamus McKenna? 15:05

26          A.    Yes.

27   461   Q.    And, indeed, Mr. Justice Morgan found that he couldn't  
28          rely upon Catherine McKenna as a witness in terms of  
29          the account given to him and nor did he feel he could

1           rely on earlier accounts given by her.

2

3           [Presentation played]. In the subsequent proceedings,

4           the Breslin litigation, Mr. Justice Gillen placed no

5           weight on Terence Morgan's account, is that right? 15:05

6           A.    Correct.

7   462   Q.    And if we consider the prosecution of Colm Murphy in

8           the Republic of Ireland which happened some years

9           before that, Terence Morgan, in those proceedings,

10          attempted to retract his admissions in interview but 15:05

11          the Court rejected that attempt at retraction?

12          A.    He did, yes.

13   463   Q.    If we move forward please to the analyst reports.

14          [Presentation played]. So, the various analysts

15          Ms. Purnell, Mr. Weeks, Mr. Telford, DS Clarke and the 15:06

16          AGS chart, all attributed 980 to Terence Morgan --

17          A.    Yes.

18   464   Q.    -- no doubt as the ordinary user of that. And the

19          reports of Purnell and Telford refer to Terence Morgan

20          allowing Colm Murphy to borrow the 980, no doubt based 15:06

21          on the record of Colm Murphy's interview?

22          A.    Yes.

23   465   Q.    Where the position rests is, having reviewed what's

24          been said about those phones across interviews and

25          legal proceedings, the provisional attribution to 15:06

26          Seamus McKenna, for the reasons given by Mr. Greaney on

27          Monday, is that he was making that call at 15:41 which

28          means that he was part of the bomb run and was on the

29          return leg at the time that that call was made?

1 A. Yes.

2 466 Q. [Presentation played]. The final of the four Breslin  
3 phones, 430, attributed to Oliver Treanor and latterly  
4 Liam Campbell?

5 A. Yes. 15:07

6 467 Q. [Presentation played]. We can see here that the date  
7 range for Oliver Treanor is 12th and 13th August 1998?

8 A. Yes.

9 468 Q. He and Liam Campbell at some point on 13th August  
10 through to 15th August - and critically 15th August is 15:07  
11 the period that we are most concerned with?

12 A. Yes.

13 469 Q. It was a contract mobile phone, 430?

14 A. Yes.

15 470 Q. Registered in the Republic of Ireland? 15:08

16 A. Yes.

17 471 Q. And registered to Oliver Treanor?

18 A. Yes.

19 472 Q. [Presentation played]. So, we have some background  
20 information here which we saw this morning. 15:08  
21 Oliver Treanor employed Liam Campbell through Town  
22 Glass?

23 A. He did.

24 473 Q. And we've here introduced some further phone numbers to  
25 help understand the attribution. So, let's just break 15:08  
26 these two down so that everybody understands it. we'll  
27 go over this again tomorrow when we look at the  
28 timeline. But on the period 12th and 13th August, is  
29 the 430 red phone calling and being called by a mobile

1 phone ending 615?

2 A. Yes, that's right.

3 474 Q. And it was the 615 phone subscribed to by

4 Liam Campbell?

5 A. Yes. 15:09

6 475 Q. So that, on the face of it, appears to be

7 Liam Campbell's ordinary phone, he entered into a

8 contract in relation to it?

9 A. Yes.

10 476 Q. And so, the position is this, that we have the 430 red 15:09

11 phone calling the 615 phone subscribed to

12 Liam Campbell, does the provisional attribution proceed

13 on the basis that Liam Campbell is unlikely to have had

14 the 430 phone and been calling himself on his ordinary

15 number? 15:09

16 A. Yes, correct.

17 477 Q. And that is what we see on the 12th and 13th, that

18 there are those phones from the 430 to 615, but do we

19 also see that between 13th and 15th August, the 430 red

20 phone calls a mobile ending 406, which is a light blue 15:10

21 phone?

22 A. Yes.

23 478 Q. Now, is the 406 also a phone attributed to

24 Oliver Treanor?

25 A. It is, yes. 15:10

26 479 Q. And so does the attribution proceed on the basis that

27 13th to 15th of August when that 430 red phone calls

28 the 406 light blue phone it is unlikely that

29 Oliver Treanor will be calling himself?

1 A. Applying the same logic as the previous entry, yes,  
2 that's right.

3 480 Q. Is it important that we acknowledge that there are a  
4 number of assumptions baked into that provisional  
5 attribution? 15:10

6 A. Yes, there is.

7 481 Q. Including the fact that Liam Campbell was the user of  
8 the 615 phone when it has been attributed to him?

9 A. Yes.

10 482 Q. And, simultaneously, that Oliver Treanor was the user 15:10  
11 of the 406 phone when it was used by him?

12 A. Yes.

13 483 Q. So, that explains - and we will see this in the  
14 timeline - how it works, the approach that's been  
15 taken. But the most important thing would be who had 15:11  
16 that phone in their hand on 15th August, this  
17 attribution says Liam Campbell, and we're going to look  
18 in a moment for some support for that?

19 A. Yes.

20 484 Q. Let's continue please. [Presentation played]. So, 15:11  
21 Oliver Treanor was interviewed in February 1999, he  
22 said he purchased the 430 red phone?

23 A. Yes.

24 485 Q. He could not account for it between the purchase date  
25 and 19th August 1998? 15:11

26 A. Yes.

27 486 Q. He claimed not to have leant it to anybody. He claimed  
28 that it was of no relevance who had access to it. He  
29 said he did not know where it was between 12th and 15th

1 August. And he could not recall any calls made by that  
2 phone between 12th and 15th August?

3 A. Yes.

4 487 Q. Keep going. [Presentation played]. Did he go on to  
5 say that it was not in his possession on 15th August? 15:12

6 A. Yes.

7 488 Q. That he could not recall a phone call made by the phone  
8 that has also been attributed to him, the 406 light  
9 blue phone, to the 430 red phone?

10 A. Yes. 15:12

11 489 Q. And that he accepted that the credit card payment for  
12 the subscription to the 430 phone under the contract,  
13 must be true?

14 A. Yes.

15 490 Q. Did he say by the time of his interview, which we 15:12  
16 remind ourselves was February 1999, that he was no  
17 longer paying for that phone but he could not recall  
18 how he disposed of it?

19 A. He did.

20 491 Q. Of course, if Oliver Treanor was involved then he would 15:12  
21 know that that phone had been used in highly  
22 incriminating behaviour?

23 A. Yes.

24 492 Q. We'll continue, please. An account given by  
25 Danny Hughes, he told the police that the 430 red phone 15:13  
26 was one of Liam Campbell's numbers as far as he was  
27 concerned?

28 A. Yes.

29 493 Q. He said that he contacted Liam Campbell on that 430

1 phone on the evening of 15th August?

2 A. Yes.

3 494 Q. And do we see in our timeline that Danny Hughes, with a  
4 number attributed to him, made repeated efforts, and  
5 there appears to be repeated contact between him and 15:13  
6 Liam Campbell on the evening of 15th August?

7 A. Yes, we can see that.

8 495 Q. If we move forward to the Breslin. [Presentation  
9 played]. Did Mr. Justice Morgan find that  
10 Liam Campbell was the user of the 430 red phone, 15:13  
11 including the calls with the 585 dark blue phone at  
12 14:10 and 14:38?

13 A. Yes.

14 496 Q. And just remind us, please, if the 585 dark blue phone  
15 was in the scout car, where was it at 14:10? 15:14

16 A. In Omagh, or immediately approaching Omagh, in Market  
17 Street.

18 497 Q. And at 14:38, according to the cell site, which mast  
19 was it using?

20 A. At 14:30? 15:14

21 498 Q. 38?

22 A. I believe Pigeon Top.

23 499 Q. So, again, in the general vicinity of the attack?

24 A. Yes.

25 500 Q. And on appeal were Mr. Justice Morgan's findings upheld 15:14  
26 in relation to 430?

27 A. They were, yes.

28 501 Q. We'll just conclude this phone, the last of the four  
29 Breslin phones as I have described them, with what the

1 analyst reports have recorded. That in the report of  
2 Ms. Purnell, Mr. Weeks, Mr. Telford, DS Clarke and in  
3 the AGS's own list it was attributed to Oliver Treanor,  
4 no doubt because that was the person who paid the  
5 bills? 15:15

6 A. Yes, correct.

7 502 Q. So, we're now going to move on to the second phase  
8 here, Mr. Safranauskas, we're going to look at other  
9 mobile telephones that the Inquiry Legal Team have  
10 given a colour to. We've seen those, first of all, 15:15  
11 they've all been given colours, and this is to help  
12 track them when we look at them in two dimensions on a  
13 timeline so that people can see, at a glance, what  
14 these phones are doing and who they are in contact  
15 with. The first of those is a phone ending 971 which 15:15  
16 we have given the colour pink to?

17 A. Yes.

18 503 Q. And that has been provisionally attributed to  
19 Peter Campbell?

20 A. Yes. 15:16

21 504 Q. And it is an unregistered Ready to Go phone?

22 A. Yes.

23 505 Q. We'll see what Sean Hoey said in interview.  
24 [Presentation played]. He accepted the possibility of  
25 contacting Peter Campbell on the 971 pink phone? 15:16

26 A. Yes.

27 506 Q. And then if we look at what the analysts have recorded.  
28 [Presentation played]. It is attributed in all of the  
29 analysts' reports to Peter Campbell and we see a phrase

1           there that we haven't seen before so far, although it's  
2           been mentioned, that that attribution is on the basis  
3           second line, fifth and sixth words, "AGS intelligence"?  
4       A.    Yes.  
5   507   Q.    So, that is how we've provisionally attributed the 971   15:17  
6           phone. Let's go back to a phone we've mentioned so  
7           far, the 406 light blue phone. [Presentation played].  
8           This has been attributed to Oliver Treanor?  
9       A.    Yes.  
10   508   Q.   And this is a phone that was registered in his name?   15:17  
11       A.    Yes.  
12   509   Q.   And so, it's clear that he was not only paying for the  
13           430 phone, the red phone, but he was a subscriber to a  
14           second phone, 406?  
15       A.    Correct.   15:17  
16   510   Q.   That fact informs how the Inquiry Legal Team has  
17           approached the attribution of 430?  
18       A.    Yes.  
19   511   Q.   [Presentation played]. So, we can see Oliver Treanor  
20           set up a glass company?   15:17  
21       A.    Yes.  
22   512   Q.   No doubt a reference to Town Glass Limited, and that  
23           the 406 light blue phone was allocated to that  
24           business?  
25       A.    Yes.   15:18  
26   513   Q.   [Presentation played]. His account, in interview, in  
27           February 1999 was that he had owned that phone for two  
28           years, so that includes the period with 15th August in?  
29       A.    It does, yes.

1 514 Q. And, indeed, he went on to say that he was in  
2 possession of that phone on 15th August 1998?  
3 A. Yes.

4 515 Q. Now in Breslin, the 406 phone was mentioned, it is  
5 right and proper to acknowledge that Oliver Treanor was 15:18  
6 not a party to those proceedings, but Liam Campbell was  
7 and it was being said that he was using the 430 phone  
8 that contacted 406, no challenge to the assertion that  
9 was advanced that the light blue phone was attributed  
10 to Oliver Treanor? 15:19  
11 A. Correct.

12 516 Q. [Presentation played]. And in terms of how the  
13 analysts have dealt with this, all of the analysts  
14 listed there have attributed 406 to Oliver Treanor?

15 A. Yes. 15:19

16 517 Q. That's the light blue phone.  
17  
18 Our next phone which has been given a colour, 259,  
19 Derek 'Shanty' Brady?

20 A. Yes. 15:19

21 518 Q. [Presentation played]. This was a Ready to Go mobile  
22 phone, is that right?

23 A. Yes.

24 519 Q. Registered in the Republic of Ireland?

25 A. Yes, it was. 15:19

26 520 Q. Just talk us through, Mr. Safranauskas, our next slide  
27 on this point?

28 A. [Presentation played]. Okay. So, on 21st March 1999,  
29 upon Derek 'Shanty' Brady's arrest, a handset

1 containing the SIM for the 259 phone was found in his  
2 possession. As we've already mentioned earlier on  
3 today, during a house search of another individual,  
4 Eamonn Matthews, a piece of paper was seized from the  
5 home address, that being a number ending in 259 with 15:20  
6 the reference "Shanty" underneath it.

7 521 Q. And nobody should be confused by the fact that there  
8 are only four digits there, you can confirm  
9 Mr. Safranauskas, you've seen the original of that  
10 piece of paper and the preceding digits are obscured by 15:20  
11 the Inquiry, aren't they?

12 A. They are, yes.

13 522 Q. And that is for data protection reasons but it  
14 contained the complete telephone number, didn't it, for  
15 Derek 'Shanty' Brady? 15:20

16 A. Correct, yes.

17 523 Q. Let us see what Mr. Brady had to say about this phone,  
18 and, again, you can talk us through this please?

19 A. [Presentation played]. So, in his interview in  
20 February 1999, Derek 'Shanty' Brady stated that he was 15:21  
21 the owner of the 259 yellow phone had had been since  
22 March 1998. He always carried the 259 yellow phone  
23 with him, including on the day of 15th August 1998.  
24 And, finally, no one else had ever used the 259 yellow  
25 phone. 15:21

26 524 Q. [Presentation played]. We then have Sean Hoey's  
27 interview in which, as with his accounts in relation to  
28 the 971 Peter Campbell pink phone, he said he could  
29 have contacted Derek 'Shanty' Brady on that 259 yellow

1 phone?

2 A. He did, yes.

3 525 Q. [Presentation played]. And then in terms of how the  
4 analysts have dealt with this, universal attribution of  
5 259 to Derek 'Shanty' Brady? 15:22

6 A. Yes.

7 526 Q. Including, as we see there, on the basis of AGS  
8 intelligence?

9 A. Yes.

10 527 Q. So, all consistent with what Derek 'Shanty' Brady said 15:22  
11 in interview?

12 A. Correct.

13 528 Q. And just so that we put a marker down, it's right,  
14 isn't it, that that 259 phone was in contact with one  
15 of the two phones that went to Omagh at a time that 15:22  
16 they were in Omagh, or very close to, with their bomb?

17 A. Yes, correct.

18 529 Q. So, we now move on to the brown phone. [Presentation  
19 played]. This ends 456, and it is provisionally  
20 attributed to Patrick 'Mooch' Blair? 15:23

21 A. Yes.

22 530 Q. It is an unregistered Ready to Go phone?

23 A. It is, yes.

24 531 Q. We move through. [Presentation played]. Now, the  
25 Smithwick Tribunal of Inquiry which took place in the 15:23  
26 Republic of Ireland, called as a witness Patrick  
27 'Mooch' Blair during which, as you record there, he  
28 implicitly admitted making a call from the 456 phone to  
29 the 430 red phone, the phone we have attributed to

1           Liam Campbell, on that day at 14:19 on 15th August  
2           1998?

3           A.    Yes.

4   532   Q.    In fact, that implicit acceptance was through Patrick  
5           'Mooch' Blair dismissing that call as a coincidence? 15:24

6           A.    Yes.

7   533   Q.    That was his account. At we just remind ourselves that  
8           that, again, as with the Derek 'Shanty' Brady call, is  
9           at a highly critical time in the duration of the  
10          attack -- 15:24

11          A.    Yes, it was.

12   534   Q.    -- as we will see, and that it was for that 58/59  
13          seconds?

14          A.    Correct.

15   535   Q.    We see that both Lisa Purnell recorded the attribution 15:24  
16          as Patrick 'Mooch' Blair, as did the AGS?

17          A.    Yes.

18   536   Q.    We now move forward to a phone that we have not  
19          attributed to a particular person but to a company?

20          A.    Yes. 15:24

21   537   Q.    [Presentation played]. This is a mobile telephone  
22          which ends 144?

23          A.    Yes.

24   538   Q.    Given the colour purple?

25          A.    Yes. 15:25

26   539   Q.    And the provisional attribution is to the organisation  
27          which was registered as holding the contract for that  
28          phone, namely Town Glass Limited?

29          A.    Correct.

1 540 Q. On that road in Dundalk, Coes Road, and owned by the  
2 man we looked at earlier, Seamus McGrane --

3 A. Yes.

4 541 Q. -- together with Oliver Treanor?

5 A. Yes. 15:25

6 542 Q. That attribution, no doubt based upon who the  
7 contract-holder was, appears in the reports of  
8 Lisa Purnell, Graham Telford and DS Noel Clarke and,  
9 indeed, in the AGS's own work?

10 A. Correct, yes. 15:25

11 543 Q. So, Mr. Safranauskas, if we just pause there for a  
12 moment. We are now moving on to the third phase of  
13 this presentation, is that right?

14 A. Yes.

15 544 Q. We've looked at the four Breslin phones, as I have 15:26  
16 described them?

17 A. We have, yes.

18 545 Q. We have looked at phones which the Inquiry Legal Team  
19 has picked out and given colours to over and above  
20 those four? 15:26

21 A. Yes.

22 546 Q. And that we're now moving on to phones which don't have  
23 a colour ascribed to them, that's not to say they are  
24 unimportant, but it is those that we will look at now?

25 A. Yes, correct. 15:26

26 547 Q. And we start with a landline that ends 491?

27 A. Yes.

28 548 Q. And that has been attributed, as we can see if you play  
29 on, to Town Glass Limited?

1 A. Yes.

2 549 Q. And it was a landline registered to the property on  
3 Coes Road from which Town Glass operated?

4 A. Correct.

5 550 Q. [Presentation played]. We see there information we saw 15:27  
6 this morning. Of course, we know that the three  
7 Campbell brothers also worked for it?

8 A. We do, yes.

9 551 Q. And 491 attributed to Town Glass Limited by Ms. Purnell  
10 and Mr. Telford? 15:27

11 A. Correct.

12 552 Q. So, if we move forward. [Presentation played]. A  
13 mobile telephone ending 498?

14 A. Yes.

15 553 Q. Provisionally attributed to Anthony Donegan? 15:27

16 A. Yes.

17 554 Q. And registered to Bernadette McKeown of Hazelwood  
18 Avenue, Bay Estate?

19 A. Yes.

20 555 Q. I think we looked at that address this morning in 15:28  
21 relation to Coes Road?

22 A. We did, yes.

23 556 Q. And we saw this morning on our linked individuals that  
24 Bernadette McKeown was in a relationship with  
25 Anthony Donegan? 15:28

26 A. We did, yes.

27 557 Q. So, she was the subscriber to that phone at the same  
28 address that she lived with Anthony Donegan next to the  
29 Coes Road. We have some further information, however,

1 so we move on. [Presentation played]. We can see that  
2 Ms. McKeown gave a statement in 2005, do you want to  
3 just run us through that, please?

4 A. Yes. So, she stated she lived with Anthony Donegan in  
5 July and August 1998 at Hazelwood Avenue. There was no 15:28  
6 landline at Hazelwood Avenue. She entered into the 498  
7 phone contract but Anthony Donegan mostly used it and  
8 would carry the 498 phone. During an AGS search of  
9 Anthony Donegan's address at Aisling Park, Dundalk on  
10 30th September 1998, the 498 phone was seized. And 15:29  
11 subsequently, Anthony Donegan confirmed the 498 phone  
12 was his, but in his explanation "in the woman's name".

13 558 Q. Thank you. If we go forward, we can see that admission  
14 interview repeated as our first bullet point.  
15 [Presentation played]. We can see that he further said 15:29  
16 that the bills were never paid and it was switched off?

17 A. Yes.

18 559 Q. And he was claiming, in June of 1998, that it was  
19 broken and that he had taken it to a phone shop in  
20 Dundalk to be fixed? 15:29

21 A. Correct.

22 560 Q. We can also see in that same sequence of interviews  
23 that he admitted that he stole a red Vauxhall car at  
24 Carrickmacross on the night between 12th and 13th  
25 August 1998. 15:30

26 A. Yes.

27 561 Q. That he called Paul 'Jaws' Kelly, as we know him, on  
28 the 574 phone using the 498 phone at 2:28?

29 A. Yes.

1 562 Q. He didn't know why he claimed he had called Paul Kelly  
2 at that hour -- sorry from the 498 at 19:11 on the  
3 15th?  
4 A. Yes.  
5 563 Q. And that after his arrest in Carrickmacross he said he 15:30  
6 gave his 498 phone to a friend and bought a new Ready  
7 to Go phone?  
8 A. Yes.  
9 564 Q. It is, of course, right to say that that was not an  
10 account that he maintained in a later interview where 15:30  
11 he sought to say that wasn't right?  
12 A. Correct.  
13 565 Q. But, as we will see in the presentation you've  
14 prepared, during the course of that interview it's  
15 right also that he drew a diagram seeking to indicate 15:30  
16 what he was up to when he was stealing that car?  
17 A. That's correct, yes.  
18 566 Q. Well, let's go back to 498. [Presentation played].  
19 The analysts all attributed it to Anthony Donegan in  
20 their reports? 15:31  
21 A. They did, yes.  
22 567 Q. Next is 989?  
23 A. Yes.  
24 568 Q. [Presentation played]. That has been provisionally  
25 attributed to Joseph or Joe Fee? 15:31  
26 A. Yes.  
27 569 Q. It's an unregistered phone?  
28 A. Yes.  
29 570 Q. [Presentation played]. And here the sole basis for

1           this provisional attribution, as we'll see from the  
2           next slide, is derived from what is recorded in three  
3           of the analysts reports --

4           A.    Yes.

5   571   Q.    -- together with the AG's chart analysing common           15:31  
6           numbers?

7           A.    Yes, that's right.

8   572   Q.    We're going to go to another place and another landline  
9           here?

10          A.    Yes.                                                           15:32

11   573   Q.    [Presentation played]. And are we now zoomed in on  
12           Dundalk?

13          A.    We are.

14   574   Q.    And, in particular, the Emerald Bar, about which we've  
15           heard a lot already?                                               15:32

16          A.    Yes, correct.

17   575   Q.    This is the telephone number, 158?

18          A.    Yes.

19   576   Q.    And it was a landline registered to Colm Murphy at the  
20           Emerald Bar?                                                       15:32

21          A.    Yes.

22   577   Q.    [Presentation played]. We can see the second bullet  
23           point adds even further to this, that in a phonebook at  
24           Sean Hoey's property in February 1998 - so before the  
25           attack - 158 was recorded as the number for the Emerald   15:33  
26           Bar?

27          A.    It was, yes.

28   578   Q.    And, unsurprisingly, all of the reports by analysts  
29           record it as the Emerald Bar?

1 A. Yes, correct.

2 579 Q. [Presentation played]. We are staying with Colm Murphy  
3 now, Mr. Safranauskas?

4 A. We are, yes.

5 580 Q. Perhaps you can talk us through the attribution, 15:33  
6 please, of 911?

7 A. So, we're now in the Ravensdale area, specifically  
8 Jordan's Corner, the registered address of Colm Murphy.  
9 The 911 phone being a landline and that being  
10 registered to Colm and Anne Murphy at Jordan's Corner, 15:33  
11 Ravensdale, Dundalk.  
12

13 [Presentation played]. And proceeding through, again,  
14 analyst report, this landline was attributed to  
15 Colm Murphy in the reports of Purnell, Telford and 15:34  
16 DS Clarke, and also in a background report obtained by  
17 the AGS.

18 581 Q. Thank you. Now, that was a third phone that  
19 Colm Murphy has had attributed to him?

20 A. Yes. 15:34

21 582 Q. The first being 585 for a period, then the Emerald Bar  
22 and then his home address, but there is an additional  
23 number, is that right?

24 A. There is, right.

25 583 Q. So, just talk us through that, please? 15:34

26 A. So, that's a mobile phone ending 811, again  
27 provisionally attributed to Colm Murphy. I'm waiting  
28 for this to catch up with me, apologies. [Presentation  
29 played]. As we see there, provisionally attributed to

1 Colm Murphy, and it was provisionally attributed to  
2 Colm Murphy in the report of Lisa Purnell.

3 584 Q. So, we'll move away from him and to another of our key  
4 figures.

5 A. Yes. 15:35

6 585 Q. Liam Campbell. This is 615?

7 A. It is, yes.

8 586 Q. It's provisionally attributed to Liam Campbell?

9 A. Yes.

10 587 Q. And the basis for that provisional attribution appears 15:36  
11 in a variety of analyst and police report, is that  
12 right?

13 A. Yes, that's right.

14 588 Q. And, of course, if that attribution is correct and that  
15 that is a reasonable conclusion to draw, then when it 15:36  
16 is phoning 430, if Liam Campbell is using it, someone  
17 else must be using 430 at that time?

18 A. Yes, that's right.

19 589 Q. Another landline?

20 A. Yes. 15:36

21 590 Q. [Presentation played]. This is the home address of  
22 Bernadette Lynch, the partner of Liam Campbell?

23 A. Yes.

24 591 Q. And of Liam Campbell, where they lived and the landline  
25 is registered to Bernadette Lynch? 15:37

26 A. Correct, yes.

27 592 Q. And it ends 060?

28 A. Yes.

29 593 Q. If we continue with the presentation we can see that

1           they were married and lived there together?

2           A.    Yes.

3   594   Q.    [Presentation played]. And that both Lisa Purnell and  
4           DS Clarke deal with this number with Lisa Purnell  
5           recording the attribution as Liam Campbell and 15:37  
6           Bernadette Lynch, and, by contrast, DS Clarke recording  
7           it simply as Bernadette Lynch?

8           A.    That's right, yes.

9   595   Q.    We'll move now to Sean Hoey, and we have several  
10          numbers for him. 15:38

11          A.    We do.

12   596   Q.    [Presentation played]. So, we start with a landline  
13          based at a property on Molly Road?

14          A.    We do, yes.

15   597   Q.    There's a caravan at that property? 15:38

16          A.    Yes.

17   598   Q.    This is a number ending 898 and attributed to  
18          Sean Hoey, although, of course, it's a landline and we  
19          see it is registered at that address to Sean Hoey's  
20          wife, Yvonne Hoey? 15:38

21          A.    Correct, yes.

22   599   Q.    [Presentation played]. We can see that they both lived  
23          at the address on Molly Road in a caravan?

24          A.    Yes.

25   600   Q.    And that Sean Hoey identified in an application for a 15:39  
26          mobile telephone the 898 landline number as being his  
27          home phone number?

28          A.    Yes.

29   601   Q.    We have, in subsequent interviews, an admission in

1 interview that that was his caravan number?

2 A. Yes.

3 602 Q. And also, as we've seen already, that at a critical  
4 time as the bombers were fleeing and just over the  
5 Border, 15:26, there was contact between that landline, 15:39  
6 898, and Seamus Daly on his 076 green phone, something  
7 that Sean Hoey admitted he participated in with  
8 Seamus Daly?

9 A. That's right, yes.

10 603 Q. [Presentation played]. We see in the reports of two 15:40  
11 PSNI analysts that 898 is attributed to Yvonne Hoey?

12 A. Correct.

13 604 Q. [Presentation played]. Staying with Sean Hoey now,  
14 moving away from a landline to a mobile telephone, is  
15 that right? 15:40

16 A. It is, yes.

17 605 Q. This is ending 452 and it was the mobile telephone  
18 registered to Sean Hoey in the Republic of Ireland?

19 A. Yes, that's right.

20 606 Q. We see that when the police searched his property in 15:40  
21 February 1998, that phonebook we've heard mentioned  
22 already, recorded 452 as being his own number?

23 A. Correct.

24 607 Q. In interview, he was for saying that he had use of that  
25 number both in 1998 and in 2003? 15:41

26 A. Yes.

27 608 Q. And that all of the analysts concurred with what he  
28 said in interview and have attributed it to him?

29 A. They have, yes.

1 609 Q. Sir, I wonder if we might just do one more call before  
2 having a break, this is very information-dense but we  
3 have one last phone attributed to Sean Hoey, this is  
4 another landline --  
5 A. Yes. 15:41  
6 610 Q. -- at a different address, this address is in the  
7 Republic of Ireland?  
8 A. Yes.  
9 611 Q. So, the previous address, Molly Road was in Northern  
10 Ireland? 15:42  
11 A. Yes.  
12 612 Q. This is Republic of Ireland and this ends 445?  
13 A. Yes, that's right.  
14 613 Q. [Presentation played]. And that phone was attributed  
15 to Sean Hoey as recorded in the report of Lisa Purnell? 15:42  
16 A. Yes.  
17 MR. DE LE POER: Thank you very much indeed,  
18 Mr. Safranauskas. Sir, would that be a convenient  
19 moment?  
20 CHAIRMAN: Yes, if that's convenient for you. 15:42  
21 MR. DE LA POER: I wonder if we just take a 10-minute  
22 break to give the shorthand writer a pause and everyone  
23 an opportunity to stretch their legs, and I am  
24 confident we will finish before 4:30.  
25 CHAIRMAN: We'll sit again at five to four then. 15:42  
26 MR. DE LA POER: Yes, please.  
27  
28 THE INQUIRY ADJOURNED BRIEFLY  
29

1           THE INQUIRY RESUMED AS FOLLOWS:

3           CHAIRMAN: Mr. De la Poer.

4           MR. DE LA POER: Thank you, sir.

6           MR. MARK SAFRANAUSKAS CONTINUED TO BE QUESTIONED BY  
7           MR. DE LE POER AS FOLLOWS:

9   614   Q.   MR. DE LE POER: Mr. Safranauskas, our next phone ends  
10           132. [Presentation played]. This phone has been  
11           provisionally attributed, by the Inquiry, to John Fee.  
12           It was a phone registered to him at an address near  
13           Carrickmacross?

14           A.   Correct.

15   615   Q.   And it was also attributed to him in a number of  
16           reports?

17           A.   Correct, yes.

18   616   Q.   Next, if the animation is playing? [Presentation  
19           played]. We have a landline 574?

20           A.   Yes, correct.

21   617   Q.   Provisionally attributed to Paul 'Jaws' Kelly?

22           A.   Yes.

23   618   Q.   Registered to him at the address which it is connected  
24           to?

25           A.   Yes.

26   619   Q.   Which is an address in Cedarwood Park?

27           A.   Yes, that's right.

28   620   Q.   And, of course, we heard that Mr. Donegan said that he  
29           spoke to Paul Kelly on that number?

1 A. Yes.

2 621 Q. And also, unsurprisingly, attributed in various  
3 reports --

4 A. That's right.

5 622 Q. -- to Mr. Kelly? 15:59

6 A. Yes.

7 623 Q. [Presentation played]. Staying with that person, we  
8 are also going to now look at a mobile phone ending  
9 371?

10 A. We are, yes. 15:59

11 624 Q. [Presentation played]. It is a contract phone  
12 subscribed to by Mr. Kelly, registered to the address  
13 that we've just looked at?

14 A. Yes.

15 625 Q. And attributed in analyst reports? 16:00

16 A. Yes.

17 626 Q. [Presentation played]. Mobile ending 556?

18 A. Yes.

19 627 Q. Provisionally attributed to Sile Grew?

20 A. Yes. 16:00

21 628 Q. This is an unregistered Ready to Go phone?

22 A. Correct.

23 629 Q. And the basis of the provisional attribution is derived  
24 from what is recorded in a number of analyst reports?

25 A. That's right, yes. 16:00

26 630 Q. [Presentation played]. Next, a number ending 102,  
27 provisionally attributed to Paul Jennings?

28 A. Yes.

29 631 Q. [Presentation played]. We heard something about this

1           this morning, he was an employee of Colm Murphy and  
2           drove a van for him?

3           A.    Yes.

4   632   Q.    [Presentation played]. The 102 attributed to  
5           Paul Jennings in two of the analyst reports and by the   16:01  
6           AGS?

7           A.    That's right, yes.

8   633   Q.    [Presentation played]. Next, we're going to return to  
9           a landline that we mentioned this morning in the  
10          context of a husband and wife?                                   16:01

11          A.    Yes.

12   634   Q.    [Presentation played]. This is St. Nicholas Avenue in  
13          Dundalk, and the landline for the address ends 587, has  
14          been provisionally attributed to Damien Lawless?

15          A.    That's right.                                               16:02

16   635   Q.    It is, of course, we remember, the number for the home  
17          address and, in fact, was registered to  
18          Caroline Lawless of that address?

19          A.    Yes, that's right.

20   636   Q.    [Presentation played]. We see there that they lived   16:02  
21          together at that address?

22          A.    Correct.

23   637   Q.    [Presentation played]. And that in Ms. Purnell and  
24          DS Clarke's reports, 587 landline attributed to  
25          Caroline Lawless the person to whom it was registered?   16:02

26          A.    That's right, yes.

27   638   Q.    [Presentation played]. Next, Foughilletra Road in  
28          Jonesborough, Danny or Daniel Hughes, 097?

29          A.    Yes.

1 639 Q. It's a landline registered to Daniel Hughes in  
2 Jonesborough, County Armagh?

3 A. Correct, yes.

4 640 Q. [Presentation played]. And he saved it in his own  
5 mobile telephone address book as being "home"? 16:03

6 A. Correct.

7 641 Q. [Presentation played]. And it was attributed to him in  
8 a number of the reports?

9 A. Yes, it was.

10 642 Q. We'll stay with Danny or Daniel Hughes here. 16:03  
11 [Presentation played]. We've just mentioned his mobile  
12 telephone and its address book, that was a phone ending  
13 655?

14 A. Yes.

15 643 Q. And was that phone registered to him? 16:03

16 A. It was, yes.

17 644 Q. Aghameen Park in Dundalk. [Presentation played]. We  
18 can see here that in the Breslin litigation in 2013,  
19 Ian Fulton, from the Forensic Science Department gave  
20 evidence that he'd examined that phone which had come 16:04  
21 from the home address, as it was recorded, "DH," so  
22 Danny Hughes?

23 A. Yep.

24 645 Q. And also that he had found within it the number ending  
25 097 saved under "home"? 16:04

26 A. Correct.

27 646 Q. [Presentation played]. To complete the picture, we see  
28 that Danny Hughes has that phone attributed to him in  
29 reports by analysts?

1 A. Yes, that's right.

2 647 Q. [Presentation played]. Here, we are zooming in on an  
3 area very close to the border but in the Republic of  
4 Ireland?

5 A. Correct. 16:05

6 648 Q. It's landline home address of the Daly family with a  
7 landline subscribed to Patrick Daly, the father of  
8 Seamus Daly, ending 088?

9 A. Yes, that's right.

10 649 Q. One of Seamus Daly's brother, Ronan, he confirmed that 16:05  
11 that was the landline of the Daly family home in 2000?

12 A. Yes.

13 650 Q. [Presentation played]. The treatment by the analysts  
14 was as follows: Patrick Daly in Ms. Purnell,  
15 Mr. Telford and DS Clarke; also the Dalys, by DS 16:06  
16 Clarke; Patrick Daly - access Seamus Daly in a request  
17 by AGS Inspector Foley', DS Noel white of the AGS  
18 recorded it as the home of the Daly family in a letter?

19 A. Yes.

20 651 Q. And Padraig Daly who was the brother of Seamus Daly was 16:06  
21 the person who the AGS attributed to he also living at  
22 that home address?

23 A. Correct.

24 652 Q. [Presentation played]. We're going to move to the 942  
25 phone, is that right? 16:07

26 A. Yes.

27 653 Q. [Presentation played]. Alan Clarke, who employed  
28 Joe Fee and Sean Hoey?

29 A. That's right, yes.

1 654 Q. We heard that this morning. This is a mobile telephone  
2 provisionally attributed to him, and that was on the  
3 basis of the reports of Lisa Purnell and DS Clarke who  
4 recorded that, but it is right to say that a PSNI  
5 document recorded AGS checks listing Paul Jennings as a 16:07  
6 subscriber to the plan?

7 A. Yes, that's right.

8 655 Q. Important number next, a landline?

9 A. Yes.

10 656 Q. [Presentation played]. We've heard of this one before, 16:07  
11 so a landline based in the Silverbridge area?

12 A. Yes.

13 657 Q. So, in Northern Ireland, the home address of  
14 Seamus McKenna?

15 A. That's right. 16:08

16 658 Q. And, of course, importantly, involved in a call on the  
17 afternoon of 15th of August?

18 A. That's right, yes.

19 659 Q. [Presentation played]. We see that Catherine McKenna,  
20 in her account, said that she and her husband, 16:08  
21 Seamus McKenna, had separated for approximately four to  
22 five years. That she lived at the home address, that  
23 he in fact did not live there on a permanent basis but  
24 occasionally visited, more regularly telephoning the  
25 address? 16:08

26 A. That's correct, yes.

27 660 Q. Of course, we just remind ourselves, in the Breslin  
28 litigation Catherine McKenna gave evidence, her  
29 evidence was rejected by the judge and the judge then

1 declined to rely upon the earlier account that she'd  
2 given as well, which was to the effect that it was her  
3 home to which Mr. McKenna was an occasional visitor?  
4 A. Yes, that's right.  
5 661 Q. In terms of the analyst reports, Seamus McKenna is the 16:09  
6 person to whom that is attributed. And we can also see  
7 TJ McKenna of Moylinn Close, Silverbridge, County  
8 Armagh in the reports of two other analysts, the AGS in  
9 a document which doesn't have an author and in a  
10 subscriber call obtained by the RUC? 16:09  
11 A. That's right, yes.  
12 662 Q. [Presentation played]. Another mobile, 809, Anthony  
13 'Rusty' Cunnane?  
14 A. Yes.  
15 663 Q. [Presentation played]. And this was registered to him? 16:10  
16 A. That's right.  
17 664 Q. At an address in Dundalk?  
18 A. Yes.  
19 665 Q. And, subsequently, attributed to him in a variety of  
20 reports? 16:10  
21 A. Correct.  
22 666 Q. [Presentation played]. Now, 168 was a landline for a  
23 neighbour of the Daly family?  
24 A. That's right, yes.  
25 667 Q. It's provisionally attributed to John Connolly? 16:10  
26 A. Yes.  
27 668 Q. As we see, he was the landlord of the farmland leased  
28 to Patrick Daly?  
29 A. That's right, yes.

1 669 Q. [Presentation played]. And it's recorded there that  
2 the father and his sons all had access to the 168 phone  
3 of John Connolly?  
4 A. Correct.  
5 670 Q. And that John Connolly provided an account to that 16:11  
6 effect. But in an account given on 17th October 2000  
7 said only Ronan Daly made calls from that landline on  
8 12th, 13th and 16th August?  
9 A. Correct.  
10 671 Q. Attributed to John Connolly in those two analyst 16:11  
11 reports?  
12 A. That's right, yes.  
13 672 Q. [Presentation played]. Next, the landline,  
14 Castleblayney, Martin McGeough, 522?  
15 A. Yes. 16:12  
16 673 Q. Seamus Daly gave an account about contact with  
17 Martin McGeough, he had worked for him once three years  
18 previously and that McGeough might have been interested  
19 in lying a lorry?  
20 A. Correct. 16:12  
21 674 Q. [Presentation played]. And the attribution on a  
22 provisional basis by Inquiry Legal Team consistent with  
23 the attribution recorded in analyst reports?  
24 A. Correct.  
25 675 Q. [Presentation played]. We then have Patrick Brady, 16:12  
26 this is landline ending 542?  
27 A. Yes.  
28 676 Q. [Presentation played]. Patrick Brady the father-in-law  
29 of Derek 'Shanty' Brady?

1 A. Correct.

2 677 Q. [Presentation played]. And attributed either to  
3 Patrick Brady or Pat Brady in two analyst reports?

4 A. Correct.

5 678 Q. [Presentation played]. Staying with the same person, 16:13  
6 this is a number ending 520?

7 A. Yes.

8 679 Q. A landline connecting to a property on St. Nicholas  
9 Avenue in Dundalk?

10 A. Yes. 16:14

11 680 Q. Again, provisionally attributed to Patrick Brady?

12 A. Yes.

13 681 Q. That provisional attribution being derived from the  
14 content of the reports of both Lisa Purnell and DS Noel  
15 Clarke? 16:14

16 A. Correct.

17 682 Q. [Presentation played]. Another important phone, we've  
18 looked at already, let's focus on it now, 371,  
19 Mr. Safranauskas?

20 A. Yes. 16:14

21 683 Q. Provisionally attributed to Denis O'Connor?

22 A. Correct.

23 684 Q. A phone registered to that man at an address in  
24 County Kilkenny?

25 A. Correct. 16:15

26 685 Q. Which was the subject of the scrutiny we've heard about  
27 in Breslin, where Denis O'Connor said that that was his  
28 phone and that he had received a call from a man he  
29 ultimately identified as Seamus Daly on 15th August?

1 A. That's right, yes.

2 686 Q. That being a call that was found, on the balance of  
3 probabilities, to have involved Seamus Daly?

4 A. Correct.

5 687 Q. And attributed, unsurprisingly, in the analyst reports 16:15  
6 to Denis O'Connor?

7 A. Correct.

8 688 Q. We now deal with the father and son that we've heard  
9 about. Firstly, Michael Brennan Sr.?

10 A. Yes. 16:15

11 689 Q. [Presentation played]. 630, a phone that was  
12 registered to that person at his home address in  
13 Dundalk?

14 A. Yes, that's right.

15 690 Q. And confirmed in interview by that man which he said he 16:16  
16 was the owner?

17 A. Yes.

18 691 Q. And attributed to him in the analysts' reports?

19 A. Yes, that's right.

20 692 Q. [Presentation played]. His son now? 16:16

21 A. Yes.

22 693 Q. Whom he employed. This is a 965 mobile phone  
23 registered to Michael Brennan Jr. at an address  
24 recorded as North Dundalk?

25 A. Correct. 16:17

26 694 Q. [Presentation played]. And in that same interview, in  
27 1999, father says that that was his son's phone?

28 A. Yes, that's right.

29 695 Q. And attributed to the son as junior in some of the

1 analysts' report but simply as Michael Brennan in the  
2 report of DS Clarke?

3 A. Yes.

4 696 Q. [Presentation played]. Next up, Declan McComish - 16:17  
5 thanks to Mr. Rafferty for correcting my pronunciation  
6 - this is mobile phone ending 980, registered to  
7 Creations, a flower shop owned by Declan McComish,  
8 forgive me, his wife?

9 A. That's right.

10 697 Q. [Presentation played]. Seized from him on arrest in 16:18  
11 October 1998?

12 A. Yes.

13 698 Q. And attributed to him in two of the analyst reports?

14 A. Yes.

15 699 Q. [Presentation played]. And now, some locations. 16:18  
16 Another number ending 456, this is a landline, it has,  
17 clearly, different numbers before that, to the Patrick  
18 'Mooch' Blair, but that is a landline provisionally  
19 attributed to Robert Murphy Newsagents?

20 A. Yes. 16:18

21 700 Q. And that is a newsagents in Dublin?

22 A. Correct.

23 701 Q. And that attribution recorded by both Ms. Purnell and  
24 Mr. Telford?

25 A. Correct, yes. 16:18

26 702 Q. [Presentation played]. And our final attribution, the  
27 Barleycorn Public House, 845, a landline. And both  
28 Ms. Purnell and the AGS record that public house as  
29 having that landline in the reports?

1 A. Correct, yes.

2 703 Q. Thank you very much indeed, Mr. Safranauskas. We've,  
3 obviously, covered a lot of ground there. We are going  
4 to see together tomorrow, hopefully the fruit of our  
5 work, as we start to see those provisional attributions 16:19  
6 in the timeline, is that right?

7 A. Yes, that's correct, yes.

8 MR. DE LE POER: Sir, that concludes, if it may  
9 Mr. Safranauskas's evidence for today. Can I indicate  
10 that for tomorrow, as previously trailed, we will begin 16:19  
11 with the evidence recorded in Dublin of Detective  
12 Superintendent Emmet Casserly, and we will then return  
13 to Mr. Safranauskas who will take us through his  
14 presentation for Part 3. But that now concludes the  
15 evidence for Chapter 3, Part 2. 16:20

16 CHAIRMAN: Right. Thank you. Mr. De la Poer. And we  
17 will aim to sit at 10:00, shall we?

18 MR. DE LA POER: Yes, please.

19 CHAIRMAN: Thank you, Mr. Safranauskas. We'll meet  
20 again tomorrow. 16:20

21

22 THE INQUIRY ADJOURNED UNTIL THURSDAY, 24TH SEPTEMBER  
23 2026 AT 10:00 A.M.

MR. MARK SAFRANAUSKAS

QUESTIONED BY MR. DE LA POER ..... 2
