(10.00 am)

Opening remarks

THE CHAIR: Yes, please sit down.

Mr Blake, before we start this morning, there's one or two things I want to say about the evidence today.

Firstly, Police Constable Speeden is ill and therefore we've rescheduled him next week, so he won't be attending this morning; it'll be next Wednesday morning.

Secondly, about the evidence today, we have Superintendent Allardice giving evidence this morning about 999 calls, also footage on the day of 13 June 2023. Now the public may be aware that there is footage of the brutal attacks on Barney and Grace on Ilkeston Road. There is no footage of the attack on Ian Coates. But we will not be showing footage of the attacks.

Counsel for the bereaved, the survivors, the CTI and I have all seen the footage and I don't consider it's necessary or in the public interest for the footage to be shown in the Inquiry. It's something that I will be taking into account when I prepare my report.

Thirdly, there will be footage of VC driving the van in the centre of Nottingham, but we'll also not be

1

A. Yes.

Q. There is a second witness statement dated 2 March 2026 with a URN of WITN0311002. Can you confirm that that second statement is true to the best of your knowledge and belief?

A. Yes.

Q. Thank you. Today we will be building a chronology of events on the 12th and 13th June. There may be variations in some of the timings which we can address in due course. I also won't take you to every event or every call, a much wider body of material will form the body of evidence in due course.

You will also be asked further questions when you return on 16 and 17 March and today is really a day of setting the scene and going through factual events that occurred on the day itself.

So we'll attempt, today, to address facts rather than opinion.

A. Okay.

Q. Do you understand that?

A. I do. Thank you.

Q. We're going to begin today by going to NGPF0010192, and this a series of images that have been taken from CCTV footage. Can we please begin on page 2. This is CCTV footage from 12 June, starting at 8.15 pm at St Pancras

3

showing the impact of the van when it hit Wayne Birkett. Again, counsel and I have seen this footage and, again, I don't consider that it's necessary or in the public interest or in Wayne Birkett's interest to show that footage.

All CPs have been notified in advance of the clips and the footage in the 999 calls which will be played today. Now much of this is or may be very distressing and there's absolutely no obligation to remain in the room while this evidence is being given. CPs have alternative spaces, both in Mary Ward House and in Nottingham, where they can, if they wish, view the evidence more privately.

There's no obligation to stay in the room and you may come and go as you wish.

Thank you, Mr Blake.

MR BLAKE: Thank you, Chair. Can I please call Superintendent Simon Allardice.

SUPERINTENDENT SIMON ALLARDICE (affirmed)

Questioned by MR BLAKE

MR BLAKE: Thank you, superintendent. You should have in front of you two witness statements, the first is dated 2 January 2026 with a URN of WITN0311001. Can you confirm that that statement is true to the best of your knowledge and belief?

2

Station; is that right?

A. Yes.

Q. We can see there that VC makes his way to the upper concourse of that station, and he has with him a large new-looking Slazenger bag; is that right?

A. Yes.

Q. In terms of his clothing, perhaps the most important for today's purposes are those trainers we can see on the picture on the right-hand side. At this stage, black trainers with white, and also a grey T-shirt; is that correct?

A. Yes.

Q. Thank you. If we then move to page 3, can you tell us what we see there? Is this VC's arrival at Nottingham Train Station?

A. Yes, exactly, yes.

Q. That's at 11.25 and the footage here is captured between 11.25 pm and 11.56; is that right?

A. Yes.

Q. We can see also the picture, the second picture on the right-hand side, we can see VC puts on a long-sleeved black top, so he, at that stage, is now all in black, except for the white on his trainers; is that correct?

A. Yes.

Q. Thank you. If we could then please go over to page 4.

4

1 He's still in Nottingham Train Station. We can see
2 there the second picture on the top on the right-hand
3 side, VC appears to be on his mobile phone at around
4 11.47; is that correct?

5 **A.** Yes.

6 **Q.** In fact the Inquiry has separate evidence that at 11.52,
7 VC sent his brother a zip file of approximately 1,400
8 documents, many of which related to issues such as
9 surveillance and mind control; are you aware of that?

10 **A.** I'm not, no.

11 **Q.** If we could please then go on to page 5. That's not
12 a very helpful slide. We will continue, but if we
13 continue to have that particular issue, then we may just
14 break for a moment and replace the document.

15 There are images on this page from 11.56 that
16 concern VC's arrival at the tram station. At page 6
17 over the page, please -- ah, no, this is definitely the
18 wrong document. Chair, perhaps we could take
19 a five-minute break and we can arrange for the right
20 document to be on screen. Thank you.

21 **THE CHAIR:** Yes. Yes, I'll rise for five minutes while we
22 sort that out. Thank you.

23 (10.08 am)

(A short break)

25 (11.47 am)

5

1 **Q.** -- and it's from the south of the city to effectively
2 the north west of the city; is that right?

3 **A.** Yes.

4 **Q.** Thank you. So we see at the top, it's the Radford area.
5 Can you assist us just by telling us, please, a little
6 bit more about the Radford area?

7 **A.** The Radford area is part of the urban area of
8 Nottingham. It's quite a diverse area. There are
9 some -- it's one of our more socially deprived areas.
10 Much of the housing there is long streets of terraced
11 housing, much of it two- and three-storey. Many of
12 those have been converted to flats and HMOs.

13 **Q.** Thank you. About two-thirds of the way up the page we
14 see a very large green area. Is that the Forest
15 Recreation Ground?

16 **A.** Yes, it is.

17 **Q.** That's the second entry -- in fact the second entry from
18 the top. It says just 17 past midnight on --

19 **A.** Yes.

20 **Q.** Thank you very much. If we could go over the page then,
21 please -- the Forest recreation area will in due course
22 become relevant because it's to the far right of that
23 area where we see Seely Hirst House and the area
24 relevant to Ian Coates; is that right?

25 **A.** Yes, it's in the neighbouring area of Mapperley.

7

1 **THE CHAIR:** Yes, I'm sorry for the delay. Sometimes the
2 technology doesn't always play ball. It's very
3 important, obviously, that the right documents are in
4 the right order and they're the documents which the Core
5 Participants and I have seen.

6 So we can start now, Mr Blake, but I understand
7 there's no rush today, and even if we don't get to
8 Police Sergeant Reynolds or finish him this afternoon,
9 we have another alternative date.

10 **MR BLAKE:** Absolutely.

11 **THE CHAIR:** Thank you.

12 **MR BLAKE:** Perhaps we could go back to NGPF0010192 and start
13 on page 4, please.

14 So we left off here that VC was at Nottingham Train
15 Station. He could be seen in the middle top photo on
16 the telephone, and if we please then go over to page 5,
17 VC by this stage has reached the tram station and that's
18 the tram from Nottingham city centre to the Radford
19 area; is that correct?

20 **A.** Well, there are tram stops in the city centre itself.

21 This is actually at the train station where you can also
22 board the tram.

23 **Q.** Thank you. If we go over the page, please, you can see
24 that the travel of the tram --

25 **A.** Yes.

6

1 **Q.** Thank you. Over the page then to page 7, VC has left
2 the tram stop and makes his way to Gladstone Street.

3 **A.** Yes.

4 **Q.** We see in the bottom right-hand corner that's from
5 29 minutes past midnight to 1.17, VC can't be seen on
6 any CCTV footage; is that correct?

7 **A.** Yes.

8 **Q.** So quite a significant period there where the police
9 haven't been able to establish VC's whereabouts.

10 **A.** Yes.

11 **Q.** Thank you. Over the page then, please, to page 8,
12 there's a playground area we can see highlighted in
13 green, and at 1.23 VC is seen entering that playground
14 area which is on Chard Street.

15 **A.** Yes.

16 **Q.** We can see the picture of him entering the playground on
17 the left-hand side of the screen, or that's just before
18 he reaches the playground, and we can see that by this
19 stage VC doesn't have that large Slazenger bag and he
20 has now changed his shoes so they're all black; is that
21 correct?

22 **A.** Yes.

23 **Q.** He's in that area for some time, and we can see over the
24 page, page 9, he's emerged by 1.29, and makes his way
25 out on to Nottingham Road.

8

1 A. Yes.

2 Q. So he spends around six minutes or so in that playground
3 area or thereabouts; is that right?

4 A. Yes.

5 Q. Over, then, please, to page 10, we see VC by the
6 Sainsbury's cash machine, and the photograph on the
7 left-hand side we can see the route of travel from that
8 playground area on Chard Street over to the Sainsbury's
9 cashpoint; is that right?

10 A. Yes.

11 Q. In fact it's highlighted in yellow on that picture on
12 the right-hand side and the same yellow square appears
13 on the left-hand side, near the top of that picture on
14 the left; is that right?

15 A. Yes.

16 Q. Thank you. Moving on, then, to page 11, VC has moved
17 down Nottingham Road to Rosetta Road, so although this
18 looks -- he's moving in fact in a south-easterly
19 direction at this stage, even though that's not all that
20 clear from this map; is that right?

21 A. Yes.

22 Q. Can we please then turn to page 12, and this is VC's
23 travel down towards Ilkeston Road. He goes through the
24 Radford -- through Radford down towards Ilkeston Road,
25 so ultimately heading south.

9

1 A. Yes.

2 Q. -- in between the cars and the trees?

3 A. Yes.

4 Q. Thank you. If we move on, then, to page 15. By this
5 time VC has moved on to Middleton Street, he's turned
6 left onto Middleton Street, which is just a road off
7 Ilkeston Road. Page 16, please. We can see back on
8 Ilkeston Road, and remains essentially in the area of
9 Ilkeston Road around Middleton Street and Ilkeston Road;
10 is that right?

11 A. Yes.

12 Q. Page 17, we can again see him crossing the road back
13 into Middleton Street.

14 A. Yes.

15 Q. That's at 3.11. Then page 18, please.
16 We can see on the right-hand side in the box on the
17 bottom right-hand side that there are no further
18 sightings of VC for the period 3.30 to 4.00 am. So half
19 an hour where he's presumably in this general area but
20 you're not aware of quite where he is during that
21 period.

22 A. Yes.

23 Q. If we could then move on to page 19, VC is seen this
24 time another -- there's another alleyway by a tree; is
25 that correct? This is a different alleyway.

11

1 A. Yes.

2 Q. Are you able to give us any indication, looking at the
3 timings here, the kind of pace that VC would have been
4 travelling, or even from your previous viewing of the
5 CCTV footage, is this just ordinary walking pace or
6 something else?

7 A. From the footage I have seen, ordinary walking pace.

8 Q. Thank you. Over, please, then to page 13. VC is moving
9 continuing south down Ilkeston Road, down to Ilkeston
10 Road and we can see that there is, in the image on the
11 right-hand side, a passage to the right of those trees
12 where it's believed VC was walking; is that correct?

13 A. Yes.

14 Q. He has reached that area by 3.10 am, so looking over
15 what we've just been seeing, he's been walking for
16 somewhere in the region of two-and-a-half hours,
17 although there is that period where we don't know quite
18 where he is and whether he's walking or what he's doing?

19 A. Yes.

20 Q. If we could then turn over the page to page 14. This is
21 again more detail of VC's route down to Ilkeston Road.
22 We can see on the left-hand side, bottom left-hand side,
23 VC walking down a passageway and that's the passageway
24 that we see on the right-hand side next to the -- on the
25 right-hand side by the cars and --

10

1 A. Yes.

2 Q. We can see there Hopedale Close and are you aware of
3 a passage that joins Hopedale Close and Ilkeston Road?

4 A. Yes.

5 Q. There's a large tree there, and the photo on the
6 right-hand side shows exactly where that passageway is
7 and that tree and that may become relevant in due
8 course.

9 A. Yes.

10 Q. So around 3.30 VC is back on Ilkeston Road?

11 A. Yes.

12 Q. If we could turn, then, to page 20, we have the
13 direction of travel of Barney and Grace during this
14 period walking down Ilkeston Road travelling from the
15 right of our screen to the left of our screen; is that
16 right?

17 A. Yes.

18 Q. If we could go over the page, please, to page 21, can
19 you assist us, having viewed some footage of all of
20 these events, were there many people walking around at
21 this time?

22 A. No.

23 Q. No?

24 A. No.

25 Q. We see here again on page 21 now, we have Grace and

12

- 1 Barney moving from the right-hand side of our screen to
 2 the left of the screen and there's a green boxed area
 3 where the police believe VC was located; is that right?
 4 **A.** Yes.
 5 **Q.** That's where the tree is next to that passageway.
 6 **A.** Yes.
 7 **Q.** If we could then please move on to page 22, this shows
 8 an area where there is no CCTV coverage. 23, there's
 9 some very poor quality CCTV which does show Barney and
 10 Grace, and it shows VC following them, in accordance
 11 with the police's analysis; is that right?
 12 **A.** Yes.
 13 **Q.** Then 24, similar.
 14 **A.** Yes.
 15 **Q.** 25, some further areas where CCTV is located and has
 16 been obtained by the police. I think that image on the
 17 right-hand side shows where there's a camera that can
 18 see out on to the road slightly.
 19 **A.** Yes.
 20 **Q.** At page 26 and 27, again this is Grace and Barney
 21 captured on CCTV with VC following. If we could please
 22 turn on, then, to page 28. This shows an area where
 23 dash-cam footage ultimately captured the attacks; is
 24 that correct?
 25 **A.** Yes.

13

- 1 and that's NGPF0002218.
 2 **(Audio played)**
 3 I think we can stop that call now, thank you.
 4 This call, we have a time of 4.03. There's another
 5 reference somewhere to 4.04. It doesn't really matter,
 6 but around the same time as that first call.
 7 **A.** Yes.
 8 **Q.** We now have a further description: all dressed in black
 9 with a back bag. There's reference also in this call to
 10 the perpetrator going up Ilkeston Road towards the town.
 11 **A.** Yes.
 12 **Q.** There's reference to two victims, a male and a female?
 13 **A.** Yes.
 14 **Q.** We didn't hear it but at the end of the call he also
 15 goes on to say there are a few places with CCTV.
 16 I don't know if you recall that but it doesn't matter.
 17 **A.** Okay.
 18 **Q.** So we now have two different descriptions: one wearing
 19 a hoodie and the other a more detailed description in
 20 relation to the perpetrator.
 21 **A.** Yes.
 22 **Q.** Can we please go to NGPF0007971. An Incident Log is
 23 created, and we can see there on the left-hand side the
 24 incident number, the top box, and this will become
 25 relevant in due course, that this is given incident

15

- 1 **Q.** The top right-hand side is the view from the dash-cam
 2 footage.
 3 **A.** Yes.
 4 **Q.** There was also footage from a phone from a neighbour's
 5 phone and that can be seen on page 30, their line of
 6 sight and that's where the phone footage was taken from.
 7 **A.** Yes.
 8 **Q.** We don't need to go to the next few pages but between
 9 4.00 am and 4.02 hours the attack is captured on those
 10 videos. Please, we can skip over -- we can bring that
 11 document down, in fact, now.
 12 4.00 to 4.02 it's captured on video. Is it right to
 13 say that VC's rucksack can also be seen and that is left
 14 on the pavement during the attack?
 15 **A.** Yes.
 16 **Q.** Thank you. I'm going to now play the first of the 999
 17 calls, and the URN for that is NGPF0002220.
 18 **(Audio played)**
 19 So we have there the first of the 999 calls and the
 20 description of VC that is given is that it's somebody
 21 wearing a hoodie --
 22 **A.** Yes.
 23 **Q.** -- and that the caller has filmed the incident.
 24 **A.** Yes.
 25 **Q.** Thank you. We're going to play now the next 999 call

14

- 1 number 0065; is that right?
 2 **A.** Yes.
 3 **Q.** It's referred to as "Stabbing outside Mario's Pizza".
 4 **A.** Yes.
 5 **Q.** I'm now going to move to an audio talk group, and this
 6 is talk group 1199. Can you assist us, we are going to
 7 hear a lot about different talk groups, what is
 8 a talk group?
 9 **A.** So the county of Nottinghamshire is divided into six
 10 different talk groups. A talk group is essentially
 11 a pre-defined area where the radio traffic will operate
 12 on a channel. The "channel" would be another good word
 13 for a talk group.
 14 So because the county of Nottinghamshire could be
 15 too busy to manage on a single talk group with competing
 16 demand, it's divided into six geographic talk groups,
 17 with the addition of 1199 that you have just referred to
 18 for our specialist resources that work across the whole
 19 county.
 20 **Q.** So something like the armed police would be on that
 21 specialist talk group; is that correct?
 22 **A.** Exactly, yes.
 23 **Q.** Can different talk groups listen to each other?
 24 **A.** No, so the officers on a particular talk group can hear
 25 other officers and the Control Room on that talk group.

16

1 There are periods of the day, and it was the case at the
 2 time of this incident, where we might patch talk groups
 3 because demand would be low and staffing would reflect
 4 demand.
 5 **Q.** So that would combine two different talk groups?
 6 **A.** Exactly that, yes.
 7 **Q.** So if I was on say talk group six and somebody else was
 8 on talk group seven --
 9 **A.** Yes.
 10 **Q.** -- you'd be able to hear what was said on both talk
 11 group six and talk group seven?
 12 **A.** Yes.
 13 **Q.** We may come to it in due course or you may be able to
 14 address it now, we've heard reference to talk group 7
 15 and talk group 1199?
 16 **A.** Yes.
 17 **Q.** Then at another point we hear of a talk group 1177. Can
 18 you assist us? On this evening, could those various
 19 talk groups hear each other or not?
 20 **A.** So, yeah, talk groups six and 7 at the time of the
 21 incident were patched together, so those officers could
 22 hear each other, talk group 1199, that was the
 23 specialist resources, they could hear the other officers
 24 on 1199, but on the same radio they wouldn't be able to
 25 hear two talk groups at once unless the Control Room had

17

1 capacity as taser officers so that they might be able to
 2 deal with a heightened threat.
 3 **Q.** You referred to Force Incident Manager?
 4 **A.** Yes.
 5 **Q.** Where is the Force Incident Manager based, and what is
 6 their purpose?
 7 **A.** They're based in the Police Control Room which is at
 8 force headquarters. Their purpose is to be the senior
 9 officer on duty coordinating and overseeing all police
 10 activity.
 11 **Q.** Thank you. Can we then turn to NGPF0007958, please, and
 12 we have there another Incident Log. This one, we can
 13 see on the top left-hand side, is incident number 66 and
 14 this is created at 4.05, so 1 minute later.
 15 **A.** Yes.
 16 **Q.** We can see on the log entries, the second entry at 4.07,
 17 it says, "INC 65, please". Can you assist us with what
 18 that means?
 19 **A.** That's an entry to send a message to the person creating
 20 this incident to ask them to not continue to add detail
 21 to this log, incident 66, and instead add the detail to
 22 incident 65 which is already in existence.
 23 **Q.** Thank you. Essentially it's stopping this log rather
 24 than combining it with incident 65; is that correct?
 25 **A.** Yes, so the usual practice would be no further updates

19

1 intervened to patch the channels, which they can do on
 2 occasion for an incident.
 3 However, it would be a standing sort of operating
 4 practice that an armed car, for example, that would have
 5 two armed officers in, they would have a personal radio
 6 which would be on at 1199 and quite often they would
 7 have a car radio which would be tuned to a local talk
 8 group.
 9 **Q.** Thank you. So it may be that when they're in the car
 10 they may be able to hear both talk groups?
 11 **A.** Yes, that would normal, yeah.
 12 **Q.** Can we then go to NGPF0004714 and this is timed around
 13 4.04, talk group 1199.
 14 (Audio played)
 15 **Q.** Now, it's very difficult to hear that, my note certainly
 16 says that there's reference to a stabbing, no
 17 description given of the perpetrator at that stage; is
 18 that right?
 19 **A.** Yes.
 20 **Q.** Then we hear at the end tasers authorised as
 21 a contingency. Can you assist us with who said that and
 22 what that purpose would be?
 23 **A.** Yeah, so that's the Force Incident Manager, Chief
 24 Inspector Mather, the purpose of him saying that is
 25 to -- well, authorise officers to attend in their

18

1 would be added to this log and the updates from this
 2 caller would be added to incident 65.
 3 **Q.** We can see there the incident description:
 4 "Caller reports [one person has] ... been robbed
 5 poss[ibly] been stabbed, one person lay on the floor and
 6 another walking off. Heard a scream and saw a female
 7 and male lay down. Offender wearing a hoodie. Went
 8 towards the city centre".
 9 So that's likely the first call that we heard.
 10 **A.** Yes, that's the first caller, yeah.
 11 **Q.** Thank you. Can we now please turn then to NGPF0007940.
 12 This is a Contact Record. So it's a further 999 call.
 13 You've explained in your witness statement that some of
 14 the 999 calls in respect of this matter haven't been
 15 preserved; is that right?
 16 **A.** Yes.
 17 **Q.** Very briefly can you explain why?
 18 **A.** Yes, unfortunately that was due to a technical issue.
 19 So when a call is received and handled by various IT
 20 systems, one of the things that should happen is an
 21 invite or packet is sent to a system called NICE, which
 22 then links the metadata in then initiates a recording.
 23 During this period, unfortunately there were a number of
 24 incidents where the invitation wasn't sent, as such the
 25 recording did not commence and the call could not be

20

1 recovered.

2 **Q.** This is one of those instances.

3 **A.** Unfortunately so, yes.

4 **Q.** We have 4.05, and the summary of the call is:

5 "Before manor village student accommodation -- just

6 seen a white male laid in the middle of the road ...

7 didn't see anyone else in the area -- caller is a taxi

8 driver and had just dropped a fare off nearby ..."

9 Then gives his details and then there's reference to

10 the linked incident being 65, as we've seen.

11 **A.** Yes.

12 **THE CHAIR:** Just before you move on, when you say that the

13 package would be sent to NICE and there would be an

14 invitation, is that -- and it wasn't done in that case,

15 is that a human error or a machine error?

16 **A.** It's a machine error, Ma'am.

17 **THE CHAIR:** I might come back to that later, thank you.

18 **MR BLAKE:** Could I then go back to the talk group. This

19 time it's talk group 7, and it's NGPF0005089, and our

20 timing on this is 4.06, although, as I said at the

21 beginning, if there are any differences in the timings

22 and that they're relevant we'll address that in due

23 course.

24 **A.** Sure.

(Audio played)

21

1 listen to NGPF0004721.

(Audio played)

3 The direction of travel of the perpetrator said to

4 be towards the city centre.

5 **A.** Yes.

6 **Q.** We're going to switch talk groups now and listen to talk

7 group 7, at 4.07. That's NGPF0005090.

(Audio played)

9 I believe that's PC Reynolds we can hear there; is

10 that right?

11 **A.** Yes.

12 **Q.** He's offering to drive to the city centre -- from the

13 city centre, sorry, to Ilkeston Road --

14 **A.** Yes.

15 **Q.** -- to search for the suspect.

16 **A.** Yes.

17 **Q.** The description that's given to him on talk group 7 at

18 this stage is that VC is wearing a hoodie.

19 **A.** Yes.

20 **Q.** There are two further 999 calls, we won't go to them,

21 but just for the record it's NGPF0007584 and

22 NGPF0007585.

23 I'm now going to go back to the Incident Log 65, and

24 that is NGPF0007971. If we could turn to page 3,

25 please. We see an entry at 4.07, so it's the

23

1 **Q.** So the information that's provided over talk group 7 at

2 this stage --

3 **A.** Yes.

4 **Q.** -- is that the perpetrator is in a hoodie --

5 **A.** Yes.

6 **Q.** -- and going towards the city centre.

7 **A.** Yes.

8 **Q.** There's no mention in this message of "all dressed in

9 black" and that description that was provided on the

10 other call; is that right?

11 **A.** Yes.

12 **Q.** Also no reference in this particular message to two

13 victims.

14 **A.** That's correct.

15 **Q.** We're going to now turn to another talk group, so that's

16 1199, the specialist officers, NGPF0004719. Similar

17 kind of time, 4.06 is our note.

(Audio played)

19 So a different description passed on on that talk

20 group, now describing "all dressed in black" with

21 a black bag.

22 **A.** Yes.

23 **Q.** But again no mention at this stage of two victims.

24 **A.** Yes.

25 **Q.** Sticking with that same talk group could we please

22

1 penultimate entry. And it says "%% FIS"; can you assist

2 us with that, please?

3 **A.** So that would be Force Incident Sergeant, so the Force

4 Incident Manager that I mentioned earlier on is the

5 Inspector on the top desk or command team, as we

6 would call it, they would be supported by two sergeants

7 who performed the role of FIS, Force Incident Sergeant

8 and two police staff supervisors, albeit on a given day

9 all five might not be on duty, the minimum staffing

10 would be a chief inspector supported by one sergeant and

11 one manager.

12 **Q.** The reference there to FIS, does that mean that FIS has

13 entered this information, or is it for his attention?

14 **A.** It's from the FIS.

15 **Q.** Are you able to assist us with who that was on the

16 night?

17 **A.** I think there were two on duty, so Sergeant John

18 Straszewskyj, and Sergeant Gavin Berry, and I believe

19 this was Sergeant Gavin Berry.

20 **Q.** Were they in the Control Room or somewhere else?

21 **A.** They were in the Control Room co-located with Chief

22 Inspector Mather.

23 **Q.** It says:

24 "This is a report of a stabbing. Officers to attend

25 and activate [body-worn video] Obtain an account from

24

1 the victim Secure accounts from witnesses Early CCTV
2 enquiries to be conducted Search to be conducted for any
3 weapon Locate and secure a scene if necessary Early obs
4 for potential offenders considering cross
5 contamination."

6 Who is this intended for, so far as you're aware?
7 **A.** It's provided advice and guidance to the officers
8 responding and the dispatchers in the Control Room who
9 are coordinating that response and also the supervisors.
10 **Q.** How would that information be communicated to the
11 officers who attend?
12 **A.** It could either be relayed by the dispatch over the
13 radio or whilst attending they can access incident logs
14 on their mobile phones or on their laptops.
15 **Q.** We're going to listen again to a talk group; this is
16 1199, so the specialist officers, and that's
17 NGPF0004722.

18 **(Audio played)**

19 Our note of this is 4.07 am. Do we hear there
20 CI Mather --
21 **A.** Yes.
22 **Q.** -- reminding ARV officers to use body-worn video; is
23 that right?
24 **A.** Yes.
25 **Q.** Then PC Marshall responds asking for the direction of
25

1 the city centre.
2 **A.** On the edge of the city centre.
3 **Q.** Thank you. To the east of Ilkeston Road?
4 **A.** Yes.
5 **Q.** Thank you. If we could please bring up on to screen
6 NGPF0007945. There's also reference to a tunnel near
7 Park Gate. Can you assist us -- not looking at this
8 particular document, we may hear it in due course -- is
9 that also the same area?
10 **A.** It's very close by. There's a sort of gated estate
11 called The Park which is an affluent area very close to
12 the city centre, and The Tunnel is one of the entrances
13 to that area of the city.
14 **Q.** Again, near the cathedral area.
15 **A.** Yes, very close, very close.
16 **Q.** Thank you. This is the Incident Log for that particular
17 phone call and we can see there it is incident number
18 69.
19 **A.** Yes.
20 **Q.** So now we have two incidents: one 65 --
21 **A.** Yes.
22 **Q.** -- we're also given 66, but changed to 65 --
23 **A.** Yes.
24 **Q.** -- and 69.
25 **A.** Yes.

27

1 travel?
2 **A.** *(unclear)*.
3 **Q.** Did you hear that?
4 **A.** I heard the comment. I didn't hear clearly enough if
5 I could say it was PC Marshall.
6 **Q.** Thank you. We then have another 999 call at 4.08, and
7 that's NGPF0002222.

8 **(Audio played)**

9 So this a call from an off-duty police officer --
10 **A.** Yes.
11 **Q.** -- and he has said there's an incident somewhere in the
12 region of Derby Road.
13 **A.** Yes.
14 **Q.** Am I right to say that is to the south of Ilkeston Road,
15 a road that leads to the city centre?
16 **A.** It is a road that leads from Ilkeston Road to the city
17 centre. I probably would have said it was to the east
18 rather than the south, but --
19 **Q.** It leads east towards the city centre.
20 **A.** Yes.
21 **Q.** But it's quite a major road.
22 **A.** It is.
23 **Q.** There's reference there to the cathedral.
24 **A.** Yes.
25 **Q.** So that is a cathedral that you would say is essentially
26

1 **Q.** We see there:
2 "Off duty officer been woken up by female shouting
3 get off me get off me".
4 In fact, some of those beeps we heard are just
5 language rather than personal details.
6 **A.** Exactly, yes.
7 **Q.** Thank you. Could we then go back to NGPF0010192,
8 page 35. Thank you. On the left-hand side -- we're now
9 at 4.08, so after or around the same time as that call,
10 that call was 4.08, as well.
11 **A.** Yes.
12 **Q.** We have there, on the left-hand side, the image of
13 Ilkeston Road. The blue dot is where Barney is and the
14 pink dot is where Grace is found; is that correct?
15 **A.** Yes.
16 **Q.** We can see there on the right-hand side that by that
17 time, 4.08, there are at least two police cars at the
18 scene?
19 **A.** Yes.
20 **Q.** We know that PC De'ath and PC Jackson provided first aid
21 to Barney; is that right?
22 **A.** Yes.
23 **Q.** Thank you. I'm going to bring again another talk group,
24 it's talk group 7 again, so we're back to talk group 7,
25 NGPF0005092, also our timing is 4.08.

28

1 (Audio played)
 2 Thank you. So we hear on this talk group that
 3 a female has also been stabbed.
 4 A. Yes.
 5 Q. We heard earlier the 4.03 999 call which referred to
 6 a male and a female.
 7 A. Yes.
 8 Q. Now, of course, allowing for discrepancies and timings,
 9 it seems as though this is the first message over the
 10 talk group where two victims are referred to; is that
 11 right?
 12 A. Yes, I believe so, although the 4.03 is the time at
 13 which that call commenced --
 14 Q. Yes.
 15 A. -- and it lasted many minutes, yeah.
 16 Q. Absolutely. So it's approximately five minutes after
 17 the very beginning of the first phone call.
 18 A. Yes.
 19 Q. Or thereabouts --
 20 A. Yes.
 21 Q. -- allowing for discrepancies within the minutes.
 22 A. Yes, yeah.
 23 Q. Thank you. In fact, it's within the same minute as
 24 police arriving, essentially.
 25 A. Yes.

29

1 group, 1199, to two victims; is that right? If you're
 2 not able to assist on that --
 3 A. Yes, I'm sorry, I'm --
 4 Q. That's fine. Also at 4.08, dog handler PC Whysall
 5 communicated that he was heading to the area. We don't
 6 need to bring that to the screen. That's NGPF0004725.
 7 We're going to hear a little bit about dog handlers.
 8 Can you assist us: do they have the dogs in the back of
 9 their cars or are they just people who are also dog
 10 handlers?
 11 A. Yeah, so they have their dogs in the back of their cars.
 12 So the dog handlers in Nottinghamshire are full-time dog
 13 handlers. That is only the role they perform. In the
 14 main they would drive an estate car which would have
 15 a specific police dog cage in the back where the dog
 16 would sit, and the officers would drive the car, deploy
 17 to the incidents and then consider whether or not they
 18 needed to use the dog.
 19 Some of our dog handlers would have two dogs, so
 20 they'd have what's called a general purpose dog that
 21 could do scent detection but also deal with aggressive
 22 subjects, and also perhaps a specialist scent detection
 23 dog who might have skills in respect of drugs, cash,
 24 firearms and other specialisms.
 25 Q. In general, would you say that the dog handlers who are

31

1 Q. Could we please have NGPF0004724. This is around 4.08.
 2 (Audio played)
 3 Thank you. So PC Speeden asks in that audio if
 4 armed authority was being considered, and CI Mather
 5 states that victims are the priority, initially; is that
 6 right?
 7 A. Yes, it sounded to me that PC Speeden said, "I take it
 8 we're not considering armed authority," so slightly
 9 different than asking the question; he seemed to
 10 presenting his own perception to some extent.
 11 Q. Thank you. Perhaps we can replay it. That's
 12 NGPF0004724.
 13 (Audio played)
 14 Does that assist you at all? Does that make it any
 15 clearer or not, insofar as PC Speeden's request?
 16 A. Well, yes, I think what I'm hearing PC Speeden say is
 17 "I take it we are not considering armed authority to
 18 search for the offender" which -- that's what I think
 19 I'm hearing, which I think is slightly different to what
 20 you presented which was PC Speeden asking for an armed
 21 authority.
 22 Q. Thank you. There is in that call a reference to the
 23 second victim. I think --
 24 A. Yeah.
 25 Q. -- this is the first reference on that particular talk

30

1 attending this incident would be capable or assisted by
 2 those dogs in the carrying out of a search?
 3 A. Yes, absolutely. I'd go a bit further than that and say
 4 our dog handlers are our most equipped and well-trained
 5 people to assist with the search.
 6 Q. Thank you. Paragraphs 163 to 165 of your witness
 7 statement, we don't need to bring it up onto the screen,
 8 you say that PS Elliot, PC Widdowson and PC Knowles
 9 arrived at Ilkeston Road, that they assisted in various
 10 ways with respect to first aid.
 11 A. Yes.
 12 Q. At 4.09, PC Skenderaj, is it? Is that how you pronounce
 13 the name? I'm not sure.
 14 A. I'm sorry, I can't assist.
 15 Q. PC Bird also arrived, initially also providing first
 16 aid; is that right?
 17 A. Yes.
 18 Q. Also at 4.09, officers have provided an update on
 19 Barney's injury, and a category 1 response from EMAS is
 20 requested.
 21 A. Yes.
 22 Q. That's over talk group 7. We don't need to bring it up,
 23 but the reference is NGPF0005094. Can you assist us
 24 with the CAT1 response from EMAS? We've heard the two
 25 999 calls.

32

- 1 A. Yes.
- 2 Q. Do they not directly link up with the emergency
3 services, ambulance services as well?
- 4 A. So when somebody calls 999, initially that call would be
5 handled by BT and that occurs at a national level, and
6 they would determine the person's location, which
7 emergency services they're requiring and connect them to
8 the appropriate emergency service, and indeed police
9 force.
- 10 In this case, the callers were connected to
11 Nottinghamshire Police and it would be ordinary practice
12 in my understanding that we would then contact the
13 ambulance service where we felt it was necessary, but
14 the ambulance service would not receive or be able to
15 listen to the calls which our call handlers were dealing
16 with.
- 17 Q. So at 4.09 where we have a category 1 response and EMAS
18 being requested --
- 19 A. Yes.
- 20 Q. -- that's an officer saying essentially, "Can we have an
21 emergency ambulance."
- 22 A. Exactly.
- 23 Q. Thank you. Ordinarily, would a call handler also be
24 able to call for the emergency ambulance or is it left
25 to the officers attending at the scene?

33

- 1 inspector. So there are two on -- or there were two on
2 in Nottinghamshire at that time, one for the city area,
3 one for the county area, and Pete Shaw was the response
4 inspector for the city area.
- 5 Q. What is the role of the response police inspector?
- 6 A. So the police rank structure is constable, sergeant and
7 inspector. So sergeants would usually manage teams of
8 ten to 15 officers; inspectors might manage a team of
9 five to ten sergeants and the constables that fall
10 underneath them.
- 11 Their role is to provide a senior oversight and
12 guidance in responding to incidents and calls from the
13 public.
- 14 Q. What is their role vis à vis those in the Control Room?
- 15 A. Erm --
- 16 Q. How are they different to each other?
- 17 A. In terms of the supervisors in the Control Room?
- 18 Q. Yes.
- 19 A. So the sergeants and inspectors that work on area or in
20 our communities directly line manage the constables.
21 They are able to monitor the jobs from the station over
22 their computers or remotely via the laptop, or indeed
23 attend in person, and that's probably the key
24 difference, that the frontline supervisors can attend
25 incidents, as it was in this case, to provide on the

35

- 1 A. In an emergency, where it was evident at the time of the
2 call, usually a call handler would ask a colleague to do
3 that at the same time as then continue to take details
4 for the policing incident.
- 5 Q. Thank you. Can we bring back talk group 7. That's
6 NGPF0005096. Also our timing on this is 4.09.
- 7 **(Audio played)**
- 8 We have there PC Elliot requesting firearms support
9 for first aid. Can you assist us with that, please?
- 10 A. Yes, so our firearms officers are trained to a higher
11 level of first aid, and they also carry additional
12 specialist equipment than response officers. So it's
13 common practice for response colleagues to seek support
14 from armed colleagues where they're dealing with serious
15 injuries and an ambulance is not yet in attendance.
- 16 Q. Thank you. By 4.10, PS Hallam and PC Graham have
17 arrived on the scene, and at 4.10 the Incident Log
18 records that PC Shaw (*sic*) had been informed. Can you
19 assist us with what PC Shaw's role was that evening?
- 20 A. Can I refer to my statement? I can't recall PC Shaw.
- 21 Q. You can. It's paragraph 205 of your statement, if that
22 assists.
- 23 A. Thank you. Oh, Inspector Shaw.
- 24 Q. Ah, sorry. My apologies.
- 25 A. So Pete Shaw was what we call the RPI, response police

34

- 1 ground specific direction and coordination of police
2 resources. The Control Room do that remotely from
3 police headquarters.
- 4 Q. Do they generally, and we don't need to focus on this
5 particular incident, but in general, do they liaise,
6 then, with the Control Room in respect of management of
7 the operations on the ground?
- 8 A. Yes, it's not common practice for every single incident,
9 but certainly serious and complex incidents, that would
10 be common, yes.
- 11 Q. Thank you. A minute later PC Clarke and
12 PC Brady-Johnson arrived on Ilkeston Road. That's in
13 your statement at paragraphs 183 and 184, we don't need
14 to go to it. Then we're going to go to talk group 1199,
15 that's a specialist officers, NGPF0004732, please, and
16 this is around 4.11.
- 17 **(Audio played)**
- 18 Q. Do we there hear PC Speeden communicating, is it with
19 the Force Incident Manager, Chief Inspector Mather?
- 20 A. I didn't hear Chief Inspector Mather on that
21 transmission, so I think PC Speeden is communicating
22 with the Control Room and he gets a reply from the
23 dispatcher, but the message he intends -- or he conveys,
24 is for the attention of the Force Incident Manager, and
25 indeed the reply confirms the incident manager is

36

1 listening, but I didn't hear Chief Inspector Mather in
2 that interaction.
3 **Q.** Thank you. In that message, PC Speeden is raising
4 concerns regarding the offender's whereabouts.
5 **A.** Yes.
6 **Q.** Around this period, a search was also taking place at
7 316 Ilkeston Road to ensure that there weren't any
8 victims inside the property; is that right?
9 **A.** No, that happened slightly later.
10 **Q.** Thank you. If we could play, then, two further talk
11 groups, and that is NGPF0004736 and then straight after,
12 NGPF0004737.

13 **(Audio played)**

14 This is talk group 1199, it's PC Crabtree and he's
15 asking where the suspect was heading towards, and is
16 told towards the city centre; is that right?
17 **A.** Apart from PC Crabtree is a female officer.
18 **Q.** Ah, thank you.
19 **A.** But yes, that is what she asks and that's what she's
20 told.
21 **Q.** Could we please return, then, to NGPF0007971, and
22 page 7. At the bottom of that page we're now at 4.18,
23 and we see there "FIM - RPI is at scene. Golden DI has
24 been briefed by Sierra 2."
25 Can you assist us with what that means.

37

1 an investigative perspective, to ensure matters which
2 pertained to the onward investigation of that, and
3 ultimately seeking to achieve a criminal justice
4 outcome, bringing somebody to justice, identifying and
5 arresting an offender, is achieved through prompt,
6 effective actions at the scene.
7 **Q.** Thank you. We're going to listen to talk group 1199
8 again. Can we -- can I ask for two further messages to
9 be played: that's NGPF0004742, and NGPF0004743.
10 **(Audio played)**
11 Thank you. So that's around 4.19. There's another
12 mention somewhere else of 4.20, so 4.19/4.20, those two
13 messages --
14 **A.** Yes.
15 **Q.** -- are over the talk group. That's PC Marshall
16 providing an updated description --
17 **A.** Yes.
18 **Q.** -- and we have "all in black", fat build, going up
19 Ilkeston Road and turning left into the estate, and
20 there's reference there to Hopedale Close.
21 **A.** Yes.
22 **Q.** Perhaps we could bring up on to screen the very first
23 document that we went to, so that is NGPF0010192,
24 page 19. We see there the green area is the tree area
25 where VC is believed to have been between 3.29 and 3.30,

39

1 **A.** Yes, so "FIM" means it's a message from the FIM, so
2 I take it this has been put on by Chief Inspector
3 Mather. RPI refers to Inspector Shaw, that we've
4 referenced, and his arrival at the Ilkeston Road.
5 "Golden DI" means that on a night shift, as this was, we
6 would have a nominated -- I think it was on duty at that
7 time, I think it's on call now -- detective inspector
8 who would be a senior investigator who could attend and
9 provide specialist oversight for investigations, and
10 what this is saying is that the detective inspector has
11 been briefed by Sierra 2. Sierra 2 is a reference to
12 the FIS, force incident sergeant.

13 So as I outline in my statement earlier on, the RIM
14 also known by the callsign Oscar 1; the sergeants are
15 know by the callsign Sierra 2.

16 **Q.** On this particular evening the Golden DI was DI Dowson.
17 **A.** Correct.
18 **Q.** Can you briefly outline the role of a Golden DI in
19 respect of the investigation?
20 **A.** Yes, so the golden element only refers to the person on
21 duty for the whole Force on a night shift, so that's not
22 a specific role or specialism; it just means DI Dowson
23 was the person on duty that night. Her role as the
24 senior detective would be to be aware and oversee our
25 initial response to serious incidents from

38

1 and there's an alleyway next to that, and Hopedale Close
2 is to the north of Ilkeston Road down that alleyway; is
3 that right?
4 **A.** Yes.
5 **Q.** So in respect of that series of messages, am I right to
6 say that the suggestion is that VC may have been
7 travelling north?
8 **A.** Yes.
9 **Q.** Not in fact towards the city centre?
10 **A.** Yes.
11 **Q.** So compared to those previous messages, this is a new
12 direction that's provided?
13 **A.** Yes. I -- to my understanding this is the first time we
14 received information that indicates he was not going
15 towards the city centre.
16 **Q.** Thank you. If we could go back, then, to the incident
17 details. That's NGPF0007971 and page 8. At the bottom
18 of page 8, there's an entry in the Incident Log at 4.22:
19 "Suspect [5-foot nine, 5-foot ten], black male, fat,
20 all in black, hood up, knife placed inside a man bag."
21 There is a new description added there to the
22 Incident Log; is that right?
23 **A.** Yes.
24 **Q.** Can we then please go back to NGPF0010192, and we're
25 going to look at where VC was around this time.

40

1 A. Yes.

2 Q. We'll start, please, on page 36.

3 Thank you. So we're now going back in time after

4 the attack.

5 A. Yes.

6 Q. We're at 4.02 is the approximate time, so the time shown

7 actually on the photograph is not correct. The police

8 assessment is that it's around 4.02.

9 A. Yes.

10 Q. VC makes his way along Ilkeston Road towards Hopedale

11 Close and the rucksack can be seen in his hands. So the

12 direction of travel as communicated over the radio that

13 we've just heard is, in fact, correct; is that right?

14 A. Yes, that was established through CCTV inquiries that

15 subsequently took place as part of the murder

16 investigation, is my understanding.

17 Q. Absolutely. So the update in the communication with

18 PC Marshall that the perpetrator was going up Ilkeston

19 Road, turning left into the estate, and the reference

20 there to Hopedale Close, upon further post-incident

21 examination of CCTV we can see that that was in fact

22 correct?

23 A. Yes.

24 Q. Thank you. If we could turn, then, to page 37 and

25 perhaps we could zoom in on the left-hand side of the

41

1 Q. If we could perhaps go back to NGPF0010192, page 38.

2 **THE CHAIR:** Mr Blake, any time that you think is

3 appropriate.

4 **MR BLAKE:** Thank you very much. Well, we'll just deal with

5 this page and then we can break.

6 **THE CHAIR:** Yes, thank you.

7 **MR BLAKE:** We can see here VC is travelling, he's turned now

8 eastwards, heading towards Brook Court; is that right?

9 A. Yes.

10 Q. So we see going down Prospect Street, Player Street, and

11 at 4.15 he's at Brook Court.

12 Now, we've heard about Brook Court in relation to

13 previous incidents involving VC. Are you able to assist

14 us, is that the same Brook Court?

15 A. I believe so, but I'd made that assumption having

16 observed some of the earlier evidence.

17 Q. Yes. At the bottom right-hand side of the picture,

18 I don't think you can see the words there, but it says,

19 "The Student Lodge".

20 Thank you. In fact, we'll just go to one more page,

21 page 39, before we break.

22 VC then travels down Thurman Street, then initially

23 heading north down Birkin Avenue, but he turns and heads

24 down Holland Street at 4.22; is that right?

25 A. Yes.

43

1 screen. Thank you. We can see VC's direction of

2 travel. We see the area of the attack at the bottom in

3 yellow, and he's heading up north. As we've

4 established, the city centre is, in fact, to the east --

5 A. Yes.

6 Q. -- and VC at this stage is heading north; is that right?

7 A. Yes.

8 Q. And is heading in the broad direction of, in fact, where
