5 **MS LANGDALE:** You tell us in your first statement about
6 events in 2022 and 2023. If we can have, please,
7 WITN0085001, page 25, on the screen. Page 25,
8 paragraph 85. The last time you saw VC was on
9 5 November 2022; is that right?
10 **A.** That's right.
11 **Q.** So can you tell us about that and how he was?
12 **A.** Oh, I was on my way to Birmingham with my daughter for
13 concert, and he phoned, and then his sister told him we
14 were going to Birmingham for the concert. And so then
15 he decide, he told me I wasn't supposed to let her go on
16 her own to a concert, and then he decide to coming.
17 At this point, I didn't -- my daughter didn't know
18 Elias was coming to the concert because it was supposed
19 to be a surprise. So Valdo didn't know, as well,
20 because I couldn't tell him, my daughter wasn't going to
21 a concert on her own, she was going with Elias, because
22 then I would have spoilt the surprise. So he got
23 worried, and he joined us then in Birmingham for that
24 reason.
25 **Q.** You say there was a kind of an emptiness in him, but he

1

1 wasn't anything else I could have done. I just look at
2 him, and it just break my heart every time I look at him
3 because there wasn't life in him. He was really, like,
4 until this point when you look at him, because if you
5 look at his brother, Elias now, you can see he has got
6 muscle, you can see his build. Valdo was like that and
7 when I looked at him there was nothing to him. There
8 wasn't, like, life, we look at a person, we look at his
9 face, his appearance. It was just empty. Because when
10 you look at someone and they've got some life, you can
11 see some, a little bit joy, some, when you interact with
12 the person, he was somebody that used to like to joke
13 with his brother and things like that. There wasn't
14 nothing, and I just thought: you know what? I just have
15 to get used to that, because that was my son -- it
16 wasn't my son that I knew, this is my new son, so I just
17 have to adjust to it.
18 **Q.** Paragraph 88 you say:
19 "[He] didn't come home over Christmas 2022 but at
20 some stage ... sent [you] a large .zip file of
21 documents."
22 We've seen those, they're now in an Inquiry Legal
23 Team document. Did you open or look at those documents
24 at the time?
25 **A.** I think I look at some of it, but it was just sort of

3

1 was presentable, washed and clean, and able to show you
2 around the city?
3 **A.** Yes.
4 **Q.** You continued to have contact every week or every few
5 weeks and you felt you had to adjust to the new person?
6 **A.** Yes.
7 **Q.** Tell us what you mean by that.
8 **A.** What I mean by that, because until this point all my
9 concern, they reassuring me he was fine, nothing was
10 wrong until there was a crisis, and that's when he was
11 poorly. And so I just have to adjust, even though
12 I know who Valdo was, because he's my son.
13 So when I look at him, as I say, emptiness. He
14 wasn't the same person. Just looking at him as
15 a person, there wasn't anything there. He wasn't the
16 Valdo that I knew, that I raised in my house. He wasn't
17 that Valdo when I look at him.
18 He was empty. He was just -- now, when I listen to
19 the experts talking, the blank they talking, that's what
20 I was talking, emptiness, but I didn't know what it was.
21 That's my -- my understanding to say he was just empty.
22 There was nothing there.
23 But I just thought: okay, because of these episodes
24 of psychosis, first episode, second episode, third
25 episode, that was the one I was to adjust to. There

2

1 lengthless. Just to navigate through that document,
2 it's quite like a big document, and I think I read the
3 one he asked me to read first.
4 **Q.** ReadMeFirst?
5 **A.** Yes, so read that, and I thought whatever was coming
6 through that, it was the conversation, him was trying to
7 convince me, the government, everyone was after him, the
8 Mental Health Service, the police, this conspiracy.
9 And after reading that one, I thought, do you know
10 what, I can't. I can't carry on reading this file,
11 because just, as a person, just to try to read and that,
12 to try and understand. It was beyond my understanding
13 to try to understand that file because it was exactly
14 what he's been telling me the last two years. Just like
15 now, he finds something to convince me he wasn't ill,
16 which he's been doing the last three years. It wasn't
17 nothing new, so I thought, you know what? I've already
18 heard this, we've already had this discussion, we've
19 talked about it before and it's him just trying to get
20 into my mind to say -- to agree with him, which is
21 I didn't agree all the time he has been poorly.
22 **Q.** Elias explained the frustration of having to keep
23 responding with the same script about that, that that
24 could not be happening.
25 **A.** Yes.

4

1 Q. Is that how you felt?
 2 A. That's how I felt.
 3 Q. You say at paragraph 89, you knew your sons weren't
 4 really talking between September 2022 and June 2023:
 5 "Elias thought [he] was just being stubborn and he
 6 found this really frustrating as he thought [he] wasn't
 7 being respectful".
 8 Respectful to this parents; is that right?
 9 A. Yes.
 10 Q. To you.
 11 You say you didn't know he'd assaulted two
 12 colleagues in May 2023 and that the police had been
 13 called. You didn't know about that until the Inquiry?
 14 A. No, I didn't know about that until everything happened.
 15 That's when I heard about it.
 16 Q. Did you know about the warrant for his arrest that was
 17 issued?
 18 A. No. I didn't know that either.
 19 Q. Nobody contacted you, not that you knew where he was
 20 then --
 21 A. No.
 22 Q. -- but nobody contacted you having had a consistent
 23 address?
 24 You comment on VC's risks, and say at paragraph 92:
 25 "In terms of ... others, I knew about the two

5

1 Again --
 2 A. To explain the risks, what is the level of his risk was,
 3 somebody to explain to me, because everything I was
 4 talking to professionally, it was just what I was
 5 watching in direct risks to what he was causing. That's
 6 what I was concerned about. But people like
 7 a professional to tell me "This is what happened. This
 8 is his risk when he's poorly. This could happen"? No.
 9 Q. You hadn't seen what Dr Seedat said in the note that we
 10 went to earlier?
 11 A. No, I didn't see that until 2024 when I request
 12 a medical record. That's when I saw it.
 13 Q. If we go to page 28 of your witness statement, please,
 14 paragraph 101, events on 12 and 13 June. You were
 15 working on the nights 12 and 13 June, and didn't speak
 16 to VC.
 17 Elias called you early on 13 June and said he had
 18 spoken to VC and he was worried. You say you weren't
 19 able to speak at the time, he couldn't call back.
 20 A. Yes.
 21 Q. Then Elias texted you to say what?
 22 A. I can't remember if Elias texted to say he's spoken to
 23 Valdo again. I can't remember without seeing my texts
 24 with Elias.
 25 Q. Let's have look at the text WITN0085005, page 1. It's

7

1 [other] incidents before his admissions ..."
 2 As we've seen through the records, you were
 3 identifying that there was a risk to neighbours, or
 4 maybe and it needed assessing, weren't you?
 5 A. Yes.
 6 Q. You've referred people to that, and you say at
 7 paragraph 92:
 8 "I knew about ... two incidents in May and July ...
 9 when he'd gone into ... people's apartments ... never
 10 been told much detail ... I ... thought of this as him
 11 reacting to voices or delusions rather than him being at
 12 risk of randomly attacking somebody".
 13 Or "someone".
 14 It was random from the neighbour's point of view,
 15 wasn't it, if he barged in, because they wouldn't know
 16 why or what?
 17 A. Yeah, but from my understanding of (*unclear*) is because
 18 he's just like -- it's not like he was in the street or
 19 doing stuff and then he just, like, randomly attacking
 20 people. That's what I understand. That's what I meant.
 21 Q. That he was responding when he was unwell to neighbours?
 22 A. Yes.
 23 Q. You say:
 24 "No professional [paragraph 94] ever told me [VC]
 25 was a risk to other people."

6

1 in Portuguese, but we know, for those that have the
 2 statements, it's in English as well. If we go to that.
 3 We see 4.55 Elias texts you, what does that text say?
 4 You see --
 5 A. The first text yeah?
 6 Q. Yes. Yes.
 7 A. What is mean here? Elias told me, he called me now and
 8 he told me "This is the last time I'll speak to you".
 9 The first one. And then Elias went up, asked him.
 10 Q. So he says:
 11 "Elias said he'd just rang me and said that was the
 12 last time he'd speak to me". (*As read*)
 13 A. Yes.
 14 Q. "I asked him if he was going to be stupid and he said it
 15 had already been done". (*As read*)
 16 A. Yes.
 17 Q. Is that what the second text said?
 18 A. Yes.
 19 Q. But you then tell us you typed, "I'll tell you later"
 20 but meant "I'll call you later"?
 21 A. Yeah, "I'll call you later."
 22 Q. "Call you later." He says, "Okay". (*As read*)
 23 You respond, he isn't answering; is that right?
 24 A. Yes.
 25 Q. -- (*overspeaking*) --

8

1 A. Yeah, and I tried to call him and he didn't answer.
 2 Q. Elias says:
 3 "So maybe there isn't really anything else to be
 4 done." (As read)
 5 Is that the next text to you?
 6 A. Yes.
 7 Q. What's the last text to you?
 8 A. This last one he's telling -- I think his phone is
 9 switched off.
 10 Q. What was your thought at the time --
 11 A. Because --
 12 Q. -- at 5.55 when you get the first two texts:
 13 "He rang me to say it was the last time he'd speak
 14 to me. Asked if he was going to do something stupid.
 15 He said it had already been done." (As read)
 16 What did you think about that?
 17 A. When Elias told me about that, what I thought he must
 18 have taken something to end his life because he's
 19 already telling "oh, this is the last time I'm going to
 20 speak to you". And then he asked him: "Are you going to
 21 do something stupid?" Saying it's already done. That's
 22 what I assume from there.
 23 Q. That can come down, please. You had a conversation,
 24 then, with Elias, you tell us in your statement at
 25 paragraph 102, around 6.45 am. What was that

9

1 kind of like work with him, someone that speak
 2 Portuguese, so for him to catch up. But he was, like,
 3 quite excited, just like now he's on a new -- going to
 4 learn English language properly, yeah.
 5 Q. You tell us in your second statement at paragraph 21:
 6 "[He] struggled to make friends ... He would still
 7 play football with people in the local park but I am not
 8 sure if they were from his school or ... [another]
 9 school."
 10 Did you ever see him with a good friend, a proper
 11 friend?
 12 A. I wouldn't say I've seen him with a good friend. I know
 13 he used to hang out with these kids, like, because he
 14 liked football then they would play football in the park
 15 next to where we live. And as well, because he had
 16 Elias to speak to, and there was some young people in
 17 the church at the time that they used to, like, once
 18 a week, have some, like, this gathering(?) in between --
 19 with the youngest(?).
 20 Q. He attended a youth church group once a week, from some
 21 time after when you arrived in Wales until he was nearly
 22 18, didn't he?
 23 A. Yes.
 24 Q. Did that cause family arguments, that he didn't want to
 25 continue going to church?

11

1 conversation about?
 2 A. I just wanted to know if he had spoken to his brother
 3 again, because I phoned him, then he didn't answer.
 4 Because all of these conversations, like, I was working
 5 that night. It was just like short conversations
 6 between me and Elias. I don't know how long was the
 7 conversation, but I don't think it would be that long.
 8 I could be, like, on a break that time, I can't remember
 9 well. So I just wanted to know, really, what happened.
 10 Q. Thank you. That can come down from the screen.
 11 Some questions from your second statement, please.
 12 You moved to Wales in August 2007, shortly before VC's
 13 birthday and he moved to school, didn't he, along with
 14 his siblings, to Wales.
 15 Q. He had to go down in two years of classes, didn't he,
 16 because he didn't speak English as a first language?
 17 A. Yes, that's correct.
 18 Q. Which isn't particularly common in England and Wales, to
 19 be in groups younger than yours. He was two years older
 20 than him. How did that affect him, do you think?
 21 A. The only thing I would say is affected him is kind of
 22 like making friends because he was a little bit older.
 23 I think that's the thing that I would take from that is
 24 affect him more. Because at that time there was someone
 25 in school that used to take him like out of class, so to

10

1 A. I wouldn't say family arguments. I think the argument
 2 will be more like myself and my husband wanting him to
 3 come to church, because Valdo is not a person to argue,
 4 really, because he's quite, like, he's a very passive
 5 person, since he was growing up in Portugal. He had
 6 a lot of friend, he make joke, but he's not somebody
 7 that is going to enter into arguments, kind of thing.
 8 It would be like more like, for me and my husband it's
 9 quite important, because in the church you have
 10 a community and in moving to a different place it's
 11 quite like a base. If you go there, you have other kids
 12 that's from the same back -- like, you just have
 13 a community. So it's a good base when you move to a
 14 country when you don't know many people, and then that's
 15 a place to start. That was the only thing, like trying
 16 to ask him in the morning to come to church with us,
 17 trying to convince him.
 18 But as he was 18 then, as a parent, we try for few
 19 times. It was more me than my husband, and then we
 20 thought: you know what, it's not worth it, trying to ask
 21 someone to do something they don't want to. He's 18
 22 now. So we just kind of say -- we just left him. He
 23 doesn't want to come. That's fine by us. So we just
 24 carry on going, me and the other two kids and my
 25 husband.

12

1 **Q.** In terms of him not liking boundaries, were there any
2 other ones he didn't like around chores, or maybe not
3 being able to watch television, or other things that you
4 imposed within the house?

5 **A.** I'd say like boundaries, because I've got a rule in my
6 house: we have one TV. No TVs in the bedroom, and then
7 that's the rule, because I think it's important for us
8 to sit together. Once you have two TVs in the house,
9 then that's it, everyone can -- if you can watch
10 something that I don't like it, then I will go and watch
11 somewhere else. And that's always been my rule in my
12 house: no more than one TV.

13 So we work around that. If you're watching
14 something I don't like, so we have to work around it
15 because then that's -- otherwise we don't see each
16 other. Everyone is just in their own space doing
17 whatever they want. That was the rule in my house and
18 it's still today.

19 So I wouldn't say, like, it's breaking the boundary,
20 maybe that wasn't like a proper word to use in that, in
21 that context. That was the -- the probably, I would
22 say, the friction he may like to watch TV in school
23 days, he want to stay up until later and I would say --
24 obviously any parent -- if you go to school tomorrow,
25 you're not going to let your kids watch TV until late.

13

1 **A.** When I talk about that, this episode which I explain in
2 my second statement, because when Doherty phoned me to
3 see everything that happened, and it's been around
4 two months, no one else spoken to me at this point. She
5 was the first person that's spoken to me beside Valdo's
6 legal team. The solicitor would speak to her and try to
7 speak to ask question about Valdo. She was the first
8 person that speak to me, and it was quite like,
9 I don't -- the conversation wasn't that long.

10 So she was asking me questions so I was trying to
11 see: okay, somebody phoned me because from the day when
12 things happen, whatever was in the news, I just wanted
13 people to understand, whatever was going on, it wasn't
14 nothing to do with Valdo because Valdo arrived in Europe
15 he was three and a half years old. He wasn't a migrant.
16 I brought him in. And this is somebody that's been
17 raised in Europe. It's nothing to do with asylum
18 seeker, with what was going on on the TV at that time.

19 And then people in -- I thought they didn't
20 understand about his mental illness, you know what
21 I mean, and then when Doherty phoned me, finally
22 I thought: okay, somebody phoned me from the mental
23 service, they're going to assess Valdo, so I was kind
24 of, like, giving as much information as can. I didn't
25 have time, like, to go through what I was telling her to

15

1 So I want him to go to bed at a certain time or with
2 this chore.

3 The only chore he have, he was like it would be him
4 and Elias, obviously, that we were leaving the house, we
5 all work, we have to share, you know, doing chores in
6 the house. Then the washing the dishes, that is
7 a chore. One would do some, and then one would do it
8 some days. That was it really, basically.

9 And I like to -- because when we used to live in
10 Portugal, we will go to the shopping together, and then
11 I find quite hard when we move here, him not liking to
12 come to shop with me because I'd like him to come
13 because that's our way as well, when we come out of the
14 house, that's the only things that happen.

15 But then he didn't want to as a teenager. He was my
16 first teenager so I need to learn: okay, you can't have
17 teenager doing stuff with you all the time, at some
18 point you have to let go. So I let go.

19 **Q.** He did GCSEs in the summer of 2009 and then completed AS
20 levels around June 2010, and you tell us three grade Cs
21 in English literature, psychology and music. Then he
22 went to Birmingham on this access course.

23 Before he went to Birmingham and at his time at
24 school, was he bullied? That was a word used, you know,
25 from Ms Doherty in the report; bullied.

14

1 explain exactly what happened in Valdo's life, which is
2 I went on to explain in my second statement.

3 **Q.** So you say, in effect, at paragraph 36:

4 "I don't think VC was bullied in Wales, besides the
5 incidents of racial abuse. He was more of an outsider
6 than someone who was bullied."

7 **A.** Yes, yeah.

8 **Q.** So there were some instances of racial abuse?

9 **A.** Like when you're an ethnic minority, you expect it if
10 you live somewhere, you expect to be told go back to
11 your country. But I think that's happened maybe once or
12 twice on the way home from school, and then he told me.
13 Even speaking to Valdo, he -- about it, maybe if I had
14 explained myself properly I wouldn't have used that as
15 a bullying or kind of thing, because people will tell
16 you the first thing -- we read it in the news all the
17 time -- "Go back to your country. This is a type of
18 migrant, we don't want this type." And that happen all
19 the time. It doesn't mean ...

20 **Q.** But you say bullying carried out for a few years while
21 he was at school is not accurate, that's not his
22 day-to-day experience --~(overspeaking) --

23 **A.** That's not accurate because it wasn't a day-to-day
24 experience because that was my first conversation with
25 Doherty. What happened with Valdo -- so I explained in

16

1 my second statement, what happened to him when we first
2 arrived, we lived in Madeira. Madeira is an island --
3 I just want people to understand what I'm talking
4 about -- which is a part of Portugal. When I first
5 arrive in Europe, that's where me and Valdo live, with
6 my husband.

7 So when he started pre-school, and in kids, he was
8 the first African kid in the island. Kids, even myself,
9 never seen an African young man like Valdo. So kids
10 will say, will call him by his colour. So he told me
11 maybe once or twice.

12 So I went to school, because where we live, there's
13 just a road then we crossed to the school, so I went and
14 speak to them, to make them understanding that's not the
15 type of behaviour that can happen. Not me speaking to
16 the kids directly, to the school. So they sort that
17 out.

18 So if I had at that time, when I was talking to
19 Doherty, then I would have gone on to explain what was
20 happening. But at this point I just wanted to give as
21 much information in that short period of time. This is
22 why I thought, okay, in this -- when I was asked for the
23 second statements, so I went on to explain that.

24 And when we moved to Lisbon, Lisbon is still
25 Portugal. We were in an island; now we move to Lisbon.

17

- 1 **Q.** So just explain, you mentioned earlier, was he working
2 late at night? What was his job?
- 3 **A.** Normally, we -- the job will finish when he still
4 studying, the job will finish around 10.00 in the night.
5 That's when the job normally finish. But then when he
6 finished his study, when he was no longer -- when he's
7 finished his sixth form then that could finish sometimes
8 12, 12 pm. But the job was after school hours.
- 9 **Q.** When he was at home living with you and sharing a room
10 with Elias, would he get up in the night, or was he --
11 what sort of routine did he have?
- 12 **A.** I wouldn't say he would get up in the night, because I'm
13 quite a light sleeper since my daughter was born. My
14 sleep just went really light. Even the kids make a joke
15 and say: you just close one eye and the other eye is
16 open. Because I can hear everything. I never hear
17 Valdo getting up in the night and just be walking around
18 the house now. Because we normally come home, between
19 half ten and 11 we'll be home, then that's the time
20 we're just having a shower and then go to bed then.
- 21 **Q.** So to be clear, you were concerned about his mental
22 health around that time when he was at Pembrokeshire
23 College?
- 24 **A.** No. There wasn't any concern, because I used to work
25 with him Monday to Friday and then the weekend. He

19

1 When we arrive to Lisbon everything was fine, because
2 when we arrived we got some already -- we have some
3 friends, some relatives there, kids around Valdo's age.
4 It was fine, he settled straight away in school so he
5 studied until he went to the middle school with the same
6 peers that he studied from his second year in school
7 until he went to the middle school.

8 So in the middle school, they have this thing, when
9 the kids come in, first kids come in, they're in this
10 corridor and then they slap them walking through that
11 corridor, like telling him "You're welcome." And stuff
12 like that, and then his cousin went in and said, "Okay,
13 this is my cousin, just watch out."

14 And then that was it.

15 When I was speaking to Doherty there was so much
16 going on and imagine that was the first person,
17 I thought, okay, at least someone is going to do
18 something about Valdo's mental illness. So I just kind
19 of like just give like a little bit of context of that.

20 That's what happened.

21 **Q.** You tell us in the second statement about him moving out
22 of the family home to Pembrokeshire, when he was still
23 in the sixth form, you say he would have been 19 years
24 of age.

25 **A.** Yes.

18

- 1 basically just move out the house. He just basically
2 sleep somewhere else and then he used to come home and
3 then he used to eat with us and stuff like that.
- 4 **Q.** Is there any significance in the name Adam Mendes? Do
5 you know that name at all?
- 6 **A.** One of my sister's name is Adama. I don't know if
7 that's where he got that name. But as well, Mendes is
8 my family name. My surname from my dad is Mendes. And
9 I think at that point, Valdo just -- because he tell me
10 some point, this thing like the Valdo that he used to
11 be, have die. This is a new Valdo.
- 12 **Q.** Did you know anything about him taking cannabis? He
13 told Dr Mirvis he'd taken cannabis, thought his arm was
14 going to drop off, thought he might die. Did you know
15 about that?
- 16 **A.** No, I didn't know about that until when I got, like, the
17 reports from the psychiatrists. I didn't know about the
18 cannabis. I just hear about it like everyone else,
19 here.
- 20 **MS LANGDALE:** Thank you. Those are my questions.
21 There will be a few more.
- 22 **THE CHAIR:** Yes, thank you.
23 Mr Moloney.
- 24 **Questioned by MR MOLONEY**
- 25 **MR MOLONEY:** Good afternoon, Mrs Calocane.

20

1 In the time between the first admission of your son
2 in 2020, and 2023, did you have concerns that he might
3 take his own life?

4 **A.** Yes, I would say I have concerns because when somebody
5 is dealing with a mental health issue, that's the first
6 concern you have, as a family. I had that concern.
7 That's why, since Valdo had mental illness, my phone is
8 always -- I always answer my phone, even if I don't know
9 who is calling me, I always answer my phone.

10 **Q.** So you'd always answer your phone because you'd had that
11 concern even though you didn't know who was calling you.

12 **A.** Yes.

13 **Q.** But you saw I asked Elias yesterday about your comment
14 where you said that you asked about what the outcome you
15 imagined in to be, and you said: the outcome will be the
16 police knock on my door and say, "We found VC dead
17 somewhere".

18 **A.** Yes.

19 **Q.** That's what you felt would be the --

20 **A.** That was my biggest fear.

21 **Q.** Yes, and we saw yesterday that your husband had the same
22 concerns.

23 **A.** Yes.

24 **Q.** Yes, and indeed, Elias explained that he had the same
25 concerns yesterday.

21

1 May I ask when it was that you discussed that even
2 because Elias said, "We've spoken about this since it
3 happened", when did you discuss? Can you remember?

4 **A.** Because the -- when Elias called me that night -- no,
5 not called me, when Elias text me on the night of the
6 12th and 13th --

7 **Q.** 13th June?

8 **A.** And then, yeah, he told me, told me "It's already done",
9 and I thought okay, Valdo has taken his life since then.
10 That's when we were talking -- when we with Elias saying
11 were talking, that's where everyone just reveal this
12 feeling we were, like, feeling in isolation, everyone is
13 feeling the same. But no one, kind of like, have this,
14 the boldness to bring it to table and say: "Okay, this
15 is what I'm feeling." And then the other person say:
16 "Oh, this is what I'm feeling."

17 **Q.** That was on 13 June that you got the text message, and
18 then you discussed it as a family later.

19 **A.** Yes.

20 **Q.** What your feelings had been all the time.

21 **A.** Yes.

22 **Q.** That he might have taken his life.

23 **A.** Yes.

24 **Q.** That was -- and that discussion was on 13 June.

May I ask you about the text messages, please,

23

1 **A.** Yes.

2 **Q.** May I just ask, did your husband ever say to you, before
3 June 2023, that he had those concerns?

4 **A.** We separated out this concern, but just the idea of,
5 like, talking about it and then discussing it, I never
6 discussed that, because just the fear of, like,
7 accepting like you have a concern, your own son may go
8 on to take his own life, that in itself is so -- it's so
9 heavy, let alone verbalising it.

10 **Q.** So you said you separately had those concerns?

11 **A.** Yes.

12 **Q.** You didn't talk about them.

13 **A.** No.

14 **Q.** And that applies to you, your husband, and Elias?

15 **A.** Yes.

16 **Q.** But then, in -- I also took Elias to a comment he made
17 about, in the interview with Theemis, do you remember
18 that? Where he said to them that "Yes, we have spoken
19 about this since it happened" and he's essentially said
20 just as you've said, "Apparently we all individuals had
21 this exact same fear, but with us it really is like
22 almost like what was the outcome? I was convinced every
23 single time I was on a call with him: I thought this
24 would be the time she would be like oh something has
25 happened to VC and that's it." (As read)

22

1 Mrs Calocane.

2 **A.** Yes.

3 **Q.** You told Ms Langdale that you didn't read the text
4 messages before the Inquiry, and at the time they were
5 sent to you, you didn't have time to read them; is that
6 right?

7 **A.** No, I didn't.

8 **Q.** Did Elias talk to you about the context -- the contents
9 of the text messages before you sent them on to
10 Dr Seedat?

11 **A.** I knew about the voices, but we didn't go into detail.
12 Just to bring it to the context, because at the time
13 when Valdo was poorly, when his first episode of
14 psychosis happen, the world was in a pandemic, and I was
15 with a lot of anxiety. And I think Elias didn't share
16 that with me, that's just the full content, to kind of
17 more like protected me. It's not like he's just decided
18 "I'm not going to tell Mum this", because imagine, I was
19 already suffering quite a lot with the anxiety or
20 whatever was going on. We have to go to work, and
21 I have to deal with the viruses, and things like that.

22 And then him handing that on to my plate, I think
23 that's the only reason he didn't tell me about that.

24 **Q.** So Elias didn't speak to you about the concerns he had
25 from the text messages; is that right?

24

1 A. No, Elias didn't talk me through the concern about Valdo
2 taking his life, but when we -- when Valdo becoming
3 poorly, when we look back, when he was telling us, like,
4 the love, because we were concerned about that kind of
5 message, just him texting us saying, "Oh, I love you".
6 Because when we talk that's when we talk "Oh I love you"
7 or when we finish our phone call, but then just him just
8 like out of blue just texting all of us here, "I love
9 you", that's when we could see the context of that. It
10 could be that when he was texting that "I love you" he
11 may have been thinking about that and then that's where
12 I got my idea, it could be that's where we're heading to
13 one day.

14 Q. Yeah. But just to clarify, if I may, did Elias talk to
15 you about his concerns -- he didn't tell you about VC
16 taking his life, but did he talk about other concerns
17 that he had from the text messages?

18 A. What you mean? Which --

19 Q. Any concerns, any worries he'd had about what he'd seen
20 in the text messages?

21 A. That's why we send those messages to the doctor, because
22 he was concerned about his brother, mental state.
23 That's why after Valdo being in hospital, three days
24 after that, those text messages was sent to the treating
25 psychiatrist.

25

1 the "Family/carers involvement", that fourth line down:
2 "[VC] has been speaking to his brother for some
3 time, saying that he has been hearing voices since ...
4 He has told his brother that he believes that his family
5 is in danger. [VC] told his brother that some people
6 are coming after his family. [VC] has not told his
7 brother that the voices have told him to harm himself or
8 anyone else."
9 So was that more detail that you knew, Mrs Calocane?

10 A. What do you mean?

11 Q. Well, there we see, don't we, that:
12 "... been hearing voices since ... 2020. ...
13 believes that his family is in danger ... told his
14 brother that some people are coming after his family.
15 ... [he's] not told his brother that the voices have
16 told him to harm himself or anyone else."
17 A. Well, Valdo has been hearing voices, 2020, that's when
18 he was admitted to hospital, isn't it?

19 Q. Of course, yeah. This is you were saying -- you're
20 talking -- this is on 28 May. You've said on 26 May
21 that you'll send the messages to the hospital, and this
22 is on 28 May and you're talking about what VC has been
23 saying to his brother for some time.
24 So did you know more about those details as well?

25 A. Because this was written there, I must have known those

27

1 Q. So you knew about some of the content but not all of the
2 content?

3 A. As I say, Elias told me about the voices. So because of
4 his worries of the mental state of his brother, that's
5 why he put those texts all together. And then
6 three days later, after Valdo has been admitted, so
7 those texts were sent to the treating psychiatrist.

8 Q. Right. I just want to ask you about a couple of entries
9 on the RiO, if I may, please.

10 A. Yes.

11 Q. And the first one is page 8 of the RiO, which is the
12 NHFT0000168 document, and it's 26 May 2020. We see --
13 yes, it's at 6.30 pm. If could go down the page
14 slightly, please:
15 "[VC's] mum said ... his sister and brother had both
16 spoken to her about concerns that they had had for the
17 last few weeks about his conversation content. His
18 brother has kept a journal of conversations with him
19 regarding things he has felt concerned about and she has
20 said that she is happy for these to be passed on. She
21 described [VC] as becoming a little more paranoid within
22 his conversations but was unable to specify what this
23 was."
24 A. Yes.

25 Q. And then, at page 11 on 28 May 2020, we see there, under

26

1 details. That's why I told you, Elias told me about the
2 voices. It doesn't mean that he told Elias about the
3 voices -- it doesn't mean that -- because I didn't want
4 on to tell you what the voices because if you look at
5 this contents of Valdo admission, had a lot of
6 conversation with the professional and then everyone
7 interpreting what I tell him in their own way. So if
8 it's written there, that's what I knew, yes.

9 Q. That's what you knew?

10 A. Yes.

11 Q. So Elias had told you that the voices had not told him
12 to harm himself or anyone else?

13 A. Yes. Elias told me that, but I already told you that
14 Elias wouldn't have shared with me that Valdo wanted to
15 end his own life.

16 Q. Sure.

17 A. You know?

18 Q. Yeah, no.

19 A. Because I already explained, like --

20 Q. You did.

21 A. -- what is going on in the country, the situation that
22 where I was, and for my own protection, he choose not to
23 tell me that side.

24 Q. But do you think there's a difference between telling
25 you that the voices had not told him to harm himself,

28

1 but not -- or -- and then not telling you anything else?
 2 Not telling you at all about it? Because that's
 3 a positive thing to tell you, isn't it? You say VC has
 4 not told his brother that the voices have told him to
 5 harm himself. That's a positive thing, rather than not
 6 simply saying anything, isn't it?
 7 **A.** No, I don't understand your question.
 8 **Q.** Okay. I won't take time over it. Did you send the
 9 messages to Dr Seedat?
 10 **A.** I did.
 11 **Q.** Yes. Can we have a look at that email, please, which is
 12 NHFT0017802. This is from you to Dr Seedat on 28 May,
 13 after the entry -- no, it's just before the entry we've
 14 just seen, which you've sent about an hour and
 15 ten minutes, actually, isn't it, before? We see a link
 16 there to the text message and we can tell that it's the
 17 text messages because with that compiled from text
 18 messages and phone calls, et cetera, et cetera, is
 19 actually at the top of NGPF0002527, and so that's the
 20 link that you send on 28 May 2020, which is the document
 21 containing the messages.
 22 At any time after May 2020, when you had more time,
 23 did you ever click on that link to see what was in
 24 there?
 25 **A.** I thought I already answered Ms Langdale, I never read
 29

1 Elias in terms that he was contemplating taking his own
 2 life and you weren't told that and you had to deal with
 3 the hospital, what was your reaction?
 4 **A.** Repeat that again?
 5 **Q.** Certainly. You're a nurse.
 6 **A.** Yes.
 7 **Q.** You know that, of course, when hospitals have to deal
 8 with somebody, particularly someone who is under --
 9 suffering from a poor mental health, that what they'll
 10 be really concerned about is what is the risk of
 11 self-harm to a person.
 12 **A.** Mm-hm.
 13 **Q.** And you, being a nurse and understanding that, what was
 14 your reaction when you heard that your son had actually
 15 told Elias, in terms, that he was contemplating taking
 16 his own life?
 17 **A.** What I've done, at that point I was in work, so I didn't
 18 even know where my son was at that point. So I didn't
 19 do anything, and that morning --
 20 **Q.** Please forgive me, it's me being unclear, Mrs Calocane.
 21 **A.** Of course.
 22 **Q.** I'm talking about when you saw the text messages and you
 23 discussed it, you've only seen these during the Inquiry
 24 and your son said yesterday that it was plain to him
 25 from that that he was -- from those messages, that he
 31

1 that message myself.
 2 **Q.** Okay. If you'll just bear with me for just one more
 3 reference then, which is CPSE0000019, and this is an
 4 email you send to Mr Sheeran, who is your son's
 5 solicitor, on 21 June 2023. And if we go -- I think
 6 it's the second page, please. There it is, yeah.
 7 So we see there that:
 8 "His brother wrote a document with all ... the
 9 messages and phone calls they had during this week and
 10 we gave these to Dr Seedat".
 11 Then you put the link there again, when writing
 12 what's really quite a long email, and did you not look
 13 at the messages before sending that to --
 14 **A.** Okay, I answer. This email, Elias did this email for me
 15 because at this time, if the email has been sent from my
 16 account, but at that point, I haven't got a head in the
 17 place to sit and write that email. The email being sent
 18 by me, Elias sit and put together the email for me so
 19 I could send to his -- that I could send to his team.
 20 That's what happened. Because at that time I believe
 21 I haven't even got a head on my shoulder to sit and put
 22 that email together.
 23 No. So I didn't. I didn't click the link. I'm
 24 sorry. I didn't.
 25 **Q.** Okay. So when you first heard that your son had told
 30

1 was contemplating taking his own life, and he actually
 2 told him in a conversation, a telephone conversation, on
 3 12 April 2020 that he was contemplating taking his own
 4 life. When you heard that, during the course of this
 5 Inquiry, what was your reaction?
 6 **A.** What do you mean, like on the 13th? When I spoke to
 7 Elias, that's when you're asking me?
 8 **Q.** No, Mrs Calocane; please forgive me.
 9 **A.** I just don't understand, I'm sorry.
 10 **Q.** No, of course. It's me not being clear. Essentially,
 11 you never saw these arguments you never saw these
 12 messages until the Inquiry. You understand the real
 13 importance of telling a hospital about the risk of
 14 self-harm with a patient suffering from the illness that
 15 your son had.
 16 **A.** Mm-hm.
 17 **Q.** When you found out, during the course of this Inquiry,
 18 that your son had told Elias that he was contemplating
 19 taking his own life, and you weren't told that, what did
 20 you feel about that?
 21 **A.** What do you mean; how do I feel like?
 22 **Q.** I'll move on. Did you ever tell the medical staff that
 23 you were afraid that VC was going to self-harm, in fact
 24 was going to kill --
 25 **A.** Because I did not tell them. That was my fear, because
 32

1 Valdo was in the first early intervention for psychosis.
 2 He's supposed to have a care coordinator that was
 3 reassuring me Valdo was fine, there was no risk. He had
 4 a Consultant Psychiatrist who was -- he was under that
 5 team, that were assuring me every time I phoned with my
 6 concern that he assured me Valdo was fine.
 7 So at that point, as a mother, I just got that hope,
 8 maybe, and this and having this fear which is not true
 9 because if the people in the treating team are telling
 10 me "your son is fine" so maybe I shouldn't be worried
 11 about that.
 12 **Q.** Okay. Can I ask you about 13 June 2023, please, and can
 13 we quickly put up the text messages, WITN0085005,
 14 please. You've explained to the Chair that Elias had
 15 rung you to say that VC had rung him and said, "It's the
 16 last time he'd speak to me" and that Elias had asked him
 17 was he going to be stupid and he said it had already
 18 been done, and you said, "I'll call you later"; yeah?
 19 **A.** Yes.
 20 **Q.** You've also said, just at this, 13:50:48, that when you
 21 got the texts and you were asked what did you think
 22 about that, you said, "Well, when Elias told me, what
 23 I thought he must have already done something to end his
 24 life because he'd already asked him, he said he's
 25 already done," that's what I assumed from there; that's

33

1 **A.** Yes.
 2 **Q.** Did he refuse to give you an address in Newcastle?
 3 **A.** My son didn't want to give me address because my son
 4 knows me if I have his address I probably just turn up
 5 at the doorstep. He didn't want to give me his address,
 6 so I respect that. He was already living for four years
 7 on his own and he has proven he -- if he doesn't want to
 8 give me address, I accept that. There wasn't --
 9 **Q.** Did he come home at Christmas 2015?
 10 **A.** No, he didn't, because --
 11 **Q.** Did he come home at Christmas 2016?
 12 **A.** Yes, he did.
 13 **Q.** Then, when he came home at Christmas in 2016, did he
 14 tell you that his accommodation had fallen through in
 15 Newcastle and in fact in all that time he'd been doing
 16 an access course in Birmingham?
 17 **A.** Yes.
 18 **Q.** Again, he wouldn't give you an address in Birmingham
 19 either, did he?
 20 **A.** No, he didn't.
 21 **Q.** From August 2020 to June 2023 was it just two occasions
 22 that you saw him face-to-face: 11 July 2021 and
 23 5 November 2022?
 24 **A.** Can you repeat dates again?
 25 **Q.** 11 July 2021 and 5 November 2022.

35

1 right yeah?
 2 **A.** That's right.
 3 **Q.** So when he said -- when he assumed that, why did you
 4 say, "I'll ring you later"?
 5 **A.** I'll ring Elias later.
 6 **Q.** Sorry?
 7 **A.** I'll ring Elias later, because I was in work.
 8 **Q.** So when you thought your son had taken his own life, you
 9 didn't seek to go and ring your other son straight away,
 10 and ask permission to stop work and go and so on? You
 11 didn't do that?
 12 **A.** Maybe, looking back, maybe that's what I should have
 13 done, but I didn't do that at that time because this is
 14 something I've been living with for the last
 15 three years, and then the outcome, whenever I tried to
 16 get help for Valdo, as we know, people with mental
 17 health, they go on to take their life. And then as
 18 a family when you're dealing with people with mental
 19 health, that's what you are -- that's what you accept is
 20 going to happen, and it doesn't matter what you do.
 21 It's just your faith, and then you have to live with it.
 22 **Q.** Okay. Just very finally, please, just a minute or so
 23 more, please, Mrs Calocane.
 24 When your son left to go and live in Newcastle in
 25 early 2015, he was 23 years old?

34

1 **A.** The year you were saying between August --
 2 **Q.** August, after his second admission when he came out
 3 after his second admission.
 4 **A.** Yes.
 5 **Q.** So it's between that time, and so August 2020 and
 6 June 2023, was it just 11 July 2021 and 5 November 2022
 7 that you saw him face-to-face?
 8 **A.** Yes, that's correct.
 9 **Q.** Now, you told Ms Langdale that you drove to Nottingham
 10 in August 2022 to see him?
 11 **A.** Yes.
 12 **Q.** You weren't able to see him, and you drove to Nottingham
 13 especially to see him, to find him, to talk to him?
 14 **A.** Yes.
 15 **Q.** Had you been to Manchester, and were on your way back
 16 home when you popped into Nottingham?
 17 **A.** What is the difference, then, in that?
 18 **Q.** I'm just asking you --
 19 **THE CHAIR:** You're just being asked a question.
 20 **A.** Yes, that's it. I went, I was in Manchester with my
 21 brother, then on my way back from Manchester so
 22 I stopped to see him, yes.
 23 **MR MOLONEY:** Thank you very much, Mrs Calocane.
 24 **THE CHAIR:** Yes, Ms Cartwright.

Questioned by MS CARTWRIGHT

36

1 **MS CARTWRIGHT:** Good afternoon, Mrs Calocane.
 2 **A.** Good afternoon.
 3 **Q.** Can I take you first of all to the Social Circumstances
 4 Report that you've been asked questions about from Emily
 5 Doherty, WITN0391002, please.
 6 Thank you. So this is the document but I want to
 7 ask you about the paragraphs where the information has
 8 been provided from you following the call that you had
 9 with Emily Doherty. Can we go, please, to page 4 and
 10 it's paragraph 6.2, please. Thank you.
 11 So -- thank you, just scroll down.
 12 Now, this is what Ms Doherty has recorded:
 13 "Mrs Calocane explained that, to her knowledge, her
 14 son was still living in Nottingham at the time of the
 15 offences. She described their relationship as 'close';
 16 they would speak regularly, and this would at least be
 17 once a week. Prior to the offences they had spoken on
 18 a weekly basis. Mrs Calocane's view is that her son has
 19 not been well this last year."
 20 So pausing there, do you accept that's what you told
 21 Mrs Doherty: that you had a belief your son was still in
 22 Nottingham and that you were in regular contact.
 23 **A.** No, I wouldn't have told Ms Doherty that because I told
 24 even Theemis, my son, and then I told the police
 25 straight away after everything: my son told me he was --

37

1 contention about some aspect of this, you then provided,
 2 at paragraph 6.3, some background about your son's
 3 arrival. And if we go over the page, please. So your
 4 son was born when you were 16 and essentially describing
 5 a happy childhood in Guinea-Bissau.
 6 **A.** Mm-hm.
 7 **Q.** Is that correct? I'm just going to ask this question in
 8 the context --
 9 **A.** Is that 6.6?
 10 **Q.** Sorry, that was just 6.3, so it's the end of that -- it
 11 describes essentially your time up until where he moved
 12 away.
 13 **A.** Mm-hm.
 14 **Q.** But then I know there's a dispute about the timings of
 15 when you left Africa, in paragraph 6.4, but essentially
 16 you also gave the account about that your son:
 17 "... was bullied in school in both Portugal and in
 18 the United Kingdom, and that this was due to the schools
 19 and areas they resided having a predominantly White
 20 community. The bullying carried on for a few years
 21 whilst [he] was at school".
 22 Do you accept that aspect as the account you
 23 provided?
 24 **A.** Have you read my second statement? I thought I'd just
 25 explained that not long ago.

39

1 he moved to Coventry because he found a job there. And
 2 then at this point I was trying to find, to ask him
 3 which type of job he was doing. I wouldn't have told
 4 Ms Doherty that. That must be just a misunderstanding
 5 and he hasn't been well the last three years. It's not
 6 the last year.
 7 **Q.** So you don't accept you said he was still living in
 8 Nottingham: you maintain that it was still Coventry.
 9 But the other thing she's recorded there about you'd
 10 speak regularly, at least once a week, and prior to the
 11 offences, you'd spoken on a weekly basis; is that
 12 accurate?
 13 **A.** Let me tell you something. I spoke to everyone
 14 documented what are telling me in a specific time.
 15 I may speak to Valdo more frequently one week, I may
 16 speak to him differently in another week. I'd been
 17 speaking to the services since Valdo has been poorly 100
 18 times, I've been --
 19 **Q.** No, I appreciate that. It's not that; it's just making
 20 clear, were you still in regular contact, before the
 21 offences, speaking to your son on a weekly-type basis?
 22 **A.** I would speak to Valdo, yes.
 23 **Q.** All right. I just wanted to make sure that bit of the
 24 section was clear.
 25 Then we can see -- and bearing in mind there's some

38

1 **THE CHAIR:** I think she's given an answer
 2 -- (*overspeaking*) -- about that.
 3 **MS CARTWRIGHT:** Thank you.
 4 Can we go to paragraph 6.9, please. Can I just
 5 clarify this: this records an account that you believed
 6 that your son experienced:
 7 "... the voices [he] experienced, never went away
 8 and were with him 24 [hours a day] seven [days a week].
 9 You told Emily Doherty that:
 10 "... they said different things, they would laugh at
 11 him, and tell him that members of the family were in
 12 danger. ... [he] was adamant that the government has
 13 put the voices in his head as part of some form of
 14 technology."
 15 Is that accurate?
 16 **A.** I thought I've already answered all of this about the
 17 technology and the voices.
 18 **THE CHAIR:** You're being asked about what you said to Emily
 19 Doherty. So you're being asked about whether this is
 20 what you've said.
 21 **A.** All right. What I've said to Emily Doherty, I've
 22 already said that conversation was quite like, that was
 23 the first conversation I had, if that's what she wrote
 24 there. Probably that's what I told her, that's what she
 25 understand.

40

1 **MS CARTWRIGHT:** All right. Now, there's NICE guidance about
2 psychosis and I don't need to display the guidance
3 unless you want to see it, it's guidance your son was
4 asked about yesterday. For the transcript it's
5 NICE0000016, page 7, and essentially what it says is
6 that for some psychosis and schizophrenia it has
7 a foundation in trauma or post-trauma stress disorder.

8 **A.** Mm-hm.

9 **Q.** So from your knowledge and experience, is there any
10 aspect -- I've asked you about Africa and you said that
11 was a happy time -- was there any aspect of your son's
12 time in Madeira, or in Portugal, where he experienced
13 any form of trauma?

14 **A.** No.

15 **Q.** To the best of your knowledge, any time whilst he was in
16 Wales where he experienced any trauma?

17 **A.** I wouldn't say he experienced any trauma. He's just
18 like when we move he was 16, and then going to school
19 with the kids, like younger than him, it was hard for
20 him to gain that skill of having friends, meaningful
21 friends, as he had in Portugal before, but no trauma.

22 **Q.** Thank you. I think you've probably covered other
23 aspects after that time.

24 Then can I ask you, because when your son was living
25 in Wales, did he work on an oil refinery?

41

1 0555, it's right, isn't it, that your son, VC, had
2 called your -- well, he'd spoken to Elias the day
3 before, had a 44-minute call at 7.09 pm. He had then
4 had a call with your husband at 10.52 pm. That would
5 have been on a time when VC was on the train from London
6 heading back to Nottingham. So had, the day before,
7 Elias told you about the telephone call he'd had with VC
8 of 44 minutes from 7.09 pm?

9 **A.** I can't remember if Elias had told me about that call.

10 **Q.** All right. But had your -- in fact, your husband gave
11 an account to the police that the 10.52 pm call the day
12 before was that VC had instructed your husband to tell
13 you not to contact him again, and neither you or your
14 husband should attempt to visit him in hospital.

15 Now, would you agree that was a fairly significant
16 call and message that VC gave to your husband the day
17 before at 10.52 pm?

18 **A.** That day, because I start work at 7.15, I didn't know
19 about all of this until the following day. I was at
20 work.

21 **Q.** So this is 12 June; what time did you start work?
22 Quarter past --

23 **A.** This is 13 June, isn't it?

24 **Q.** This is the 13th; I'm asking you now about the day
25 before, 12 June?

43

1 **A.** He did. In the summertime he did some work with my
2 husband.

3 **Q.** Is that the one that's in Wales, the oil refinery in
4 Wales?

5 **A.** Yes.

6 **Q.** All right, thank you.

7 Then can I just go back to the calls and I want to
8 display the text messages because it helps with timings.

9 **A.** Okay.

10 **Q.** Just to use that as a foundation for the questions,
11 I want to deal with about the calls the day before as
12 well, so it's the WITN0085005 document, please.

13 Thank you.

14 So you've already explained and confirmed the
15 content of these messages, but we can see the first text
16 message was at 0455 and I think it's right, isn't it,
17 that Elias had tried to call you at 0452 and essentially
18 you said you'd speak later; is that correct? So there
19 was an attempted call but then the text at 0455 that
20 said, "He just called me and said this is the last time
21 he'll speak to me." Is that correct; do you remember
22 that?

23 **A.** Yes.

24 **Q.** That's on the 13th, and just to give some context and in
25 particular to the "I'll tell you later" (*sic*) message at

42

1 **A.** The 12 June, because that's a night shift, I start work
2 at 7.15 in the night.

3 **Q.** So you would have started at 7.15 pm and then worked
4 through to 7.15 am?

5 **A.** In 7.45 in the morning.

6 **Q.** 7.45, thank you.

7 So when VC called your husband at 10.52 pm on 12
8 June, then, did he not communicate any aspect of that
9 contact from VC to you?

10 **A.** I was in work, as I say.

11 **Q.** I appreciate that, but similarly, you say Elias had
12 called you at work and you'd said, "We'll speak later"
13 and I just want to be clear --

14 **A.** No, I didn't speak to my husband that day, no.

15 **Q.** All right. You didn't speak to him.

16 Then were you aware that as well as at 10.52 pm,
17 having that call with your husband, that VC had emailed
18 whilst he was at Nottingham Train Station at 11.52. So
19 we know that's where he was when he sent the zip file to
20 Elias. Had Elias told you that he'd received an email
21 from VC on 12 June at 11.52 pm which he'd sent that zip
22 file?

23 **A.** Do you have any screenshot of Elias? I think Elias
24 called me and then I don't know if I spoke to Elias and
25 then -- or I didn't -- had his missed call and then he

44

1 text me, then I wouldn't have known about the file at
 2 that point.
 3 **Q.** All right, okay. So essentially you've nothing else you
 4 can help us with about those messages beyond what you've
 5 already told Ms Langdale in questioning?
 6 **A.** No, sorry.
 7 **Q.** All right. Thank you.
 8 Can I then next ask you, please, I'm going to be
 9 asking you about the visit VC made when he drove the
 10 four and a half hours to your home in Wales in
 11 July 2021. But before dealing with that can I just look
 12 at some other aspects of the CPSE0000019 document that
 13 Mr Moloney took you to a moment ago, just to clarify
 14 some points, please. So CPSE0000019.
 15 Now you've already confirmed that this email, even
 16 though we see at the end of it it's signed off as
 17 "Celeste Calocane", you say this was drafted by Elias to
 18 the solicitors; is that correct?
 19 **A.** It was, yes.
 20 **Q.** All right. Then if we go to page 2, please, because
 21 what the document suggests, by reference to diagnosis
 22 and the first admission, is that Dr Seedat had told you
 23 effectively that if -- let's just find the patch, sorry,
 24 on here -- that he had raised schizophrenia, the account
 25 seems to suggest, that if it returned then

45

1 **A.** Yes, that's correct.
 2 **Q.** All right, thank you. Then if we can just go to page 6,
 3 just to get some more context. Thank you. And just on
 4 this when you cleared out your son's accommodation, you
 5 also referenced that there were receipts for
 6 international parcels and letters, I think two of those
 7 being addresses in Ireland that you thought were a bit
 8 strange as well; is that correct?
 9 **A.** Yes, that's correct. That's what is there.
 10 **Q.** Thank you. And I think we know as well there's
 11 an address, a connection that your son had to Amsterdam.
 12 Were you aware of any connection that he had to Ireland
 13 or Amsterdam?
 14 **A.** No, I wasn't aware. This was just me doing my own
 15 investigation.
 16 **Q.** Thank you. This a long lead-up, then, to the question
 17 I want to ask you about, which is at July 2021, please,
 18 at page 3 of this document, this is the summary of the
 19 visit that was made. Thank you:
 20 "On 11th July ... [he] drove ... to our [home] ...
 21 and stayed in his car all day until we came home. He
 22 refused to come in as he was adamant that the people in
 23 his head would be able to see inside our home and it
 24 would again put us in danger. He shared then that he
 25 first started to feel like was being watched in November

47

1 schizophrenia -- can you see -- would be likely?
 2 A little bit further down, thank you.
 3 He said in this document:
 4 "He said if it happened again, then it was maybe an
 5 ongoing thing like schizophrenia, bipolar disorder or
 6 something of the sort ..."
 7 **A.** Mm-hm.
 8 **Q.** Do you accept that you were told, after the first
 9 admission, that if it reoccurred then the likelihood of
 10 schizophrenia was in the range of diagnoses in
 11 consideration?
 12 **A.** But that would be like any other illness. If the
 13 consultant told you it could be the range, this
 14 diagnosis, you still need to have a proper diagnosis,
 15 isn't it?
 16 **Q.** All right. Can we then move to page 5 of this document,
 17 please. And just to see in terms of the files that he
 18 had sent, we can see there that the zip files that had
 19 been sent had been sent by your son on Christmas Eve,
 20 24 December, again on 26 December 2022, and then
 21 12 June, one at 23:52 that was sent from the station.
 22 So essentially over Christmas as well, repeatedly
 23 sending, I think, the files to I think convince the
 24 family of the delusions he was experiencing; is that
 25 correct?

46

1 2019 and that this feeling became stronger when lockdown
 2 first started so he would often go out walking at night
 3 to get away from this."
 4 Just pausing there, so obviously then the reference
 5 there to a much earlier time to the voices starting in
 6 November 2019, so obviously a time before the Covid
 7 pandemic had hit. Was that only on 11 July that your
 8 son told you about them starting in November 2019?
 9 **A.** Are you talking about Elias, isn't it?
 10 **Q.** No. I'm asking about VC. So this is an account that is
 11 linked to the visit on 11 July where VC said he felt
 12 like he had started feel like he was being watched in
 13 November 2019.
 14 **A.** Mm-hm. This is why he left one of the apartments
 15 because he thought people could see through his
 16 computer.
 17 **Q.** I appreciate that but we know he moved from Salisbury
 18 Street to Brook Court in the April time, but this is now
 19 November 2019.
 20 So I just want to clarify, was this information
 21 brought to the attention of you and your husband on
 22 11 July or was it something that you knew before that
 23 time, about him feeling like he was being watched from
 24 November 2019?
 25 **A.** I can't remember.

48

1 Q. All right. Okay. Thank you.
 2 Then if we carry on:
 3 "He explained that besides hearing the voices, the
 4 people behind this were able to access/use his vision
 5 like a camera, read his mind and give him visions and
 6 dreams -- he called the technology behind this Remote
 7 Neural Monitoring -- and they were also able to record
 8 phone conversations. This was when he mentioned that
 9 the people behind it were from MI5 and the Nottingham
 10 Police Department and Hospitals and they wanted to
 11 punish him.
 12 "He slept in the car as he refused to come in and
 13 drove back to Nottingham in the morning."
 14 Just pausing there, now your son has authored this,
 15 you say, but is everything else that's there about the
 16 visit on 11 July accurate as to what happened when he
 17 came to Wales?
 18 A. Yes.
 19 Q. All right. Now certainly when you read Elias's account
 20 in his witness statement, and your statement, it seems
 21 that this was a highly distressing event. I think
 22 certainly Elias was very cross that VC had upset you;
 23 would you agree?
 24 A. Yes.
 25 Q. And he was angry with him. But also, I think the fact

49

1 that you didn't tell mental health services about this
 2 visit and the information you gleaned, and I want to ask
 3 you why, bearing in mind there's a public safety issue
 4 here about your son who is unwell, driving a car, why
 5 you didn't tell the mental health services and report
 6 that your son was driving when he's unwell?
 7 A. Because I've already been reporting this to the mental
 8 health services before we get to this point, and then
 9 they come back and reassure me and say he's fine.
 10 So if the clinician that's dealing with him, that
 11 understand, mental health issue, reassuring me he's
 12 fine, I haven't got anything else I could go on and say
 13 okay, I just thought, this is just my reaction, my
 14 interpretation of what I'm looking, because the
 15 professionals are telling me he's fine. That's why.
 16 Q. We know you sent an email to Dr Seedat where you were
 17 saying, essentially was it going to go on VC's record
 18 that he'd been detained by the police -- and I'm going
 19 to suggest to you, is that why you didn't tell mental
 20 health services --
 21 A. No.
 22 Q. -- about this visit, because you were trying to keep
 23 from the services that he was driving when he was
 24 unwell?
 25 A. No, no, no. I wasn't trying to keep from the service.

51

1 that he wouldn't come in to the house again was a source
 2 of real upset about how ill he was; would you agree?
 3 A. Because this is where our understanding of Valdo illness
 4 would have helped, because at this point, his behaviour
 5 was quite -- his speech and everything got disorganised,
 6 but at that time it wasn't, so I didn't know what I was
 7 dealing with this, besides of this paranoia, he's been
 8 talking already since his illness. I didn't have
 9 anything new to say: okay, this is like what I've seen
 10 in 20 -- in the first admission and his second
 11 admission.
 12 Because I -- prior to this, I've already spoken to
 13 the mental health people and asked them he wasn't well
 14 and then they called me back, they say he's fine, they
 15 weren't worried. That's what he --
 16 Q. All right. I think there's some references before then
 17 that you knew he wasn't taking his medication.
 18 So what I want to ask you, bearing in mind that your
 19 son had driven an incredibly long way, four and a half
 20 hours, as someone, I'm going to suggest, that account,
 21 and we you look at your account in your witness
 22 statement and Elias's on this, is that VC really was not
 23 well at all. And it's, leaving aside your role as
 24 a nurse, the fact that he had driven in a car four and
 25 a half hours, you've already confirmed in your statement

50

1 Because any mother, you want the best for your child.
 2 My question, as a -- to Dr Seedat, it was as a mother.
 3 I wanted to know what's going to happen, but me, I have
 4 to protect Valdo, and I was the one that was raising all
 5 the lines with the mental health services. I don't
 6 agree with that.
 7 Q. All right. But then, I think the next time he made
 8 journey again when you were away with your daughter.
 9 Again, similar visit, a lengthy drive by -- I'm going to
 10 suggest to you, in fact, your son was unwell. Again,
 11 why on this occasion you didn't tell mental health
 12 services?
 13 A. Because at that occasion I wasn't around, until when
 14 I came back, and then you can see straight away when
 15 I came back I start contacting the mental health
 16 services, according to the record. And according to my
 17 conversation with his care coordinator, as soon as
 18 I come back in the country, that's why I start
 19 contacting them, talking to them about Valdo, and then
 20 nothing happen until September.
 21 Q. All right. Because what I'm going to suggest is because
 22 you say you wanted the best, and you're seeking to now
 23 say, when I ask you about this, they'd said he's fine,
 24 which I'm going to suggest isn't where the body of
 25 evidence lies, but that you had relevant information,

52

1 particularly that your son is telling you that he thinks
 2 he's going to be punished by the MI5, the police
 3 department and the hospitals, that this information
 4 should have been shared with mental health services,
 5 that you had a role to play to give relevant information
 6 as to risk and just how ill your son was.

7 **A.** That's the role I'd been playing since Valdo had been
 8 unwell. I'd always phoned the mental health service.
 9 But nothing seems to happen if you look at the record.
 10 Every time I phoned them, nothing seems to happen. They
 11 always seem to reassure me and tell me he's okay, and
 12 even all the time when I phone them, I think they go and
 13 assess him, but it wasn't that that was the case.

14 **Q.** And I'm going to suggest that a similar thing is
 15 captured. The evidence -- so then the messages that
 16 were sent, given to Dr Seedat, Dr Seedat has suggested
 17 that you and the family have asked him not to ask VC
 18 about essentially the risk information in those
 19 messages; do you accept that you said that?

20 **MR STRAW:** I'm not sure that's right.

21 **THE CHAIR:** It's not right.

22 **MS CARTWRIGHT:** All right. Then finally can I ask you --

23 **THE CHAIR:** In fact you're over time, Ms Cartwright.

24 **MS CARTWRIGHT:** All right, I'll leave that there. Thank you
 25 very much indeed.

53

1 VC to the health authorities then.

2 **A.** Yes, that's right.

3 **Q.** 9 October 2020, we've seen in the records you passed
 4 your concerns on about VC's mental health at that point
 5 as well?

6 **A.** Yes, that's right.

7 **Q.** And then we've also seen 29 May 2021, again you raise
 8 concerns --

9 **A.** Yes.

10 **Q.** -- about his mental health.

11 What was the messages you were getting back from the
 12 health services on those occasions when you passed on
 13 your concern about him?

14 **A.** The only message I was getting from them he was fine,
 15 until that point Valdo wasn't a risk to -- a risk to
 16 himself. So there wasn't an incident. So every time
 17 I raised my concern they come back to me and say he's
 18 fine, and then that was my concern then, and then
 19 sometimes they don't even come back to me and tell me
 20 what is going on.

21 **Q.** And so far as you were aware at the time, so forget what
 22 you've learnt since, but at the time, did the concerns
 23 you'd raised with the health authorities lead to any
 24 substantive difference in the care or treatment that VC
 25 received?

55

1 **THE CHAIR:** All right, Mr Straw. Thank you.

2 **Questioned by MR STRAW**

3 **MR STRAW:** Mrs Calocane, you were just asked by
 4 Ms Cartwright about July 2021 when you saw VC --

5 **A.** Mm-hm.

6 **Q.** -- and he discussed his thoughts about monitoring, about
 7 being monitored.

8 **A.** Yes.

9 **Q.** Had he raised similar concerns about that before?

10 **A.** Yes, he did.

11 **Q.** And had you passed on to the health services information
 12 like that? So had you said to the health services: on
 13 other occasions before that, VC has these thoughts of
 14 being monitored?

15 **A.** Yes, that's right, I did.

16 **Q.** Do you remember how many times you passed that on to the
 17 health services?

18 **A.** Oh I can't remember. Multiple times I did that.

19 **Q.** Just to pick a few examples. There's the messages in
 20 May 2020; are you aware now that those contained
 21 information about VC saying he thinks he's being
 22 monitored?

23 **A.** Yes, I'm aware now, yeah.

24 **Q.** Then on 11 July 2020, you raised your concerns about VC
 25 then; is that right? You passed on your concerns about

54

1 **A.** No, it never changed anything. The treatment was always
 2 the same.

3 **Q.** Given that you had repeatedly raised your concerns about
 4 his mental health, about things like monitoring, and it
 5 had apparently made no difference, when it came to
 6 July 2021, did you think there was any point in doing so
 7 again?

8 **A.** I didn't think there was any point because at that point
 9 I was likely really -- really helpless. I didn't know
 10 what to do because I've already done this numerous time,
 11 it didn't lead to anything, so ...

12 **Q.** Moving on to September 2021. You explained that you
 13 went to Nottingham.

14 **A.** Yes.

15 **Q.** Did you try to contact the hospital in order to try to
 16 arrange a visit to VC?

17 **A.** I said, when, in November?

18 **Q.** So this is now the admission which starts on
 19 3 September 2021 and he's admitted until the sort of
 20 middle of October.

21 **A.** Yes.

22 **Q.** During that period did you contact the hospital to try
 23 and arrange a visit?

24 **A.** Because during that period, that's when he was --
 25 I think he was in seclusion, then he moved up to

56

1 Nottingham, and the contact, just to try even and get
 2 through that ward to speak to someone, it was difficult.
 3 I couldn't even book an appointment or speak to treating
 4 clinician, in that admission.
 5 **Q.** So just to be clear, did you try to --
 6 **A.** Yes.
 7 **Q.** -- speak to someone?
 8 **A.** Yes, I did, yes.
 9 **Q.** And try for the purpose of booking a visit?
 10 **A.** Yes.
 11 **Q.** And you were unable to do so?
 12 **A.** I was unable to do so, and then when I realised, he was
 13 discharged.
 14 **Q.** You've explained earlier about trying to visit him in
 15 August 2022 and that you saw him in November 2022.
 16 **A.** Mm-hm.
 17 **Q.** Between discharge in late '21 and after that, did you
 18 speak to VC to try and arrange that you could go and
 19 visit him?
 20 **A.** Yes, I did.
 21 **Q.** And what happened?
 22 **A.** Valdo because for safety reason, he wouldn't give me his
 23 address. He wouldn't give me his address. It doesn't
 24 matter how much I tried, he would not give me his
 25 address, because he didn't think I was safe to be -- go

57

1 (Celeste)":
 2 "She explained [VC] seemed normal to his parents,
 3 until they heard about [the] incident.
 4 "[You'd] ... been phoning more frequently ...
 5 doesn't seem unwell at the moment.
 6 "Celeste was worried about him. She thinks he is
 7 scared of mental health services and feels persecuted by
 8 them. [You] expressed some frustration about their lack
 9 of ability to share information ... but accepted
 10 explanations."
 11 Is that an accurate description of the telephone
 12 call between you and Dr Gibson?
 13 **A.** Yes, because I told him I was worried about him and then
 14 I told him, yeah, he got us specifically to believe that
 15 the mental health was after him.
 16 **Q.** Okay. Thanks can we move on two pages, please, to 225.
 17 So this is the next day, and here Dr Gibson appears
 18 to be describing for a second time the same telephone
 19 call. Do you see? It's a day later but he's now
 20 describing the same telephone call again, and there he
 21 says, quite differently, he says:
 22 "Dr Gibson spoke to VC's mother yesterday and she
 23 said that she didn't detect any ways that he was unwell
 24 prior to ... [the] current admission ..."
 25 Is that an accurate description of the telephone

59

1 and see him. He wouldn't give it me.
 2 **Q.** So he basically refused --
 3 **A.** Refused, yes.
 4 **Q.** -- to allow you to visit him?
 5 **A.** Yes.
 6 **Q.** Just a point of clarification, moving on now to
 7 28 January 2022, you've explained that you weren't told
 8 by the hospital that he had been admitted at that point.
 9 **A.** Yes.
 10 **Q.** Did you say to Ms Langdale that had you been told he'd
 11 been admitted, then once he was in hospital, you would
 12 have contacted the hospital?
 13 **A.** Yeah, I would have contact the hospital and I would have
 14 gone to see him because I know he's in hospital. He
 15 can't -- he can't hide the address from the hospital.
 16 I could have gone and visit him.
 17 **Q.** Then can we have look at one RiO note, please, about
 18 that admission. It's the RiO page 223. You've been
 19 asked about this already but just a point of
 20 clarification.
 21 So this is the first entry by Dr Gibson about the
 22 telephone call between you and him on 2 February 2022.
 23 Do you see there, it's the second box down?
 24 **A.** Yes.
 25 **Q.** Originator Dr Gibson. So telephone call to "mother

58

1 call?
 2 **A.** Of course it is, because the other one -- that's the
 3 first -- that's when I spoke to him, this is not what we
 4 spoke about. This is whatever is his understanding, or
 5 whatever he took from a phrase about the phone call we
 6 had before. That's what he wrote in there.
 7 **Q.** Sorry, just to be clear, is this right: the one on 223,
 8 that we saw first is an accurate description, the one on
 9 225 isn't?
 10 **A.** This one now in here isn't. The first one is right.
 11 **Q.** Thank you. Moving on, then, to mid-2022. You explained
 12 to Ms Langdale earlier that VC stopped telling you
 13 anything by around that point; is that right?
 14 **A.** Yes, that's right.
 15 **Q.** Did you ask him about his mental health?
 16 **A.** If I asked him about his mental health, he just say he's
 17 okay, and he wouldn't tell me further what has gone on.
 18 **Q.** Did you try and ask him about medication, treatment,
 19 anything like that?
 20 **A.** If I asked about medication, he would just tell me "Oh
 21 he's taking his medication, he's fine."
 22 **Q.** You were asked also about paragraph 92 of your witness
 23 statement where you say you didn't understand him to be
 24 at risk of randomly attacking people; do you recall
 25 that?

60

1 A. Yes.

2 Q. Can you explain again what you meant by that?

3 A. What I meant about that, because all this, the incident
4 that happened with Valdo, the first two admission, it
5 was where he was living, and he was hearing voice, like
6 telling him I was in danger, and then he was acting on
7 that voice to go and save me.

8 And then the third admission, it was when the police
9 was assisting the mental health to take him to the
10 hospital. This is what I understand. That's why
11 I -- (*overspeaking*) --

12 Q. So by saying "not at risk of randomly attacking people",
13 can you explain exactly what you meant by that?

14 A. What I meant is Valdo didn't just go, like, off his way
15 and start attacking people. He was acting on something
16 that lead to that attack. I don't know if that makes
17 sense. Because the police was part of this paranoia,
18 and then the mental health services was part of paranoia
19 and then they came in now to take him to there he didn't
20 want to go. And then that's where the -- that's what
21 I understand.

22 Q. So is this right, please don't say if this is wrong,
23 okay --

24 **THE CHAIR:** Well, don't summarise. She's given her
25 evidence, Mr Straw.

61

1 Q. So you explain in your witness statement that you called
2 him at 6.45 am. Do you remember, in the 50 minutes in
3 between, what you did?

4 A. I can't remember. Probably maybe Elias had send me
5 a text and maybe he was in work doing something and then
6 I just had time to go maybe to the toilet to kind of
7 like try and see if I can reach Valdo in that period of
8 time. That's the only thing I could place it, because
9 I'm not supposed to, like, be having my phone during
10 work time.

11 Q. Okay.

12 A. Or I was on my break when he phoned me, or finishing my
13 break, I don't know, in that period of time, but I just,
14 like, when I saw that, so I tried to phone him to see if
15 I can get hold of him and know what's going on.

16 Q. You explain in your statement that you then tried
17 phoning VC a number of times --

18 A. Yeah.

19 Q. -- and the other things you did. Did you consider
20 phoning the police?

21 A. I didn't consider phoning the police that moment,
22 because, as far as I was aware, Valdo did told me he was
23 in Coventry and then I didn't even know Valdo's address
24 at that time, and I didn't consider phoning the police.
25 I was just waiting, because this is something that I'd

63

1 **MR STRAW:** Okay.

2 13 June 2023, the penultimate issue and you were
3 asked about the text messages you received from Elias at
4 4.55, I think, in the morning.

5 A. Mm-hm.

6 Q. And 4.55 in the morning. And then we've seen you
7 responded at 5.55 in the morning?

8 A. Yes.

9 Q. You've explained you were at work at that point.

10 A. Yes.

11 Q. Still on the intensive care ward?

12 A. Yes.

13 Q. How did you feel when you received those messages, or
14 when you read those messages?

15 A. When I read those messages, I was feeling like, whatever
16 I was fear has arrived because Elias has told me or
17 asked -- he told me "This is the last time I'm speaking
18 to you" and then Elias asking "are you going to do
19 something stupid" and saying "it's already been done".
20 I thought, okay, my worst nightmare has come true, has
21 come true now. That's how I felt at that moment.

22 Q. Do you remember exactly what you did after 5.55 when you
23 acknowledged the text message?

24 A. I think I tried to phone him, to see where he was.
25 That's what I did.

62

1 been waiting for for the last three years.

2 Q. So can you explain in a bit more detail; why was it that
3 VC was in Coventry but you didn't know where? Why was
4 it that --

5 A. Because I didn't have his address and I didn't have more
6 detail where he was about.

7 Q. And was that --

8 A. Because he wouldn't give it to me, his address, because
9 for him thinking not giving me address, not letting me
10 involve, he's keeping me safe.

11 Q. Thank you very much.

12 Just finally, is there anything else you would like
13 to tell the Chair that you haven't already said?

14 A. The only thing I would like to add, which I already
15 said, is I'm just here to try and help the Chair to come
16 to a -- to bring the changes, so no one have to go
17 through what happened, because you have to try, as a --
18 as a family, to navigate a service that you don't even
19 understand.

20 First of all, you don't understand what's going on
21 with your relative, and you're just left, just to
22 navigate that service on your own, to try to understand.
23 You don't understand the ... you don't understand the
24 diagnosis of the person, so you don't have all the
25 information that you need, because everything is so

64

1 fragmented. And I don't think no brother or mother
 2 should be have to be left alone in that situation to try
 3 to navigate the service, to try to find out, to
 4 understand what is going on with their relative.
 5 I think somebody should sit there and explain to
 6 you: "This is their diagnosis, this is what you need to
 7 know, this is what you have to look at."
 8 And, like, just work with you in that moment, so you
 9 understand. So you'll be able to assist that person
 10 properly. And just to make sure -- this system is so,
 11 it's so broken, and it's just building broken people.
 12 This is what the system is. Because you're just like in
 13 your brokenness, the day you receive that phone call,
 14 you're just walking in the brokenness all your -- every
 15 day of your life. And no one should have to go to bed
 16 and then thinking: I'm going to have a phone call
 17 tomorrow, something happened to my loved one, because
 18 you don't understand what's going on.

19 **THE CHAIR:** Thank you.

20 Yes, Mr Straw.

21 **Questioned by THE CHAIR**

22 **THE CHAIR:** Yes. I just maybe wanted to pick up that point
 23 that you've just made. Obviously you're a nurse, and so
 24 you've worked in hospitals.

25 **A.** Yes.

65

1 back on Monday. Thank you.
 2 **(3.13 pm)**
 3 **(The hearing adjourned until 10.00 am on Monday,**
 4 **18 May 2026)**

67

1 **THE CHAIR:** But you found difficulty in getting through to
 2 the hospitals, or getting people to listen to you?
 3 **A.** Yes, because of my background, nurse, that's why I did
 4 so much. Because according to my team, I spoke to the
 5 professional a hundred time in this period, because
 6 that's why I was asking questions. I was trying.
 7 Imagine somebody didn't know anything in that field; how
 8 can you navigate that system, day in and day out?

9 **THE CHAIR:** What I wanted to ask you, and I know it's
 10 upsetting to talk about it, but I just want to ask you
 11 how much of the difficulty that you had, do you think,
 12 knowing the system at the time, was due to Covid, and
 13 how much just generally due to the system?
 14 -- *(overspeaking)* -- to answer that question.

15 **A.** I think it's not just like doing with the Covid, because
 16 it started with the Covid, but then we came out from
 17 Covid and then it was just like nothing was working at
 18 all. Until there was a crisis, no one listened to you.
 19 And when you get to a crisis, it's too late, because
 20 that's what is mean: crisis is crisis.

21 If you -- just prevention, that's what we need.
 22 Before you get to crisis, you need to do the prevention.
 23 When you get to crisis, crisis is too late.

24 **THE CHAIR:** Thank you.

25 Right. Well, we'll finish there for today and be
