THE NOTTINGHAM INQUIRY

FIFTH WITNESS STATEMENT OF COLIN MICHAEL WILDERSPIN

I, Colin Michael Wilderspin of Nottingham City Council, Loxley House, Station Street, Nottingham, NG2 3NG will say as follows:

- 1 I am employed by Nottingham City Council as the Strategic Director of Communities and have held that position since December 2023.
- 2 I make this statement in response to the Rule 9 Request from the Nottingham Inquiry ("the Inquiry") dated 18 March 2026.
- 3 Where the contents of this statement are within my personal knowledge, it is true. Where it is outside my personal knowledge, but derived from other sources, it is true to the best of my information and belief.
- 4 Further to my fourth witness statement to the Inquiry, I am asked to exhibit a photograph of a map of the area of Ilkeston Road, Nottingham, incorporating Magdala Road, with a key showing where Local Authority CCTV cameras were located and whether they were accessible from the Woodlands CCTV Control Centre on 13 June 2023. I exhibit the same at [WITN0224036] and [WITN0224037].

- 5 For the sake of completeness, I have included the legend below:-
- a) The blue circle icon indicates fixed Public Space Cameras accessible from the Woodlands CCTV Control Centre.
 - b) The orange triangles denote Up the Coax ("UTC") Traffic Cameras owned and operated by Nottingham City Council ("the Council").
 - c) The red triangles on the map refer to red light traffic light cameras. These are not owned or operated by the Council.
- 6 I confirm all CCTV cameras identified on the maps are multi-directional with pan tilt and zoom functionality. This means the cameras can be remotely operated to scan the surrounding area. The cameras are also programmed to 'tour', which means that they are designed to move through a sequence of different positions automatically.

Statement of Truth

I believe that the content of this witness statement to be true. I understand that proceedings may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief of its truth.
