

PREFACE

013

The VENGEFUL User Manual consists of 5 Volumes:

- Volume 1. Description to acquaint all users with the general concept and scope of the system. It constitutes a section of Northern Ireland General Staff Standing Instructions (NIGSSI).
- Volume 2. Instructions for the use of terminals with normal facilities.
- Volume 3. Instructions for the use of terminals with special facilities.
- Volume 4. Instructions for the use of Full Analysis.
- Volume 5. Instructions for the Computer Operations Management Staff.
