THE NOTTINGHAM INQUIRY

FIRST WITNESS STATEMENT OF GREGORY HAGUE

I, Gregory Hague, of Nottingham City Council, Loxley House, Station Street, Nottingham, NG2 3NG will say as follows: -

1. I am a CCTV Operator employed by Nottingham City Council ("the Council") and have held that position since 2001.
2. I make this statement in response to the Rule 9 request from the Nottingham Inquiry ("the Inquiry") dated 30 June 2026.
3. Where the content of this witness statement is within my personal knowledge it is true. Where it outside of my personal knowledge and derived from other sources it is true to the best of my knowledge and belief.
4. My role is to monitor the city's CCTV cameras. I only do day shifts, and so will start work at 7am and my first task is to check the handover from the night shift and then go on to perform my camera checks. After I have performed my camera checks I then proactively check the CCTV cameras across the city.
5. In the event I see an incident, I will record an 'Incident' on our system. This is a button that is pressed on the computer which then logs the time of recording and allows me to document all the relevant information about what I have witnessed. I would also contact Nottinghamshire Police through the radios or telephones stationed in the CCTV control room.

6. On occasion, I am asked to step up to the role of an L3 supervisor in the CCTV control room. This is only where one of the supervisors is absent and was not the case on 12 June 2023.
7. On 12 June 2023, I was on the day shift as a CCTV operator. I started at 7am and then finished at 7pm. I do not recall or remember who I handed over to who, but I recall that it was Anton Wilde's CCTV Team who then operated the CCTV cameras until 7am on 13 June 2023.
8. I cannot recall much about the 12 June 2023. I am a proactive note taker and document any issues, complaints or concerns that occur in the course of my job. I am certain that where any complaints or concerns were raised to me on 12 June 2023, I would have noted these down. I have reviewed my files and taken the time to try and consider the events of 12 June 2023, and I cannot find or recall anything of note for this date.
9. I do not have any recollection of anyone reporting any issues with the CCTV cameras to me.

Statement of Truth

I believe the content of this witness statement to be true. I understand that proceedings may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief of its truth.
