THE NOTTINGHAM INQUIRY

WITNESS STATEMENT OF [WITNESS G]

I, [WITNESS G] will say as follows: -

1. I am Head of Physical Security at the Security Service (MI5). I have been in my role since I joined MI5 on 15 Aug 2022. This is my first role in MI5, having previously worked in the Civil Service.
2. This witness statement is made to assist the Nottingham Inquiry in relation to an individual's attendance outside Thames House on 31 May 2021.
3. In order to make this statement I have reviewed MI5's security log for 31 May 2021 which records the following information:
 - a. At 17.00 hours an IC3 male aged 35-45 with short dark hair, a beard and glasses dressed in black clothing attended Thames House main entrance. He pressed the intercom claiming to have information regarding a case and wanted to be arrested but would not give any more information. He was advised by security staff to try to make an appointment via the website or if urgent to go to the police.
 - b. At 17.04 hours he moved on to another entrance, using the intercom to make the same request and the same response was provided by security staff.

- c. At 17.19 hours the police were called by security staff as he had continued to remain outside Thames House.
- d. At 17.21 hours the police arrived and spoke with him. The individual would only provide the police with an address in Nottingham. No other information was provided.
- e. At 17.27 hours the individual and the police left the scene.

Statement of Truth

I believe that the facts stated in this witness statement are true. I understand that proceedings may be brought against anyone who makes, or causes to be made a false statement in a document verified by a statement of truth without an honest belief in its truth.
